A RESOLUTION

CREATING THE SAN ANTONIO HOUSING AUTHORITY AND DECLARING THE NECESSITY

BE IT RESOLVED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO:-

1. The Board of Commissioners of the City of San Antonio declared that there is need for a housing authority in the City and finds (a) that insanitary or unsafe inhabited dwelling accommodations exist in such city, and (b) that there is a shortage of safe or sanitary dwelling accommodations in such city, available to persons of low income at rentals they can afford. In determining whether dwelling accommodations are unsafe or insanitary said governing body takes into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space, and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in buildings which endanger life or property by fire or other causes.

2. The Mayor shall appoint five persons as commissioners of the authority created for the city. Two of the commissioners who are first so appointed shall be designated to serve for terms of one year and the remaining commissioners shall be designated to serve for terms of

two years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed as aforesaid for a term of office of two years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the City of San Antonio. A Commissioner shall hold office until his successor has been appointed and has qualified. A Certificate of the appointment or reappointment of any commissioner shall be filed with the City Clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

2. The Mayor shall appoint five persons as commissioners of the authority created for the city. Two of the commissioners who are first so appointed shall be designated to serve for terms of one year and the remaining commissioners shall be designated to serve for terms of two years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed as aforesaid for a term of office of two years except that all vacancies shall be filled for the unexpired term. No commissioner of an authority may be an officer or employee of the City of San Antonio. A Commissioner shall hold office until his successor has been appointed and has qualified. A Certificate of the appointment or reappointment of any commissioner shall be filed with the City Clerk and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner. A commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties.

3. The powers of the authority shall be vested in the commissioners thereof in office from time to time. Three commissioners shall constitute a quorum of the authority for the purpose of conducting its business and exercising its powers and for all other purposes. Action may be taken by the authority upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. The Mayor shall designate which of the commissioners appointed shall be the first chairman, but when the office of the chairman of the authority thereafter becomes vacant, the authority shall select a chairman from among its commissioners. The authority shall select from among its commissioners a vice-chairman, and it may employ a secretary (who shall be executive director), technical experts and such other officers, agents, and employees, permanent and temporary, as it may require, and shall determine their qualifications, duties, and compensation. For such legal services as it may require, the authority may call upon the chief law officer of the city or may employ its own counsel and legal staff. The authority may delegate to one or more of its agents or employees such powers or duties as it may deem proper.

4. For inefficiency or neglect of duty or misconduct in office, a commissioner of the authority may be removed by the Mayor, but a commissioner shall be removed only after he shall have been given a copy of the charges at least ten days prior to the hearing thereon and had an opportunity to be heard in person or by counsel. In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the City Clerk.

5. When the housing authority for the city becomes authorized to transact business and exercise its powers therein, the governing body of the city shall immediately make an estimate of the amount of money necessary for the administrative expenses and overhead of such housing authority during the first year thereafter, and shall appropriate such amount to the authority out of any moneys in such city treasury not appropriated to some other purposes. The moneys so appropriated shall be paid to the authority as a loan. The city shall have the power from time to time to lend money to the authority or to agree to take such action. The

housing authority, when it has money available therefor, shall make reimbursements for all such loans made to it.

6. The San Antonio Housing Authority of the City of San Antonio is created to function in the City of San Antonio under the stipulations of House Bill No. 820 and House Bill No. 821, passed and approved by the 45th Legislature of the State of Texas at its Regular Session in the year 1937.

7. It is ordered by two-thirds vote of the full Board of Commissioners of the City of San Antonio that this ordinance shall receive final action without having been read at three several meetings of the Commission.
