## TIME

OCTOBER 1946 SAN ANTONIO TEXAS VOL. 5-NO. 5.

### ENROLLMENT IN NURSERY INCREASES

The Alazan-Apache Nursery has increased its enrollment considerably.

There are a great number of children in both programs but in case some parents are still thinking of enrolling their children, they should do so as early as possible otherwise it will be impossible to place them.

Children have been kept busy making their own party hats, colored fans, paper boats, etc. They shall be taught to make many other useful things, which they will be able to take home. Something to be proud of!

Each child's birthday is celebrated. This month, Stella Mae Martinez of 1309 Vera Cruz, celebrated her 5th birthday on September 16. It was a grand party! A pinata, in the form of a beautiful doll dressed in pink and blue was the attraction of the party.

Evelyn Martinez won the prize for breaking the pinata. Refreshments included quarter square sandwiches, potato salad, fritos, ice cream and the delicious birthday cake.

### IT'S CARNIVAL TIME

The Ferris wheel with its multi-colored lights blazes in the night sky. Laughter is heard from the rocking seats nearest the stars. The crowds below walk in time to the music of a nearby merry-go-round. The smell of hamburgers rises like perfume and here and there are the pink and white blooms of cotton candy. There's a chant of barkers in the air and the feel of excitement everywhere. Lights, noise, motion and a special gaiety all say one thing - it's carnival time again at the Alazan-Apache Courts' carnival grounds on the southwest corner of Colorado and Guadalupe streets.

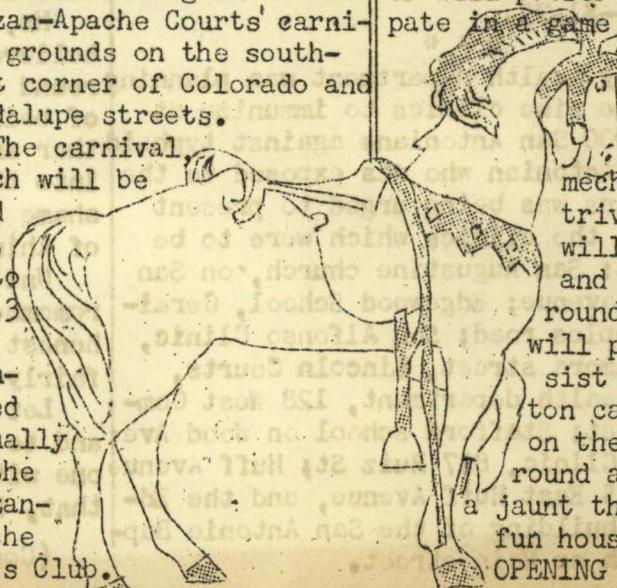

The carnival, which will be held Oct. 17 to Nov. 3 is sponsored annually by the Alazan-Apache Men's Club.

This year the carnival will be bigger and better than ever; the Men's Club announces, since there will be more rides and concessions than ever before.

Mr. and Mrs. Average Citizen, Junior and Sis, all will have an opportunity to confound the man who offers to guess their weight, or, throw baseballs at stuffed cats, rings at dolls, and feel the thrill of a lucky-number wheel spinning its way to a prize.

Dad will want to show-off at the games of skill, mother will prefer to participate in a game of carnival keno, Junior won't rest until he rides the mechanical contrivances which will swing him up and down and around, while Sis will probably insist on some cotton candy, a ride on the merry-go-round and, oh, yes, a jaunt through the fun house.

OPENING DATE--OCT. 17.

## HONESTY

We owe it to ourselves, to our neighbors, to our Community and to the world to be honest. We must live with one-another; the lives of others cross our own a hundred times a day, therefore, there is no ending happiness unless we treat one another honestly fair.

It is true that "Honesty is the best Policy!" Although it may bring us hardships at times, in the end it brings us peace of mind.

