purposes thereof may be transferred to the Note Construction Fund (created pursuant to Section 2.12 hereof) upon request of an Authorized Representative.

(b) Pursuant to Section 3.2(i) hereof, all proceeds of Notes, and pursuant to applicable provision of the Revolving Credit Agreement, all proceeds of Loans (except proceeds of Loans retained by the Bank to repay all or any part of an outstanding Loan as described in Section 2.02(b) of the Revolving Credit Agreement) shall be deposited into the Note Payment Fund and used to pay the principal of, premium, if any and interest on the Notes (provided, however, that the proceeds of Loans pursuant to either Agreement may only be used to pay principal of Notes of the Series to which such Agreement relates) and to pay the principal of any Loan coming due during the Revolving Credit Period.

(c) Additionally, all Net Revenues which are to be transferred from the System Fund (as defined in Section 4.3 hereof) to pay principal and/or interest on Notes pursuant to Section 4.4(b) hereof shall be deposited in the Note Payment Fund.

(d) Pending the expenditure of money in the Note Payment Fund for authorized purposes, money deposited in said Fund may be invested at the direction of an Authorized Representative in Eligible Investments. Any income received from such investments shall be deposited, as received, into the System Fund and shall not, for purposes of this Ordinance, be considered an amount held in the Note Payment Fund.

(e) The City hereby authorizes, within the Note Payment Fund and at the direction of an Authorized Representative, the creation and establishment of one or more accounts to provide for one account to relate each Series with respect to which the City has entered into a particular Credit Agreement. All proceeds of borrowings under such Credit Agreement shall be deposited into the applicable account of the Note Payment Fund and used to pay the principal of, premium, if any, and interest on the Series of Project Notes to which such Credit Agreement relates (and will be unavailable for the payment of the principal of, premium (if any), and interest on any series of Project Notes to which it does not relate)..

(f) In the event that any Notes are issued as Taxable Notes, the City shall establish within the Note Payment Fund one or more accounts, each designated a "Taxable Note Payment Account" and to be further designated by Series, which Account shall be used to accomplish all matters pertaining to the Notes as identified in this Section 2.09.

SECTION 2.10 PAYMENTS; PLEDGE.

(a) The Notes and the Loan Notes are special obligations of the City payable from and secured solely by the funds pledged therefor pursuant to this Section 2.10. The Board on behalf of the City shall make payments into the appropriate account of the Note Payment Fund from proceeds of Notes or Loans (or from Net Revenues on deposit in the System Fund which are transferred to the Note Payment Fund pursuant to Section 4.4 of this Ordinance in order to pay principal and/or interest on the Notes) at such times and in such amounts as are necessary to provide for the full payment of the principal of, premium, if any, and the interest on the Notes when due.

(b) To provide security for the payment of the principal of and interest on the Notes, the Loan Notes, and any other amounts due under any Credit Agreement relating to Notes, as the same shall become due and payable, there is hereby granted a lien on and pledge of, subject only if the provisions of this Ordinance permitting the application thereof for purposes and on the terms and conditions set forth herein:

(i) the proceeds from (a) the sale of Bonds issued for such purpose and (b) the sale of Notes issued pursuant to this Ordinance for such purpose;

(ii) the proceeds from Loans; provided, however, that such Loan proceeds pursuant to the applicable Credit Agreement may only be used to pay the principal of the Notes; provided further, however, that proceeds attributable to and derived from borrowings under and pursuant to a Credit Agreement are pledged to, and shall be used to pay, the principal of, premium, if any, and interest on the Notes of the particular Series to which such Credit Agreement relates;

(iii) the amounts held in the Note Payment Fund until the amounts deposited therein are used for authorized purposes; provided, however, that amounts in the Note Payment Fund attributable to and derived from Loans shall be used only to pay, prior to any application to the payment of the Loan Note, the principal of (but no redemption premium) the Notes in full; and

(iv) the amounts remaining on deposit in the Note Construction Fund after the payment of all Project Costs;

and it is hereby resolved and declared that the principal of and interest on the Notes, the Loan Notes, and any other amounts due under any Credit Agreement shall be and are hereby equally and ratably secured by and payable from a lien on and pledge of the sources hereinabove identified in clauses (i), (ii), (iii), and (iv) subject and subordinate only to the exceptions noted therein.

(c) To provide additional security for the payment of the principal of and interest on the Notes, the Loan Notes, and other amounts due under any Credit Agreement as the same shall become due and payable, there is hereby granted a lien on and pledge of the Net Revenues, such lien on and pledge of Net Revenues to secure the Notes and other amounts due under any Credit Agreement, however, being (i) subordinate to the lien and pledge of the Pledged Revenues (which includes a first lien on and pledge of Net Revenues) securing the payment of any Senior Lien Obligations, (ii) subordinate to the lien and pledge of Net Revenues securing the payment of any Junior Lien Obligations, (iii) on parity with the lien on and pledge of Net Revenues securing the payment of other Subordinate Lien Obligations, and (iv) senior and superior to the lien on and pledge of Net Revenues securing the payment of Inferior Lien Obligations. The Notes, the Loan Notes, and amounts due under the Agreement, secured by and payable from the lien on Net Revenues as described in the preceding sentence, shall constitute Subordinate Lien Obligations.

