PROCEDURES FOR OBTAINING AIRPORT PERSONNEL IDENTIFICATION BADGE AND AIRFIELD DRIVER'S LICENSE AT SAN ANTONIO INTERNATIONAL AIRPORT (SAT)

As per FAA/TSA guidelines, a person performing work in the Security Identification Display Area (SIDA), Secured Area, Sterile Area or Airport Operations Area must have a valid Personnel Identification Badge (known as a SAT badge) or be under an airport approved escort by a person having a SAT badge with the white "E" (escort endorsement) on the badge. Furthermore, each badge holder with the white "E" may escort up to two (2) unbadged individuals while keeping same under positive control at all times while in the SIDA, Secured Area, Sterile Area and/or the project site. **Note:** If the person is disqualified from receiving a SAT badge during the badge application process, or becomes disqualified after receiving a SAT badge, the individual can no longer be present anywhere within the SIDA, Secured Area, Sterile area and/or the project areas.

If driving is involved, the person must have a valid SAT badge and the appropriate airfield driver's license to operate a vehicle in the SIDA and/or the project site. If a vehicle escort is required, each SAT badge holder with the white "E" on his badge (and the appropriate airfield driver's license) may escort up to two (2) vehicles if there is only one unbadged person in each vehicle being escorted.

All vehicles operating in the SIDA or the project area must have the appropriate airport approved company signage on the vehicle. The signage must meet the following requirements: Company name must be in at least six inch (6") tall lettering and/or the company logo must be at least twelve inches (12") tall. The signage must be placed on both vertical sides of any self propelled, motorized vehicle at all times while within the SIDA or the project site. If signage is not available, an Airport issued "Top Hat" may be used for vehicles under an airport approved vehicle escort or while parked in the SIDA.

The procedures to obtain an Airport Personnel Identification Badge and/or an airport driver's license are as follows:

A) Airport Personnel Identification Badge (SAT ID Badge):

- 1) The Airport Security Personnel Identification Office (AS PIO) is located at 9623 West Terminal Drive, Bldg. #1322.
- 2) Once an Aviation Department division has notified the AS PIO of an approved City contract which will require the badging of personnel, the Contactor's designated representative for badging must call (210) 207-3526 to schedule an appointment with the AS PIO to make arrangements to become an Authorizing Signatory for all SAT badges to be issued to the Contractor's employees working on the contract. Once the Authorizing Signatory has completed the required procedures (i.e., fingerprint-based Criminal History Records Check (CHRC), Security Threat Assessment (STA) background check, SIDA training, Authorizing Signatory training, etc.) to receive his SAT badge, he will then be authorized to approve applications for other Contractor employees under his

responsibility. **Note:** If an employee of Contractor has been convicted of any of the offenses listed in Exhibit 1 hereto, that employee will be immediately disqualified from obtaining a SAT badge and will be ineligible to perform work at SAT

