**RE: REQUEST FOR INFORMATION (RFI) FOR LOAN SERVICES**

**ADDENDUM II:**

The following questions were received and are restated below, followed by the response:

**Question 1:** Can you please clarify the types of loans the City is considering in the Loan Servicing RFI? From the document, they appear to be residential mortgages; however, some of the questions appear to refer to other types of loans (e.g. Deferred Loans, Residual Receipt).

**Response:** These loans are CDBG and HOME Loans and consist of down payment assistance loans, owner-occupied and multifamily.

**Question 2:** Sometimes a complete Q&A list is sent out to all respondents. Will you also be compiling a complete list of all questions and answers that we can refer to? We've found this to be useful when determining the intent of each question.

**Response:** Yes, as questions are received, the City will be posting the question and responses on an addendum. All addendums will be posted on our city website at [www.sanantonio.gov](http://www.sanantonio.gov), under Business, then Bids and Purchasing and then Bidding and Contracting Opportunities.