(d) Unless Loan Notes or other borrowings made under any Credit Agreement are paid from the proceeds of Commercial Paper Notes or Bonds issued for such purposes, or

amounts available in the Note Payment Fund or the Note Construction Fund, all as described above, such payments are to be made from Net Revenues on deposit in the Bank Note Fund established in Section 4.4 hereof.

(e) Money in all Funds, to the extent not invested as permitted hereunder, shall be secured in the manner prescribed by law for securing funds of the City. Chapter 1208, as amended, Texas Government Code, applies to the City's incurring Debt under this Ordinance and the pledge of the Net Revenues granted by the City under this Section as security therefor, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Debt remains Outstanding under this Ordinance such that the pledge of the Net Revenues granted by the City under this Section is to be subject to the filing requirements of Chapter 9, as amended, Business and Commerce Code, then in order to preserve to the registered owners and holders of such Debt the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, as amended, Texas Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 2.11 APPLICATION OF PRIOR COVENANTS. The covenants and agreements (to the extent the same are not inconsistent herewith) contained in the Senior Lien Obligations Ordinances and the Junior Lien Obligations Ordinances are hereby incorporated herein and shall be deemed to be for the benefit and protection of the Notes, the Loan Notes and the respective Holders thereof in like manner as applicable to the Senior Lien Obligations and the Junior Lien Obligations; provided, however, that in the event of any conflict between the terms, covenants and agreements contained herein and the terms, covenants and agreements contained in the Senior Lien Obligations Ordinances and the Junior Lien Obligations Ordinances, the provisions of the Senior Lien Obligations Ordinances and the Junior Lien Obligations Ordinances shall control over the provisions hereof.

SECTION 2.12 NOTE CONSTRUCTION FUND.

(a) There is hereby created and established a separate fund hereby designated as the "City of San Antonio, Texas Water System Note Construction Fund" (the "Note Construction Fund"). The Note Construction Fund shall be held by the Board at a Depository. Money deposited in the Note Construction Fund shall remain therein until from time to time expended to pay for Project Costs, and shall not be used for any other purposes whatsoever, except as otherwise provided below, and pending such expenditure, money in the Note Construction Fund may be invested at the direction of an Authorized Representative in Eligible Investments. Any income received from such investments (except as otherwise required to be rebated to the United States of America in accordance with the provisions of Section 4.8 hereof) shall be deposited into the Note Construction Fund.

(b) Any amounts on deposit in the Note Construction Fund designated by an Authorized Representative as eligible to pay interest during construction and thereafter may be transferred from time to time at the direction of an Authorized Representative to the credit of the Note Payment Fund for use in accordance with the terms of Section 2.9 hereof. Any amounts remaining in the Note Construction Fund after the payment of all Project Costs shall be paid into the Note Payment Fund and used for the payment of such maturities of the Notes coming due at

such times as may be selected by an Authorized Representative or for the payment of the Loan Notes, as the case may be; provided, however, that, in the event there is then in effect multiple Credit Agreements and has been issued multiple Series of Notes, such amounts will be used to pay all Loan Notes arising under the Credit Agreement or Credit Agreements, respectively, relating to the Series of Notes from which such remaining proceeds were originally derived. In the event no Notes are outstanding and there are no outstanding Loans, any amounts in the Note Construction Fund not anticipated to be needed to pay Project Costs shall be transferred, upon discretion of an Authorized Representative, to the Debt Service Fund established by the Senior Lien Obligations Ordinances and/or the debt service fund to be established for the payment of any Debt.

(c) The City hereby authorizes, within the Note Construction Fund and at the direction of an Authorized Representative, the creation and establishment of one or more accounts to provide for one subaccount to relate each Series with respect to which the City has entered into a particular Credit Agreement and into which proceeds of Notes from such Series are to be deposited. In addition, and in the event that any Notes are issued as Taxable Notes, the City, at the direction of an Authorized Representative, shall create and establish within the Note Construction Fund one or more accounts, each designated "Taxable Note Construction Account" and as further designated by Series, which account or accounts shall be used to deposit and hold proceeds of a particular Series of Notes issued as Taxable Notes.

SECTION 2.13 CANCELLATION. All Notes which at maturity are surrendered to the Paying Agent/Registrar for the collection of the principal and interest thereon or are surrendered for transfer or exchange pursuant to the provisions hereof shall, upon payment or issuance of new Notes, be canceled by the Paying Agent/Registrar, and the Paying Agent/Registrar forthwith shall transmit to the Board as agent of the City a certificate identifying such Notes and that such Notes have been duly canceled and destroyed.