It goes without saying that we must tell the truth always as nothing can come from falsehood but misery. If people cannot believe us, they will have no dealings with us, or else they will deal with us as a person who can not be relied upon. We depend on one another in our daily life, we depend on the truth of the time table when we catch a train; We depend on the truth of a letter or telegram; We depend on the word of our doctor or druggist or our lawyer; We depend on a book to tell us facts. We rely on a friend who tells us something he has seen. If we are not to believe all these things, then our lives are not worth living, for our time will be wasted and our facts would be all wrong. A false statement by a lawyer can bring us utter ruin and a falsehood in a druggist shop can bring us death.

We live and prosper by seeking and speaking the truth; there is no other way to true happiness.

He, who does not speak the truth will believe nobody else and his life is one round of uncertainty, haunted by the fear of being found out. One lie leads to another and leads a person from the shallows into the pit and he is overwhelmed with shame and misery when he finds the sort of thing a single lie will lead him into.

Under the banner of "Honesty", we must remember to pay our debts. Nor will the honest person seek to protect himself unfairly from responsibility of what he says.

Let us be honest to all, to ourselves and to our country. Let us think ill of no one without cause. Let us scorn to say that, that is not true, scorn to take a

A Halloween party is being planned for Oct. 29.

# BRIEFLY SPEAKING

BY JESSE MALACARA

Guadalupe Flores, army veteran and M.C.I. member an out-patient at Brooke General Hospital. He was wounded in the Italian Campaign.

Alfredo Cruz has completely recovered from his illness, and we are glad to see him back at home. He was also a patient at Brook General Hospital.

Pfc. Baldomero Munoz on his 21 day furlough, after which he will report back to Kearns, Utah on the way to the European theatre. Best of luck, Munoz.

No wonder we don't see Gilbert Rendon around the Courts any more. He makes his home now in Los Angeles, California. Gilbert used to umpire the games for the girls and boys around this neighborhood and did quite a job of it for the sport of it.

Though not a license pilot yet, Rogelio Gonzalez, a former Young Men's Club member has 15 hours solo Flight to his credit. He accomplished this at Bexar and Alamo Fields.

Much has been said about the "Bill of Rights" and the benefits of it, but we wondered if anybody here in the Courts was really taking advantage of it, and we found that there are some on the alert. Take notice: Robert Herrera, navy vet, has enrolled at Kingsville A.&I. at Kingsville, Texas. Eugene Rivera and Trine Molina learning barbering

at a local college. Noe Sandoval, army dischargee, attending Trinity University.... Ditto for Victor Moreno who is taking journalism at the same college. In the radio field we find Ernest Herrera and Joe Rodriguez at Tech and Alamo Radio School, respectively. Fernando Tamayo learning printing at Clemens Shop.

No doubt, there are other veterans who are taking this grand opportunity. Will you, tenant of this Alazan-Apache Courts do us a favor? Please send us the name of the veteran, the school he attends and what branch of service he belonged to, to this column and we will be more than glad to print his name on here. Either bring it to this office personally, or mail a card to Alazan-Apache Times, Editor--Alazan-Apache Courts--1011 So. Brazos Street. By doing this you are encouraging the veteran who is not taking advantage of this opportunity, to do so.

Seen at the Auditorium dance featuring Harry James Orchestra, were Mary L. Moreno; Alicia and Josie Herrera, Aurora Leal, with their escorts, of course.

Sgt. Oscar Martinez, former editor of Alazan-Apache Times back from Japan to stay. He will receive his discharge next month, Welcome home, Sergeant!

Heard that Irene Valdez was learning how to drive a car--Good for you.

Cont'd from Column 2

Samuel Garcia, ex-sailor has just received his diploma, having successfully passed his test at Trinity University. He formerly attended Sidney Lanier School.

Victor Lopez Place, with Jesse Corvera as their manager, were Alazan-Apache League champions after defeating Tom Cat Cafe three straight games. A beautiful trophy will be awarded to them soon.

## SISTERS OF INCARNATE WORD SPONSOR ACTIVITIES

Tuesday night, Sept. 24, saw a gay crowd of over 100 gathered at Guadalupe Community Center for the Senior Athletic Club's Bingo and Dance, the proceeds of which will go toward basketball uniforms for the Senior Team.

