**PRESENT:** 11 - Mayor Taylor, Treviño, Warrick, Viagran, Saldaña, Gonzales, Lopez, Medina, Nirenberg, Krier, and Gallagher

1. Staff presentations on the FY 2017 Proposed Budget focusing on, but not limited to, the following City policies and initiatives: [Sheryl Sculley, City Manager; John Woodruff, Director, Management and Budget]
  - A. Aviation
  - B. Smart Cities
  - C. Employee Healthcare Benefits and Compensation
  - D. Hemisfair Park Area Redevelopment Corporation

Item B was addressed first.

B. Jose De La Cruz presented the FY 2017 Budget related to Smart Cities Initiatives. He stated that a Smart City leverages data and technology to improve the quality of life for residents. He highlighted past and current projects to include the Parks Reservation System and Streetlight Retrofits to Light Emitting Diodes (LEDs). He highlighted the SATRIP Initiative that would be funded through a grant from the Texas Department of Transportation (TxDOT) in the amount of \$1.5 Million that will provide Traffic, Pedestrian and Highwater Detection Improvements, as well as a Mobile Application to provide information to travelers. He mentioned funding in the amount of \$1 Million for additional LED Streetlights in District 5 and noted that Drones would be purchased for the Fire Department. He stated that \$2 Million was allocated to provide WiFi in 10 City Parks and \$100,000 for cameras for Illegal Dumping Enforcement. He reported that \$7 Million would be used for Technology Infrastructure Replacement and showed a video about how the projects can help people in their everyday lives.

Mayor Taylor commented on the technology and stated that she wanted to ensure that no one was left behind. She asked if they could generate revenue from Community Kiosks. Mr. De La Cruz replied that they could generate revenue through advertisements.

Councilmember Viagran stated that she was pleased with the cameras to address illegal dumping and asked of the timeframe for Traffic Improvements along Military Drive. Mr. De La Cruz replied that it was a two-year project. He noted that they had applied for a grant from TxDOT and would know if they received it by the end of the month. Councilmember Viagran suggested coordination with Bexar County on including County Parks in the Parks Reservation System.

Councilmember Warrick asked of the Public Safety Improvements that would be made. Mr. De La Cruz replied that they were purchasing Drones for the Fire Department and that the Shot Spotter Pilot Program was still underway. Councilmember Warrick suggested that solar benches and solar fans be placed at VIA Bus Stops. He asked of the timeline for WiFi in City Parks. Maria Villagomez replied that they would begin working on the initiative shortly after the budget is approved.

Councilmember Gonzales stated that she was pleased to see funding for additional lighting in District 5. She asked of the Gaming Element within the mobile app. Mr. De La Cruz stated that the 3-1-1 APP could have a gaming element and staff was exploring this option. Mrs. Sculley added that it was a reward system to get residents to turn in pot holes and other safety hazards. Councilmember Gonzales stated that she was grateful for the technology investments being made.

Councilmember Saldaña asked of the enhancements related to Build SA. Mr. Hugh Miller stated that they were developing a new system that had more online services than the

current Hanson System. He noted that they would work to eliminate the traffic at Development Services by marking up digital plans and sending them back to Developers. Councilmember Saldaña asked of the Senior Reservation System. Ms. Villagomez replied that Seniors would be able to reserve their meals and note their participation in various events at Senior Centers. She noted that they would also be able to request transportation to take them to the Senior Centers.

Councilmember Treviño stated that the City has been doing many great things and asked of current processes. Mr. De La Cruz noted the Municipal Court Kiosk System and LED Street Lighting Program. Ms. Villagomez added that the goal of Smart Cities is to make it easier to deliver services to the community and utilize technology. Councilmember Treviño noted that this will allow neighborhoods to be more informed and was pleased to support the upgrades.

Councilmember Medina thanked staff for the presentation and commented on the 3-1-1 App. Mr. Miller noted that they already have a mobile app but are working to refine it. Councilmember Medina asked if they were working with SAWS and CPS Energy. Mr. Miller replied that they had not but would look into doing so. Councilmember Medina asked if staff was looking at an app related to recycling. Mr. Miller replied that they had not but could look into that as well.

Councilmember Gallagher stated asked of the 3-1-1 App. Mr. Jeff Coyle noted that the majority of the requests through the app have increased and staff was continuing to promote it. He added that updating the design of the app will be done so that if someone Tweets an issue or request; it is integrated with this system. Councilmember Gallagher stated that he was pleased with the cameras for illegal dumping.