SECTION 2.14 FISCAL AND OTHER AGENTS. In furtherance of the purposes of this Ordinance, the City may from time to time appoint and provide for the payment of such additional fiscal, paying or other agents or trustees as it may deem necessary or appropriate in connection with the Notes.

SECTION 2.15 INITIAL CREDIT AGREEMENTS. Each Agreement initially entered into to provide liquidity support for the Notes, substantially in the form attached hereto as Exhibit A, is hereby approved, and shall be entered into with the applicable Bank. The form of the Loan Notes contained in each Revolving Credit Agreement is also approved, including the interest rate thereon to be determined as set forth in the related Agreement. Each Authorized Representative is hereby authorized to execute and deliver each Agreement and any other documents called for thereunder. In addition, the Mayor and City Clerk are hereby authorized to execute and deliver each Loan Note. The City Clerk is authorized to place the City seal on any and all of the foregoing instruments.

The City hereby finds that each Agreement is a Credit Agreement hereunder relating, respectively, to the Series of Notes identified therein. The payment of the respective fees identified in each Fee Letter and the other costs, expenses, and taxes described in each Agreement, as well as the timing of such payments, is hereby authorized from funds lawfully

available to the Board for the payment thereof. When required, any “request for extension” (or other document having similar effect, in accordance with the terms of the applicable Agreement) shall be delivered to each Rating Agency simultaneously with the delivery to the Bank, and the City will promptly provide to each Rating Agency a copy of any “notice of extension” (or other document having similar effect, in accordance with the terms of the applicable Agreement) it receives or notice that no extension was given.

The Board is hereby authorized to enter into any agreement supplemental to an Agreement with the applicable Bank, as an Authorized Representative may deem appropriate. An Authorized Representative may agree with the Bank and the Board, to add additional banking institutions as a Bank under such Agreement; provided, however, that such action shall not cause the then existing rating by each Rating Agency of the Notes of the applicable Series, if any, to be reduced, as evidenced by a letter from the respective Rating Agency confirming the rating of such Notes of the applicable Series prior to such action.

SECTION 2.16 RESERVATION OF RIGHT TO ENTER INTO CERTAIN CREDIT AGREEMENTS. The City reserves the right to enter into Credit Agreements, whether in substitution for any Agreement or in addition thereto, in conjunction with the issuance, payment, sale, resale or exchange of Notes (and which may be on a parity with the Notes) when determined to be advantageous to or desirable by the City, at the request of the Board.

ARTICLE III

ISSUANCE AND SALE OF NOTES

SECTION 3.1 ISSUANCE AND SALE OF NOTES.

(a) The Commercial Paper Notes shall be completed and delivered by the Issuing and Paying Agent in accordance with telephonic, computer or written instructions of an Authorized Representative and in the manner specified below and in the Issuing and Paying Agent Agreement. To the extent such instructions are not written, they shall be confirmed in writing by an Authorized Representative within 24 hours. Said instructions shall specify such principal amounts, Note Dates, dates of issue, maturities, rates of discount or interest, and other terms and conditions which are hereby authorized and permitted to be fixed by an Authorized Representative at the time of sale of the Commercial Paper Notes. Such instructions shall include the purchase price of the Commercial Paper Notes, and a request that the Issuing and Paying Agent authenticate such Commercial Paper Notes by counter signature of its authorized officer or employee and deliver them to the named purchaser or purchasers thereof upon receipt of payment in accordance with the custom then prevailing in the New York financial market in regard to such Commercial Paper Notes. Such instructions shall also contain provisions representing that all action on the part of the City necessary for the valid issuance of the Commercial Paper Notes then to be issued has been taken, that all provisions of Texas and federal law necessary for the valid issuance of such Commercial Paper Notes with provision for interest exclusion from federal income taxation have been complied with, and that such Commercial Paper Notes in the hands of the Holders thereof will be valid and enforceable obligations of the City according to their terms, subject to the exercise of judicial discretion in

accordance with general principles of equity and bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors, rights heretofore or hereafter enacted to the extent constitutionally applicable and that, for Tax-Exempt Notes, based upon the advice of Bond Counsel, the stated interest on the Commercial Paper Notes is excludable from federal income taxation. Such instructions shall also certify that:

(i) no Event of Default under Section 5.1 hereof has occurred and is continuing as of the date of such Certificate and that the Issuing and Paying Agent has not received a “no-issuance” or similar under a Credit Agreement then in effect and so applicable relating to a Series of Notes then to be issued;

(ii) other than Section 4.8 with respect to Taxable Notes, the City is in compliance with the covenants set forth in Article IV hereof and in the respective Dealer Agreement as of the date of such instructions;

(iii) the Board as agent of the City has been advised by Bond Counsel that the projects to be financed with the proceeds of the Commercial Paper Notes will constitute Eligible Projects, and, further, that the proposed expenditure of the proceeds of such Commercial Paper Notes which are Tax-Exempt Notes for such projects will not cause the City to be in violation of its covenants set forth in Section 4.8 hereof; and

(iv) the sum of the interest payable on such Commercial Paper Notes will not exceed a yield (calculated on the principal amount of the Commercial Paper Notes on the basis of a 365-day or 366-day year, as may be applicable, and actual number of days elapsed) to the maturity date of such Commercial Paper Notes in excess of the Maximum Interest Rate in effect on the date of issuance of such Commercial Paper Notes.