The Guadalupe Girls Club are making big plans for a Sport Dance to officially open the new dancing pavilion at the Center. Saturday Oct. 19th is the date, 8:00 to 12:00 the time.

A meeting of the adult members of Our Lady of Guadalupe Girl Scout Neighborhood Unit will be held at Guadalupe Community Center, Friday, Oct. 4th, at 2:00 P.M. to plan a program for the Girl Scouts, and to discuss problems in relation to Scouting in the parish. The group meeting will consist of Field Secretary, Neighborhood Chairman, Troop committee members, and Leaders.

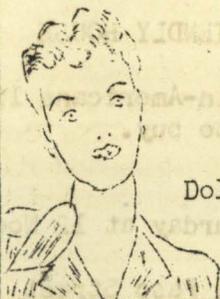

Girl Scouts of Troops 254 & 255 at Guadalupe Community Center plan a hike-cookout to Brackenridge Park, Saturday Oct. 5th

## CITIZENSHIP CLASSES

English and Citizenship Classes are being taught at the Alazan-Apache Courts, 1009 So. Brazos St. every Tuesday and Friday evening from 6:30 to 9:30 p.m.

A special class in English will be started on October 1, for both beginners and advanced students under the direction of Mrs. G. Peoples.

In addition to the English class there is a class for those who wish to become citizens of the United States, and those who wish to learn more about our Constitution and Government under the direction of Mrs. B. Satterfield.

These classes are a part of the San Antonio Evening School, with C.E. Troutz as principal. Students completing these courses will receive a certificate from Tech High School. These classes are sponsored by the United States Naturalization Service who furnish the text books.

A distinguished scientist was observing the heavens through the huge telescope at the Mt. Wilson Observatory. Suddenly he announced "It's going to rain." What makes you think so?" asked his guide. "Because," said the astronomer, still peering thru the telescope, "my corns hurt."

A customer entered a saloon and ordered a dozen martinis. He poured the liquor on the floor, and began munching contentedly on the glasses themselves. The stems, however, he would have no traffic with. A barfly watched the performance with interest, but pointed to the twelve stems "You darn fool," he said "You're leaving the best part."

A Navy J.G., home on leave, took his little daughter on a shopping tour. In a crowded department-store elevator, a stout party gave the J.G. an outraged look, and smacked him squarely in the face. The J.G. compressed his lips, and said nothing. As they emerged on the ground floor, his daughter said, "I hated that woman too, papa. she stepped on my foot, so I pinched her."

## SAFETY-GRAM

On June 21, at Vandalia, Ohio, a ten-month old child was burned to death, and his mother was seriously burned.

The child, crawling on the floor, picked up a bottle and, with it, struck and broke a jug of gasoline. The gasoline fumes were ignited by the gas cook stove.

Warning: Gasoline, Benzine or Naptha are just as dangerous as dynamite and should not be kept at home.

### SLIP COVERS

Do you have a couch in your home which needs to be covered because it is worn or soiled?

Maybe you have a new upholstered chair which you wish to protect from getting soiled. One of the best ways to cover a piece of furniture is to have a slip cover for it.

Many people make slip covers in their own homes. At the request of a number of homemakers a demonstration on making slip covers will be given at the Homemaking Unit, 310 Mirasol Place at 10 o'clock on October 8, 1946. If you would like to learn to make a slip cover in your home you are invited to attend this demonstration.

Remember the place: Homemaking Unit, 310 Mirasol Place.

Remember the date Oct. 8, 1946, at 10 A.M.

### BELIEVE IT OR NOT

### WHY I SHOULD BUY MY POLL TAX

I should buy my Poll Tax because in the first place by being an American citizen it is my duty to vote and without a poll tax I would deny myself that privilege.

To be a good citizen one must participate in all that we are able to in the way we are governed and by whom we are governed; and the way to accomplish that is by voting.

Voting is a great privilege as well as an urgent duty; and to be a good citizen, or do something good in this world we must perform our duty. Therefore, one of our greatest duties as an American is to vote.

Thus, I should buy my Poll Tax. ---M. L. M.
