AN ORDINANCE **80 187**

CALLING A REFERENDUM ELECTION TO BE HELD ON THE 13TH DAY OF AUGUST, 1994, ON THE ORDINANCE APPROVING THE COMPLETION OF THE APPLEWHITE RESERVOIR AS A STORAGE FACILITY FOR NON-DRINKING WATER; PROVIDING THAT THE RESERVOIR WILL BE PART OF A LONG TERM PLAN INCLUDING CONSERVATION, WATER TRADES, RECHARGE DAMS, AND THE CONSTRUCTION OF A TREATMENT FACILITY FOR WATER IMPORTED FROM OUTSIDE BEXAR COUNTY.

* * * * *

WHEREAS, by action on May 19, 1994, the City Council passed and approved an ordinance which approved completion of the Applewhite Project as a holding facility for non-drinking water; and

WHEREAS, by a vote in May, 1991, the voters of San Antonio abandoned the Applewhite Project as it was then planned, an alternate source for drinking water; and

WHEREAS, after that vote, the City pledged that future use and development of the Applewhite site would be subject to voter approval; and

WHEREAS, a plan has now been developed and approved for utilizing the Applewhite for storage of non-potable water to be traded for non-drinking uses, and this plan must be submitted for voter approval in order to keep the previous promises; and

WHEREAS, Section 35 of the City Charter provides that the City Council, on its own initiative, may submit any ordinance to the electors to be approved or rejected; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. An election shall be held in the City of San Antonio on the 13th day of August, 1994, at which election a referred ordinance shall be submitted to the qualified voters residing in the City of San Antonio, said ordinance being as follows:

"AN ORDINANCE

APPROVING THE COMPLETION OF THE APPLEWHITE RESERVOIR AS A STORAGE FACILITY FOR NON-DRINKING WATER; PROVIDING THAT THE RESERVOIR WILL BE PART OF A LONG TERM PLAN INCLUDING CONSERVATION, REUSE, WATER TRADES, RECHARGE DAMS AND THE CONSTRUCTION OF A TREATMENT FACILITY FOR WATER IMPORTED FROM OUTSIDE BEXAR COUNTY.

WHEREAS, the City of San Antonio has been working with State and regional entities to devise a water resource development plan for the San Antonio and Bexar County area; and

WHEREAS, this effort has included appointment of a Citizens Committee with the charge to develop a plan to satisfy the area's long term needs and insure certainty of adequate supply and quality at competitive cost levels; and

WHEREAS, the Applewhite Reservoir site was acquired by the City as an alternative drinking water source, but work was stopped on the project and the area has remained unutilized since voters adopted an initiative ordinance in 1991 to abandon that project; and

WHEREAS, at the time, the City Council pledged that any future use of the Applewhite Project site would be submitted to the voters for approval; and

WHEREAS, the Citizen Committee which has studied San Antonio's water needs has recommended that the reservoir be completed as a holding facility for non-drinking water, which could be sold or traded for use for industrial purposes; and

WHEREAS, the proposal is a portion of a much larger recommendation which includes conservation, reuse, water trades, recharge dams, and a treatment facility for water imported from outside Bexar County; and

WHEREAS, the City Council recognizes that the permit for the Applewhite will expire at the end of this year, and action is necessary now if the plan is to be carried out, and if it is to be submitted for voter approval; **NOW THEREFORE:**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

The City of San Antonio hereby approves the completion of the Applewhite Reservoir as a storage facility for non-drinking water. This is in conformance with the

recommendation of the 2050 Water Committee that it should be completed and used for holding Medina River and reuse water for trade to users for non-drinking purposes.

Said development shall be a portion of an overall long term water resource plan for San Antonio and Bexar County, which will include such other elements as conservation, reuse, water trades, recharge dams and the construction of a treatment facility for water imported from outside Bexar County.

City staff and staff of the City Water Systems shall proceed to take all actions for implementation of this new policy, in accordance with applicable laws and established City practice and procedure.

This ordinance will govern over any previous ordinance or portion thereof to the extent of any conflict.

It is understood that this ordinance will be submitted to the voters for approval or rejection, and it shall not go into effect until and unless approved at a referendum election."

SECTION 2. Said election shall be held at the polling places in the regularly prescribed voting precincts of the City of San Antonio between the hours of 7:00 o'clock a.m. and 7:00 o'clock p.m., (Attachment II); Early voting shall take place at the location listed in Attachment I with times and dates as specified.

SECTION 3. All qualified electors residing in the City of San Antonio shall be eligible to vote at said election.