(b) The Loan Notes, as applicable, shall be or have been delivered to the applicable Bank, as applicable, and indebtedness may be incurred thereunder in accordance with the terms of the applicable Revolving Credit Agreement.

SECTION 3.2 PROCEEDS OF SALE OF NOTES. The proceeds of the sale of any Notes (net of all expenses and costs of sale and issuance) shall be applied for any or all of the following purposes as directed by an Authorized Representative:

(i) Proceeds to be used for the payment and redemption of outstanding Notes at or before maturity and the repayment of any Loans (evidenced by the applicable Loan Note) or other amounts due under the applicable Credit Agreement shall be deposited in the Note Payment Fund, and expended therefor; provided, however, that no Tax-Exempt Note proceeds shall be used for the payment and redemption of outstanding Taxable Notes unless the deposit of Tax-Exempt Note proceeds to be used for such purpose shall be accompanied by an opinion of Bond Counsel stating that such use of Tax-Exempt Note proceeds shall not affect the excludability of the interest on such Tax-Exempt Notes from the gross income of the holders thereof, pursuant to section 103 of the Code, for federal income tax purposes; and

(ii) Proceeds not deposited in the Note Payment Fund as provided in subparagraph (i) above shall be deposited to the Note Construction Fund (and, if

necessary or required, further deposited to an account of such Fund) and used and applied in accordance with the provisions of Section 2.12 hereof.

SECTION 3.3 ISSUING AND PAYING AGENCY AGREEMENT. The Issuing and Paying Agency Agreement, attached hereto as Exhibit B, is hereby approved as to form and content, and the Mayor and City Clerk of the City and each Authorized Representative is hereby authorized and directed to execute the same for and on behalf of the City and, in connection with the execution thereof, approve such changes, additions, or amendments thereto as may be necessary and proper to carry out the purpose and intent of such Issuing and Paying Agency Agreement. The Board, on behalf of the City, is hereby authorized to enter into any supplemental agreements with the Issuing and Paying Agent or with any successor Issuing and Paying Agent in order to implement the functions of Paying Agent/Registrar or Registrar with respect to the Notes and to have any Authorized Representative execute and deliver this document, and any other documents called for thereunder, for and on behalf of the City and the Board.

SECTION 3.4 DEALER AGREEMENTS. The Dealer Agreements and the amendments thereto in the form attached hereto as Exhibit C with each of the Dealers pertaining to the sale, from time to time, of the Commercial Paper Notes or the purchase of Commercial Paper Notes from the City, all for a fee as set forth in said Dealer Agreement, are hereby ratified and approved as to form and content, and the Mayor and the City Clerk are hereby authorized and directed to execute the same for and on behalf of the City. The Board, on behalf of the City, is expressly authorized, subject to any conditions or prerequisites specified in a then-effective Credit Agreement that relates to the subject Series of Notes then at issue, to negotiate, secure, and finalize a replacement, substitute, amended, or revised Dealer Agreement and to have the any Authorized Representative execute and deliver this document, and any other documents called for thereunder, for and on behalf of the City and the Board.

ARTICLE IV

COVENANTS OF THE CITY

SECTION 4.1 LIMITATION ON ISSUANCE. Unless this Ordinance is amended and modified by the City Council and in accordance with the provisions of Section 7.1 hereof, the City covenants that there will not be issued and outstanding at any time under this Ordinance more than \$500,000,000 in principal amount of Notes. For purposes of this Section 4.1 any portion of outstanding Notes to be paid on a particular day from money on deposit in the Note Payment Fund, the Bank Note Fund, and available proceeds of Notes or Bonds shall not be considered outstanding on such day. Additionally, the City covenants and agrees that the total principal amount of all Notes outstanding at any one time shall not exceed the sum total of the Available Commitment.

SECTION 4.2 RATES AND CHARGES. The City hereby agrees and reaffirms its covenants to the holders of the Senior Lien Obligations and the Junior Lien Obligations and covenants to the Holders of the Notes and the Loan Notes that it will at all times maintain rates and charges for the services furnished, provided, and supplied by the System which shall comply

with the provisions of the Senior Lien Obligations Ordinances, and produce income and revenues sufficient:

