City of San Antonio
Subcontractor/Supplier Utilization Commitment Form

Solicitation Name: ***Plaza de Armas Building Improvements***

Respondent Name: _____

Initial each statement and sign below.

☐ In responding to this solicitation for which proposals are not initially evaluated based upon price, I hereby affirm my firm's commitment to meet the subcontracting requirements indicated in the solicitation.

☐ I understand a Small Business Enterprise (SBE) subcontracting goal of thirty-five percent (35%) applies to this solicitation.

☐ I understand that absent a waiver approved by the Small Business Office, failure to include a completed, signed copy of this Commitment to satisfy the subcontracting goal for this solicitation will render this response NON-RESPONSIVE.

☐ I understand and affirm that absent a waiver approved by the Small Business Office, if asked to submit a price proposal response, I will be required to submit a Subcontractor/Supplier Utilization Plan with the price proposal response. Failure to submit the Subcontractor/Supplier Utilization Plan with the price proposal shall render the price proposal response NON-RESPONSIVE.

☐ I understand that my firm's failure to submit the Subcontractor/Supplier Utilization Plan satisfying subcontracting goals during the price proposal response will be grounds for termination of negotiations and will allow the City to enter into negotiations with another Respondent.
