Solicitation Type and Name: Request for Proposals –Energy Efficiency & Renewable Energy Financing

Solicitation Number: 11-067

Description: The City of San Antonio, Office of Environmental Policy (“City”) seeks proposals from qualified Respondents interested in providing the services as described in this RFP.

For participating financial institutions, the program can help develop residential energy efficiency lending as a profitable line of business and can offer:

- substantial, well-qualified flow of loan demand
- lower transaction and origination costs that the borrower will incur due to stimulus funding subsidizing these fees
- positive public relations benefits from serving the City’s public goals, including energy efficiency and job creation. Potential community Reinvestment Act compliance benefits and ability to acquire new customers and cross-sell other financial services.

Applicable Product Categories: 94649

Date Issued: July 25, 2011

Due Date: August 8, 2011 at 2:00 p.m. CST