- (a) to pay Maintenance and Operating Expenses;
- (b) to produce Pledged Revenues sufficient to pay (i) 1.25 times the “Annual Debt Service Requirements” (as defined in the Senior Lien Obligations Ordinances) for such Fiscal Year on the Senior Lien Obligations and (ii) the amounts required to be deposited in any reserve or contingency fund created for the payment and security of the Senior Lien Obligations and any other obligations or evidences of indebtedness issued or incurred that are payable from and equally and ratably secured solely by a first lien on and pledge of the Pledged Revenues;
- (c) to produce Net Revenues, together with any other lawfully available funds (including the proceeds of Debt which the City expects will be utilized to pay all or part of the principal and/or interest on any obligations described in this subsection (c)), sufficient to pay (i) the principal of and interest on any Junior Lien Obligations and the amounts required to be deposited in any reserve or contingency fund created for the payment and security of the Junior Lien Obligations and any other obligations or evidences of indebtedness issued or incurred that are payable from and equally and ratably secured, in whole or in part, by a junior lien on and pledge of the Net Revenues; (ii) the principal of and interest on any Subordinate Lien Obligations and any Additional Subordinate Lien Obligations and the amounts required to be deposited in any reserve or contingency fund created for the payment and security of the Subordinate Lien Obligations, any Additional Subordinate Lien Obligations, and any other obligations or evidences of indebtedness issued or incurred that are payable from and equally and ratably secured, in whole or in part, by a subordinate lien on and pledge of the Net Revenues; and (iii) the principal of and interest on any Inferior Lien Obligations as the same become due and payable and to deposit the amounts required to be deposited in any special fund created and established for the payment and security of any Inferior Lien Obligations;
- (d) to produce Net Revenues, together with any other lawfully available funds, to fund the transfers to the City’s General Fund all as permitted by the provisions of the Senior Lien Obligations Ordinances; and
- (e) to pay any other Debt payable from the Net Revenues and/or secured by a lien on the System.

SECTION 4.3 SYSTEM FUND. Pursuant to Section 2.11 hereof, the City hereby reaffirms its covenant to the holders of the currently outstanding Senior Lien Obligations and the Junior Lien Obligations, and hereby covenants with respect to the Holders of the Notes, that all Gross Revenues shall be deposited as received by the Board in the “City of San Antonio, Texas System Revenue Fund” (as established by the Senior Lien Obligations Ordinances and hereinafter referred to as the “System Fund”), which shall be maintained at a Depository and kept separate and apart from all other funds of the City and the Board.

SECTION 4.4 PRIORITY OF DEPOSITS AND PAYMENTS FROM SYSTEM FUND.

(a) The Board, on behalf of the City, shall make the deposits and payments from the Pledged Revenues and/or Net Revenues in the System Fund when and as required by the Senior Lien Obligations Ordinances, and such deposits shall be made in the order and with the priorities set forth in the Senior Lien Obligations Ordinances. All Net Revenues to be applied by the Board for the payment of (i) principal and/or interest on any Notes or (ii) principal and/or interest on any Loan Notes and amounts from time to time due and owing under a related Credit Agreement (which, for purposes of subparagraph SIXTH of Section 14 of the Senior Lien Obligations Ordinances, are considered Subordinate Lien Obligations), shall be deposited into the Note Payment Fund for the payment of principal of and/or interest on Notes when due and to the Bank Note Fund (being the Fund created and established under Subsection (b) below), if and when necessary, to pay when due those City obligations specified in Subsection (b) below.

(b) There is hereby created and there shall be established and maintained on the books of the Board at a Depository a separate fund to be known as the "Bank Note Fund" for the sole benefit of the Loan Notes and the Bank under the related Credit Agreement. All Net Revenues, to be applied by the Board in the manner specified in Subsection (a) above, for the payment, when due, of principal of and/or interest on the Loan Notes and amounts owed from time to time under the related Credit Agreement shall be deposited into the Bank Note Fund.

The City hereby authorizes, within the Bank Payment Fund and at the direction of an Authorized Representative, the creation and establishment of one or more accounts to provide for one account to relate each Series with respect to which the City has entered into a particular Credit Agreement.

SECTION 4.5 MAINTENANCE OF AVAILABLE CREDIT FACILITIES REQUIREMENT.

(a) The City agrees and covenants that at all times up to and including the Maximum Maturity Date, unless the Notes are no longer outstanding, it will maintain one or more Credit Agreements with Banks in amounts such that, assuming that all then outstanding Notes were to become due and payable immediately, the amount available for borrowing under the Credit Agreements would be sufficient at that time to pay the principal of all Notes. However, the City reserves the right to provide internal liquidity for the Notes payable from the lawfully available cash balances in its Renewal and Replacement Fund. Such obligation to draw on its own funds prior to entering into a Loan pursuant to the terms of a Credit Agreement will be in accordance with the provisions specified in such Credit Agreement. No Note shall be issued which if, after giving effect to the issuance thereof and, if applicable, the immediate application of the proceeds thereof to retire other Notes secured by the Credit Agreement, the aggregate principal amount of all Notes secured by the Credit Agreement would exceed the amount of the credit commitment under the Credit Agreement. The availability for borrowing of such amounts under the Credit Agreements may be subject to reasonable conditions precedent, including but not limited to, bankruptcy of the City. In furtherance of the foregoing covenant, the City agrees that it will not issue any Notes or make any borrowings which will result in a violation of such covenant, will not amend any Credit Agreements then in effect in a manner which will cause a violation of such

covenant and, if and to the extent necessary to maintain compliance with such covenant, will arrange for an alternate Credit Agreement prior to, or contemporaneously with, the expiration of an existing Credit Agreement.

