SOLICITATION NAME: **Culebra/Helotes Creek Greenway**

RESPONDENT NAME: Tropical Contracting, LLC

SOLICITATION API: **Small Business Enterprise (SBE), Minority / Women-Owned Business Enterprise (M/WBE) Subcontracting Program and African American Business Enterprise (AABE) Subcontracting Program**

API REQUIREMENTS: Respondents must demonstrate commitment to satisfy a **thirty percent (30%) SBE subcontracting goal and a twenty-two percent (22%) M/WBE subcontracting goal**. Moreover, **one percent (1%)** out of the twenty-two percent (22%) M/WBE subcontracting goal is to be subcontracted to **AABE firms**. Segmented AABE goals target the participation of AABEs within select industries (Construction, Professional Services & Other Services) as identified by the availability in the Central Vendor Registry. Participation by AABE subcontractors automatically counts toward the M/WBE subcontracting goal.

Pursuant to the SBEDA Ordinance, M/WBEs and AABEs must also be certified as SBEs with the South Central Texas Regional Certification Agency (SCTRCA) and be headquartered or have a Significant Business Presence in the San Antonio Metropolitan Statistical Area to satisfy the above-stated goals. Self-performance by SBE, M/WBE and/or AABE prime respondents does not count towards these subcontracting goals. Commitment to meet subcontracting requirements must be demonstrated by writing the **company name, SAePS vendor number of each subcontractor/supplier, dollar value or percentage of participation on the contract, and type of work to be performed****.

In the absence of a waiver granted by the Small Business Office, failure of a Respondent to commit to satisfying the SBE, M/WBE and AABE subcontracting goals shall render its response NON-RESPONSIVE. For further clarification, please contact Diane Nicho at (210) 207-8088.
