THIS NOTICE SHALL SERVE AS ADDENDUM NO. V – TO THE ABOVE REFERENCED REQUEST FOR PROPOSALS (RFP)

A. QUESTIONS RECEIVED BY CITY STAFF IN ACCORDANCE WITH RFP SECTION VIII ARE ANSWERED AS FOLLOWS:

Question 1: It appears that TA-180 is considered part of the food court for CAM allocation purposes. Given that it is a full service restaurant, with its own seating and waitstaff, is this restaurant obligated to pay for CAM and logistics fees?

Response: Since CAM fees include trash pick up, space TA-180 will be subject to CAM fees. However, these fees will be negotiated with Selected Respondent depending on the proposed use of the space. Space TA-180 will also be subject to Logistics fees once they are implemented.