(b) Together, the Agreements currently satisfy the covenant contained in the first sentence of paragraph (a) above with respect an Available Commitment that supports the issuance of up to \$400,000,000 in aggregate principal amount at any one time outstanding of Notes. Notwithstanding this Available Commitment in an aggregate amount of less than \$500,000,000, the City expressly reserves the ability to increase the Available Commitment under the Agreements or the delivery of an additional Credit Agreement or an alternate Credit Agreement that increases the combined Available Commitment to an amount not in excess of \$500,000,000.

SECTION 4.6 BONDS. The City hereby acknowledges that the Notes are being issued as bond anticipation notes, and therefore the City in good faith shall endeavor to sell a sufficient principal amount of the Bonds in order to have funds available, together with other money available therefor, to pay the Notes and the interest thereon, or any renewals thereof, as the same shall become due and other amounts due under the Credit Agreements from time to time valid and in effect.

SECTION 4.7 PUNCTUAL PAYMENT. The Board on behalf of the City will punctually pay or cause to be paid the principal of and interest, if any, on the Notes (but only from the sources pledged herein), in conformity with the Notes, this Ordinance and any Credit Agreement.

SECTION 4.8 NOTES OTHER THAN TAXABLE NOTES TO REMAIN TAX EXEMPT. The City covenants to take any action to assure, or refrain from any action which would adversely affect, the treatment of the Tax-Exempt Notes as obligations described in section 103 of the Code, the interest on which is not includable in the “gross income” of the Holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Tax-Exempt Notes (less amounts deposited to a reserve fund, if any) are used for any “private business use”, as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Tax-Exempt Notes, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the “private business use” described in subsection (a) hereof exceeds 5 percent of the proceeds of the Tax-Exempt Notes (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a “private business use” which is “related” and not “disproportionate”, within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Tax-Exempt Notes (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to take any action to assure that the “nonqualified amount”, within the meaning of section 141(b)(8) of the Code, does not exceed \$15,000,000 unless the City obtains an allocation of volume cap under section 146 of the Code for such “nonqualified amounts” that exceeds \$15,000,000.

(e) to refrain from taking any action which would otherwise result in the Tax-Exempt Notes being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(f) to refrain from taking any action that would result in the Tax-Exempt Notes being “federally guaranteed” within the meaning of section 149(b) of the Code;

(g) to refrain from using any portion of the proceeds of the Tax-Exempt Notes, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Tax-Exempt Notes, other than investment property acquired with –

(i) proceeds of the Tax-Exempt Notes invested for a reasonable temporary period of 3 years or less, or in the case of an advance refunding 30 days or less, until such proceeds are needed for the purpose for which the Obligations are issued,

(ii) amounts invested in a bona fide debt service fund, within the meaning of section 1.103-13(b)(12) of the Treasury Regulations, and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed the least of 10 percent of the stated principal amount of the Tax-Exempt Notes, the maximum annual principal and interest requirements on the Tax-Exempt Notes, and 125 percent of the average annual principal and interest on the Tax-Exempt Notes;

(h) to otherwise restrict the use of the proceeds of the Tax-Exempt Notes or amounts treated as proceeds of the Tax-Exempt Notes, as may be necessary, so that the Tax-Exempt Notes do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(i) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Tax-Exempt Notes) an amount that is at least equal to 90 percent of any Excess Earnings, and to pay to the United States of America, not later than 60 days after the Tax-Exempt Notes have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(j) to maintain such records as will enable the City to fulfill its responsibilities under this section and section 148 of the Code and to retain such records for at least six years following the final payment of principal and interest on the Tax-Exempt Notes;

(k) to execute and deliver to the Issuing and Paying Agent a Certificate as to Tax Exemption in the form prescribed by Bond Counsel in connection with the approval of the Tax-Exempt Notes; and

(l) to timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on such forms and in such places as such Secretary may prescribe.

The City represents and covenants that it will not expend, or permit to be expended, the proceeds of any Tax-Exempt Notes in any manner inconsistent with its reasonable expectations as certified in the Certificate as to Tax Exemption to be executed with respect to the approval of the Tax-Exempt Notes; provided, however, that the City may expend Tax-Exempt Note proceeds in any manner if the City first obtains an unqualified opinion of Bond Counsel that such expenditure will not impair the exemption from federal income taxation of interest paid on the Tax-Exempt Notes. For purposes of Section 4.8(i) hereof, the City hereby elects to treat those Tax-Exempt Notes redeemed during any six-month period as one “issue” in accordance with the provision of section 148(f)(3) of the Code. The City represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer whose arbitrage certifications may not be relied upon.