DBE/ACDBE PROGRAM OVERVIEW AND REQUIREMENTS

THE ACDBE GOAL FOR SHOE SHINE CONCESSION is 9.1%

DISADVANTAGED BUSINESS ENTERPRISE CLAUSE

- A. It is the policy of the City of San Antonio that disadvantaged business enterprises (DBEs), as defined under 49 CFR Part 23, shall have “equality of opportunity” to participate in the awarding of federally-assisted Aviation Department contracts and related subcontracts, to include sub-tier subcontracts. This policy supports the position of the U.S. Department of Transportation (DOT) in creating a level playing field and removing barriers by ensuring nondiscrimination in the award and administration of contracts financed in whole or in part with federal funds under this contract. Therefore, on all DOT-assisted projects the ACDBE program requirements of 49 CFR Part 23 applies to the contract.
- B. The Respondent agrees to employ good-faith efforts (as defined in the Aviation Department’s DBE Program) to carry out this policy through award of subcontracts to disadvantaged business enterprises to the fullest extent consistent with the sufficient performance of the Aviation Department Contract, and/or the utilization of DBE/ACDBE suppliers where feasible. Aviation Department respondents are expected to solicit bids from available DBE/ACDBEs on contracts which offer subcontracting opportunities.
- C. Respondent specifically agrees to comply with all applicable provisions of the Aviation Department’s DBE Program. The DBE Program may be obtained through the airport’s DBE/ACDBE Liaison Officer at (210) 207-3505 or by contacting the City’s Aviation Department.
- D. ***Notification is hereby given that an ACDBE contract specific goal has been established on this contract.*** The applicable ACDBE goal is 9.1% of the total gross revenues of this contract for Specialty Retail Concessions.
- E. The Respondent shall appoint a high-level official to administer and coordinate the Respondent’s efforts to carry out the DBE/ACDBE Policy and Program requisites. The Respondent’s official should coordinate and ensure approval of the required “*Good-Faith Effort Plan*” (Attachment E - **DBE/ACDBE Form 1**).
- F. The Respondent shall maintain records, as specified in the audit and records section of the contract, showing: (i) all subcontract/supplier awards, specifically awards to DBE/ACDBE firms; (ii) specific efforts to identify and award such contracts to DBE/ACDBEs; and (iii) submit when requested, copies of executed contracts to establish actual DBE/ACDBE participation.
- G. The Respondent shall agree to submit periodic reports of subcontract and/or supplier awards to DBE/ACDBE firms in such form and manner and at such times as the Aviation

Department shall prescribe and shall provide access to books, records, and accounts to authorized officials of the City, Aviation Department, state, and/or federal agencies for the purpose of verifying DBE/ACDBE participation and good-faith efforts to carry out the DBE/ACDBE Policy and Program. All Aviation Department Respondents may be subject to a post-contract DBE/ACDBE audit. Audit determination(s) may be considered and have a bearing in the evaluation of a Respondent's good-faith efforts on future airport contracts.

- H. All concession Respondents with contracts subject to formal review and approval shall make good-faith efforts (as defined and approved by the City through the Aviation Department in its DBE/ACDBE Program) to subcontract and achieve the applicable contract specific DBE/ACDBE goal with certified DBE/ACDBEs. Respondents failing to achieve the applicable contract specific DBE/ACDBE goal or Respondents failing to maintain the specific DBE/ACDBE goal percentage involvement initially achieved, will be required to provide documentation demonstrating that they have made good-faith efforts in attempting to do so through the submittal of an Aviation Department approved *"DBE/ACDBE Good-Faith Effort Plan"*. *Respondents are required to satisfy applicable DBE/ACDBE program requirements prior to the award of the Aviation Department contract.* Respondents must submit a *DBE Good-Faith Effort Plan* or they will be considered non-responsive.
- I. The City and Aviation Department encourage the Respondent/Contractor to utilize currently approved and certified DBE/ACDBE firms on the contract for DBE/ACDBE goal achievement and credit purposes. The Aviation Department utilizes the services of the South Central Texas Regional Certification Agency (SCTRCA) to certify DBE/ACDBE eligibility status. Please contact the SCTRCA at 3201 Cherry Ridge St., Building C-319, San Antonio, Texas 78230 (210-227-4722) for information regarding DBE/ACDBE trade areas or to apply for DBE/ACDBE status. The Aviation Department accepts DBE/ACDBE certification from any one of the six (6) certifying agencies under the Texas Unified Certification Program (TUCP) – Texas Department of Transportation (TxDOT), North Central Texas Regional Certification Agency (NCTRCA), South Central Texas Regional Certification Agency (SCTRCA), City of Houston, City of Austin and the Corpus Christi Regional Transportation Authority.
- J. The following DBE/ACDBE-related contractual clause shall be applicable and is specifically included as part of the concession contract. Respondents/Contractors shall also include this clause in each subcontract the prime contractor signs with a subcontractor.

"The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 23 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate".

Additionally, Contractors agree to the following prompt payment and retainage payment clause:

“The Prime Contractor agrees to pay each subcontractor under this Prime Contract for satisfactory performance of its Contract no later than thirty (30) days from the receipt of each payment the Prime Contractor receives from the City of San Antonio. The Prime Contractor further agrees to return retainage payments to each subcontractor within thirty (30) days after the subcontractor’s work is satisfactorily completed. Any delay or postponement of payment from the above referenced timeframe may occur only for good cause following written approval from the City of San Antonio. This Clause applies to both DBE/ACDBE and non-DBE/ACDBE subcontractors”.