Councilmember Nirenberg asked of Code for America. Mr. Miller replied that they had worked with the city and focused on an online application that helps homeowners when applying for a permit. He noted that they had also performed some work for Code Compliance. Councilmember Nirenberg spoke of the need to be strategic with regard to the installation of WiFi and to ensure there were enough resources to maintain the network.

Councilmember Krier asked of the budgeted amount for maintenance in the future. Mr. De La Cruz stated that there will be some costs but several initiatives will pay for themselves. Ms. Villagomez stated that they had a Six-Year Capital Budget and planned to replace \$5 Million worth of IT Infrastructure in 2018. Councilmember Krier asked of education and training for utilizing the Apps. Mr. De La Cruz replied that they would have a Public Service Campaign to educate people on how to use the equipment.

Councilmember Lopez spoke of the need for an aggressive plan with AT&T and Google

Fiber to fortify communication networks throughout the city. Mayor Taylor thanked staff for the presentation.

C. Lori Steward presented the FY 2017 Proposed Budget for Employee Compensation & Benefits. She outlined Strategic Goals to include Competitive Wages, Excellent Benefits, and Opportunities for Growth. She provided Compensation Highlights in which 2%-4% would be provided for Step Pay Plan Employees, while 0%-4% was allocated for Performance Pay for Professionals and above. She reported that a \$300 Lump Sum Payment would be provided to employees at Step 10. She stated that employees would receive a 1% Cost of Living Adjustment (COLA). She highlighted Entry Wage Market Comparisons and Options to reach a \$15 Entry Level Wage. She mentioned the new Trade and Technical Certificates Program and noted success stories of City Employees. She provided an overview of Civilian Benefits which include two new types of Family-Friendly Leave; Parental Leave and Wellness/Education Leave. She stated that they would continue the Wellness Program including Virgin Pulse and being an Employer of Choice.

Mayor Taylor stated that she was pleased with the new benefits that would be provided for City Employees. She noted that she believed the entry wages were competitive and that the City Organization existed to provide services to the community. She spoke of the need to connect employees to education, training, and support that allows them to increase their earning potential. She noted that San Antonio has a low cost of living and asked of the length of time it takes to get to Step 10, the highest in the Step Plan. Ms. Steward replied that it takes 10 years; one step per year. Mayor Taylor noted that it rewards tenure and asked if there were other performance-based incentives for Step Employees. Mrs. Sculley replied that there was not any at this time but would continue to work on same.

Councilmember Gallagher asked of the program attracting employees to move Downtown and if it was possible to have a dollar amount built into their pay. Mrs. Sculley stated that they could encourage Civilian Employees to live within the City Limits but was not sure if that could be incentivized. Councilmember Gallagher expressed support for the Tuition Reimbursement and Wellness Programs for City Employees.

Councilmember Warrick asked if there were any employees that received less when factoring in the increased Healthcare Expenses. Ms. Steward replied that it was minimal and if they switched to the Consumer Choice Plan; would be profitable.

Councilmember Gonzales noted the phased-in approach to an Entry Level Wage of \$15. Mrs. Sculley noted that they presented a 4-Year Phased-In Approach. Councilmember Gonzales asked if the City Council would have to vote on the increase annually. Mrs. Sculley responded that staff would include it in future Budget Recommendations and that the Budget was approved annually. Councilmember Gonzales stated that she would like to increase the Entry Level Wage to \$15 as soon as possible.

Councilmember Nirenberg asked what Human Resources was utilizing with regard to the Cost of Living Index. Ms. Steward replied that they compared among 80 employers throughout the City of San Antonio. Councilmember Nirenberg stated that he concurred with regard to having a path toward an Entry Level Wage of \$15 per hour. Councilmember Lopez stated that he would like to see a 2-year deployment to reaching a \$15 Entry Level Wage.

Councilmember Viagran stated that she was looking at identifying the areas of underemployment and asked of the average income of the City's Workforce. Ms. Steward replied that it was \$45,677 for Civilians. Councilmember Viagran asked of the benefits that Part-Time Employees were eligible for. Ms. Steward replied that they were able to take advantage of skills training. Councilmember Viagran stated that she would like to ensure that Part-Time Employees were not being held back from Full-Time Positions due to lack of certificates or education. She asked of the Federal Mandate of Overtime. Ms. Steward replied that they included the additional costs in the budget and that the changes would take effect December 1st. Councilmember Viagran stated that she would like to move forward with a three-year phase-in to increase the Entry Level Wage to \$15 per hour.