It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify, or expand provisions of the Code, as applicable to the Tax-Exempt Notes, the City will not be required to comply with any covenant contained herein to the extent that such modification or expansion, in the opinion of Bond Counsel, will not adversely affect the excludability of interest on the Tax-Exempt Notes from gross income for federal income tax purposes under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Tax-Exempt Notes, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of Bond Counsel, to preserve the excludability of interest on the Tax-Exempt Notes from gross income for federal income tax purposes under section 103 of the Code.

SECTION 4.9 OPINION OF BOND COUNSEL. The City shall cause the legal opinion of Bond Counsel as to the validity of the Tax-Exempt Notes and as to the excludability of interest on the Tax-Exempt Notes from gross income for federal income tax purposes to be furnished to any Tax-Exempt Noteholder without cost. In addition, a copy of said opinion may be printed on each of the Tax-Exempt Notes.

SECTION 4.10 TAXABLE NOTES. The Taxable Notes are not “state or local bonds” within the meaning of section 103(a) and (c) of the Internal Revenue Code of 1986, as amended; therefore, the interest on the Taxable Notes is not excludable from the gross income of the holders thereof for federal income tax purposes. The following applies to the ability of the City, acting by and through the Board, to issue Taxable Notes:

(a) The provisions of Section 4.8 of this Ordinance notwithstanding, the Board reserves the ability to issue Taxable Notes in the Form of Taxable Notes set forth in Section 2.5(b).

(c) The Board covenants and agrees to cause the Issuing and Paying Agent to undertake to report, to the extent required by the Code, interest payments on the Taxable Notes to the Internal Revenue Service. Such information shall be filed by the Issuing and Paying Agent on the form published by the Internal Revenue Service for this purpose and contain the information required by the Code.

(d) The Board covenants and agrees to cause the Issuing and Paying Agent to obtain or cause to be obtained from the holder of each of the Taxable Notes the information required by Code relating to the correct social security number or other taxpayer identification number for the holder of each of the Taxable Notes or to withhold the portion of the payment required to be withheld under the Code.

SECTION 4.11 OPINION OF BOND COUNSEL. The City shall cause the legal opinion of Bond Counsel as to the validity of the Taxable Notes to be furnished to any holder of Taxable Notes without cost. In addition, a copy of said opinion may be printed on each of the Taxable Notes.

SECTION 4.12 COMPLIANCE WITH BOND ORDINANCES AND OTHER DOCUMENTS. The City and the Board will comply with the terms and provisions of the Bond Ordinances and any other ordinance or contract to which the City or the Board is a party, the non-compliance with which would materially adversely affect the ability of the Board on behalf of the City to make payments on the Notes when due.

SECTION 4.13 RESERVATION OF RIGHT TO ISSUE ADDITIONAL SENIOR LIEN OBLIGATIONS, ADDITIONAL JUNIOR LIEN OBLIGATIONS, ADDITIONAL SUBORDINATE LIEN OBLIGATIONS AND INFERIOR LIEN OBLIGATIONS.

The City hereby expressly reserves the right to hereafter issue Additional Senior Lien Obligations in accordance with the provisions of the Senior Lien Obligations Ordinances, payable from and secured by a lien on and pledge of the Pledged Revenues of the System prior in right and claim to the lien and pledge securing the payment of any Junior Lien Obligations, Subordinate Lien Obligations, Additional Subordinate Lien Obligations and Inferior Lien Obligations.

(b) Additional Junior Lien Obligations, Additional Subordinate Lien Obligations, and Inferior Lien Obligations. Pursuant to the provisions of the Senior Lien Obligations Ordinances, which right is recognized in each Agreement, the City has reserved, and the City hereby reserves, the right to issue, at any time, obligations including, but not limited to, Additional Junior Lien Obligations, Additional Subordinate Lien Obligations, and Inferior Lien Obligations payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Net Revenues, subordinate and inferior in rank and dignity to the lien on and the pledge of such Net

No Notes herein authorized to be issued shall be sold or delivered by an Authorized Representative until the Attorney General of the State of Texas shall have approved this Ordinance, the Revolving Credit Agreement and other agreements and proceedings as may be required in connection therewith, all as required by the Act.

SECTION 7.10 THE DEPOSITORY TRUST COMPANY.

(a) The City has determined to issue the Notes initially in book-entry form and has determined to appoint The Depository Trust Company, New York, New York (“DTC”) to serve as the initial securities depository for the Notes and to maintain a book-entry only system of recording the ownership and transfer of ownership of beneficial interests in the Notes in accordance with this Section 7.10.

