On behalf of the Alamo Plaza Advisory Committee, the City of San Antonio, and the State of Texas, we thank you for your interest in becoming part of the redevelopment effort for the future the Alamo Plaza Historic District and the State-owned Alamo Complex. The Texas General Land Office (GLO) and the City of San Antonio have teamed up to direct a collaborative vision for this historic site.

The City, in partnership with the GLO, is re-issuing this Request for Qualifications (RFQ) for eligible firms to develop a comprehensive master plan for the Alamo and surrounding district. As part of the Mission San Antonio de Valero historic settlement, the Alamo and Alamo Plaza have played a central role in San Antonio's history, and continue to be cherished assets for the City of San Antonio and State of Texas.

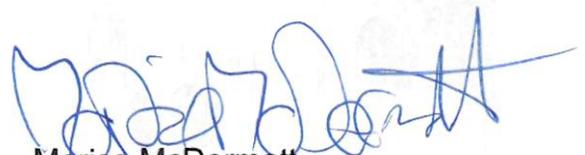

This is the opportunity to make this unique site worthy of its sacred history, while being respectful of San Antonio's rich cultural diversity. The plan will guide redevelopment efforts and will serve as an international model for the revitalization of historic urban sites around the world.

Thank you for your interest in becoming part of this exciting collaboration for the future of the Shrine of Texas Liberty and the surrounding historic district. We look forward to reviewing your submittal.

Respectfully,

Roberto Carlos Treviño