Councilmember Saldaña stated that he was in favor of the 4-year phase-in to reach a \$15 Entry Level Wage. Councilmember Treviño asked if all categories had to have the same amount of steps. Ms. Steward replied that they did but would be having discussions with the Employee Management Committee to create something with regard to recognition. Councilmember Warrick cautioned that throwing money into the problem would not solve the issues. Mayor Taylor added that they should focus on local market conditions and thanked staff for the presentation.

Mayor Taylor exited the meeting and Mayor Pro Tem Warrick presided.

D. Tim O'Krongley presented the FY 2017 Proposed Budget for the Aviation Department totaling \$318.3 Million. He highlighted major initiatives to Improve the Customer Experience, Increase Air Service/Marketing Both Airports, and Continue Best Practices. He outlined Enhancements to include adding staff for the following: 1) Airport Integrated Control Center; 2) Public Relations and Air Service Development; and 3) Capital Improvement Program (CIP) Management. He reported that the Short Term Daily Rate would increase from \$24 to \$25 and the Long Term Parking Daily Rate would increase from \$11 to \$12. He noted that expected revenue was \$974,000 and would become effective April 2017. He added that Short Term Public Parking at the Consolidated Car Rental Facility would be available in April 2017 and the total project was scheduled for completion in December 2017.

Mayor Pro Tem Warrick asked of the expected impact from Billboards and Social Media at the Airport. Mr. O'Krongley replied that they wanted to let the Local Community realize the assets they have here and had looked at Leakage Studies. He noted that there was 17% Leakage between various airports and would track to see how effective Billboards and Social Media were.

Councilmember Krier asked of the status of passengers from San Antonio that travel to Austin to

take a flight. Mr. O'Krongley replied that there was an 8% Leak to the Austin Airport. Councilmember Krier spoke of potential public/privatize partnership to operate the Airport. Mr. Carlos Contreras stated that they had explored the option but could not find an airport in the United States that was privately operated. He noted that they were continuing to work on being more competitive and hired a new Air Flight Route Consultant to bring a fresh perspective on the issue.

Councilmember Viagran stated that she was pleased with all of the efforts occurring at Stinson Airport. Councilmember Treviño asked of the capacity at the Airport. Mr. O'Krongley replied that on the Airfield Side; they were at 60% capacity. Councilmember Treviño stated that there was room to expand and grow the Airport and mentioned new technology such as NexGen. He asked of staff's work to highlight Local Aviation History. Mr. O'Krongley stated that they were working on creating an identity for the San Antonio Airport and would utilize the Military, Missions, and other characteristics. Councilmember Treviño asked when the new tower would be installed at Stinson. Mr. O'Krongley provided a photo of the tower design and stated that they expect it to be open in November or December of 2017. Councilmember Treviño requested that staff continue to work on making Stinson an Entry Point for General Aviation and to solicit opportunities for Air Shows.

Councilmember Gallagher requested talking points regarding the Major Initiatives at the Airport and stated that he was impressed with the improvements being made. He recommended that they look at a Major Airport on the Southside of the city where there is plenty of land. Councilmember Saldaña asked of the meeting with Southwest Airlines. Mr. O'Krongley stated that they were meeting with them to discuss new routes. Councilmember Saldaña asked of the first step toward a Regional Airport between San Antonio and Austin. Mr. O'Krongley replied that he would like to get willingness from Austin and gain a better understanding of outstanding issues.

Councilmember Medina asked of the amount of funds that have been spent on construction over the past five years. Mr. O'Krongley stated that he would provide that information to the City Council but they had made a great amount of investments in the Airport. Councilmember Nirenberg stated that he was pleased with the great progress being made at the Airport and asked of the status of runway construction. Mr. O'Krongley stated that they were working to meet the Federal Aviation Administration (FAA) Standards on all of their projects. He noted that they were currently updating pavement management to establish the condition of the runways. He added that they would look at improving and extending the life of all of their runways.

Mrs. Sculley announced that the Hemisfair Park Area Redevelopment Corporation (HPARC) Presentation would be rescheduled to the following week. Mayor Pro Tem Warrick thanked staff for the presentation.