(b) Notwithstanding any provision of this Ordinance to the contrary, unless the City shall otherwise direct, one or more Master Notes (per Series and as Tax-Exempt Notes or Taxable Notes, as applicable, evidencing all of the City’s obligations under the Notes) shall be issued in lieu of individual Notes, which Master Notes shall be registered in the name of Cede & Co., as nominee of DTC, as the Registered Owner of the Master Notes, and held in the custody of the Issuing and Paying Agent. Beneficial owners of Notes will not receive physical delivery of Notes except as provided hereinafter as long as DTC shall continue to serve as securities depository for the Notes as provided herein, all transfers and beneficial ownership interests in the Notes will be made by book-entry only, and no investor or other party purchasing, selling, or otherwise transferring beneficial ownership interests in the Notes is to receive, hold, or deliver any Notes; provided, that, if DTC fails or refuses to act as securities depository for the Notes, the City shall take the actions necessary to provide for the issuance of certificates to the Registered Owners of such Notes.

With respect to Master Notes registered in the name of Cede & Co., as nominee of DTC, the City and the Issuing and Paying Agent shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom a DTC Participant holds an interest in the Notes. Without limiting the immediately preceding sentence, the City and the Issuing and Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any DTC Participant with respect to any ownership interest in the Notes, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner, as shown in the Registration Books, of any notice with respect to the Notes, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Registered Owner, as shown in the Registration Books, of any amount with respect to the principal of, premium, if any, or interest on the Notes.

(c) In the event that (i) DTC determines not to continue to act as securities depository for the Notes (which determination shall become effective not less than ninety (90) days after written notice to such effect is given to the City and the Issuing and Paying Agent); (ii) the City or the Issuing and Paying Agent determines (which determination is conclusive as to DTC, any DTC Participant and the beneficial owners of the Notes) that DTC is incapable of discharging its responsibilities described herein and in the DTC Letter of Representations; or (iii) the City or the Issuing and Paying Agent determines (which determination is conclusive as to DTC, any DTC

Participant and the beneficial owners of the Notes) that it is in the best interests of the beneficial owners of the Notes not to continue DTC's book-entry only system of transfer for the Notes, then the City shall use its best efforts to appoint a successor securities depository, qualified to act as such under Section 17A of the Securities Exchange Act of 1934, as amended. In the event of such an appointment, the City shall notify (a) DTC of the appointment of such successor securities depository and transfer one or more separate Notes to such successor securities depository or (b) DTC Participants of the availability through DTC of Notes and transfer one or more separate Notes to DTC Participants having Notes credited to their DTC accounts. In such event, the Master Notes and Notes shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Registered Owners transferring or exchanging Notes shall designate, in accordance with the provisions of this Ordinance.

In the event that the City fails to appoint a successor securities depository for the Notes, the City shall execute and cause to be authenticated and delivered replacement Notes, in certificated form, to the beneficial owners of the Notes.

(d) Notwithstanding any other provision of this Ordinance to the contrary, as long as any Master Notes or the Notes are registered in the name of Cede & Co., as nominee of DTC, (i) all payments with respect to the principal of and interest on the Notes and all notices with respect to such Notes shall be made and given, respectively, in the manner provided in the DTC Letter of Representations (Exhibit E); (ii) the requirements of this Ordinance of holding, delivering, or transferring Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC, and (iii) delivery of the Master Notes and the Notes will be in accordance with arrangements among the City, the Issuing and Paying Agent, and DTC.

(e) If at any time DTC ceases to hold the Master Notes or the Notes in book-entry only form, all references herein to DTC shall be of no further force or effect.

(f) The DTC Letter of Representations and the Master Notes shall be substantially in the form attached hereto as Exhibits E and F, respectively, the terms and provisions of which are hereby approved and the Mayor and City Clerk are hereby authorized to execute and deliver such DTC Letter of Representations and Master Notes on behalf of the City.

SECTION 7.11 PREAMBLE. The preamble to this Ordinance shall be considered an integral part of this Ordinance, and is herein incorporated as part of the body of this Ordinance for all purposes.

SECTION 7.12 REPEAL OF ORDINANCE. The Original Note Ordinance authorizing the Existing Commercial Paper Program is hereby repealed and shall have no further force or effect as of October 2, 2012.

SECTION 7.13 INTEGRATION OF DISTRICT SPECIAL PROJECT. The City hereby acknowledges that it has created and now maintains the District Special Project for the purpose of acquiring the water system of the former Bexar Metropolitan Water District pursuant to the provisions of Senate Bill 341 enacted by the 82nd Regular Texas Legislature ("SB 341").

In addition, prior to the initial delivery of the Notes, the Mayor, the City Manager or Assistant City Manager, the City Attorney, any Authorized Representative, and Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance and as described in the Offering Memorandum, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Notes by the Texas Attorney General's office. In case any officer of the City whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 7.15 EFFECTIVE DATE. The effective date of this Ordinance shall be governed by the provisions of Section 1-15 of the City Code of San Antonio, Texas. This Ordinance shall take effect immediately if passed by the affirmative vote of at least eight members of the City Council, otherwise the same shall take effect on the tenth day after the date of its passage by the City Council.