- K. All changes to the list of subcontractors submitted with the proposal and approved by the City or Aviation Department, including major vendors, shall be submitted for review and approval by the Aviation Department’s DBE/ACDBE Liaison Office. When adding, changing, or deleting subcontractors on airport projects Aviation Department approval is required. *Contractors shall make a good-faith effort to replace DBE/ACDBE subcontractors unable to perform on the contract with another DBE/ACDBE.*
- L. Failure or refusal by a Respondent or Contractor to comply with the DBE/ACDBE provisions herein or any applicable provisions of the DBE/ACDBE Program, either during the solicitation process or at any time during the term of the Contract, may constitute a material breach of Contract, whereupon the Contract, at the option of the Aviation Department, may be cancelled, terminated, or suspended in whole or in part, and the Contractor may be debarred from further contracts with the City of San Antonio.

COUNTING JOINT VENTURES

Joint Ventures do not have to be fifty-one percent (51%) DBE owned in order to be counted toward the participation goal. *Joint ventures that do not include any DBE firms will not count toward the goal.* A joint venture with ownership of DBE partners in any percentage will be counted for that percentage equal to the distinct, clearly defined portion of the work of the contract that the DBE performs with its own forces, (provided the DBE ownership is real and substantial and the DBEs are performing a commercially useful function).

The required documentation to be submitted to the City, along with the proposal, for Joint Ventures with DBE partners shall include:

- a. The Joint Venture Agreement for the specific contract including a detailed statement of ownership.
- b. Corporate resolutions or other documents authorizing the firms to enter into the Joint Venture.
- c. A description of the work to be performed by all the Joint Venture Partners.
- d. Proof of current certification status of the individual DBE venture partners.

RECONSIDERATION MECHANISM

The Aviation Department’s DBE/ACDBE Liaison will evaluate the “good faith efforts” of a firm. If after reviewing the good faith efforts submitted by Proposer, the DBE/ACDBE Liaison determines that the Respondent has failed to adequately document its good faith efforts, then the Respondent shall have the opportunity to provide written documentation or argument, to the Aviation Director, concerning the issue of whether it met the goal or made adequate good faith

efforts to do so. The Respondent will have the opportunity to meet in person with the Aviation Director to discuss the issue of whether it met the goal or made adequate good faith efforts to do so. The Aviation Director will provide a written decision on reconsideration explaining the basis of his decision. In cases of dispute, the final decision in determining whether Good Faith Efforts have been made rests with the Aviation Director.

The Aviation Director may determine that the efforts of the Respondent substantially comply with the purpose of this program and such determination is in the best interest of the DBE/ACDBE Program and the City. However, if the Aviation Director determines that the Respondent did not make good faith efforts to meet the goal, the decision is not administratively appealable to the Department of Transportation.

COMPLIANCE

If a Respondent is awarded a contract:

1. The bidder/respondent must not terminate for convenience a DBE/ACDBE subcontractor (or an approved substitute DBE/ACDBE firm) and then perform the work of the terminated subcontract with its own forces or those of an affiliate, without the City's prior written consent. When a DBE/ACDBE subcontractor is terminated, or fails to complete its work on the contract for any reason, the bidder/respondent must notify the City immediately of the DBE/ACDBE's inability or unwillingness to perform and provide reasonable documentation.
2. The Respondent will be required to make good faith efforts to find another DBE/ACDBE to perform at least the same amount of work under the contract as the DBE/ACDBE that was terminated, to the extent needed to meet the contract goal the City has established for this contract. The Respondent will be required to obtain the DBE/ACDBE Liaison's approval prior to adding, changing, or deleting subcontractors on airport projects and to provide copies of new or amended subcontracts, or documentation of good faith efforts. If the Respondent fails or refuses to comply in the time specified, our office may issue a termination for default.

CONTRACT REQUIREMENTS

The goals on this contract shall also apply to amendments that require work beyond the scope of services originally required to accomplish the project. The Respondent is asked to make "good faith efforts" to obtain DBE/ACDBE participation for additional scope(s) of services. Amendments that do not alter the type of service originally required to accomplish the project may be undertaken using the subcontractor and suppliers already under contract to the prime contractor. Any amendment affecting the scope of service or value of the contract should be documented on a form acceptable to the City.
