SINGLE ROOM OCCUPANCY PROGRAM
FOR HOMELESS INDIVIDUALS**

RENEWAL OF HAP CONTRACT

1. BACKGROUND

Previously, the PHA entered into a HAP contract with the owner under the Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) Program for Homeless Individuals. The HAP contract provided for Section 8 housing assistance payments by the PHA to the owner. The HAP contract identified covered contract units and specified the term of the HAP contract for such units.

The term of the HAP contract expires on 09/16/2011. Under section 524 (a) (1) of the Department of Veteran Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1998 (Public Law 105-65, 111 Stat. 1344, approved October 27, 1997) (1998 Act), HUD is authorized to renew expiring Section 8 SRO contracts. This renewal contract is entered in accordance with section 524 (a) (1).

The contract renewal shall be for a term of one year and shall commence on the day after the HAP contract expires. The commencement date is specified in the "contract information" attached as an exhibit to this renewal contract.

(For HAP contracts that expired in stages, the term of the one year renewal for each stage commences on the day after expiration of the HAP contract for each stage. The exhibit of contract information separately specifies the commencement date for renewal of each HAP contract stage expiring in federal fiscal year 1998, and identifies the number of units, number of bedrooms, and contract rent of the contract units included in each stage.)

2. DEFINITIONS

Commencement date. The beginning of the one year renewal term. (The commencement date is specified in the contract information exhibit.)

Contract information. An exhibit attached to and made a part of this renewal contract. The exhibit specifies the amount of budget authority, commencement date of the renewal term, number of units, and contract rent.

Contract units. The units covered by this renewal contract.

HAP contract. Section 8 Housing Assistance Payments Contract.

HUD. The U.S. Department of Housing and Urban Development.

One year. 365 days.

PHA. Public Housing Agency (also called "housing agency" or "HA").

Moderate Rehabilitation Single Room Occupancy Program
Renewal of HAP Contract

Public Housing Agency (PHA). The agency that has entered this renewal contract with the owner.

Section 8. Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).

3. TERM OF RENEWAL

The expiring HAP contract is renewed for a period of one-year (365 days) beginning on the commencement date. (For HAP contracts that expire in stages, the contract information exhibit separately specifies the commencement date for the one-year renewal term of each stage.)

4. CONTRACT RENT

During the renewal term, the monthly contract rents for the contract units described in the exhibit of contract information shall be the amounts specified in the exhibit. The owner shall not receive any other payment or compensation for rental of the units other than contribution made by the assisted individual or PHA.

Notwithstanding the amounts of the contract rents specified in the exhibit of contract information, contract rents shall in no event exceed the rent levels permitted by section 524 (b) (1) and 24 CFR 402.5. Such rent levels shall be calculated in accordance with HUD instructions.

During the renewal term, the following provisions of the expiring HAP contract do not apply:

- (a) Provisions concerning annual and special adjustments of contract rent.
- (b) Provisions concerning base rent.

If the renewal term commences on a date other than the first day of a calendar month, or ends on a date other than the last day of a calendar month, contract rent shall be prorated.

5. RENEWAL OF OTHER TERMS

Except as provided in section 4 of this renewal contract and except for the change in the site and property address, all terms of the expiring HAP contract are renewed.

6. MAXIMUM PAYMENT

Notwithstanding any other provision of the expiring HAP contract or this renewal contract, aggregate payments by the PHA to the owner under this renewal contract shall in no event exceed the amount of budget authority specified in the exhibit of contract information.

(For a HAP contract renewed in stages, aggregate payments for all stages under this renewal contract, shall in no event exceed such amount.)

7. OWNER RESPONSIBILITY

Physical condition standards. The owner warrants that the contract units comply with HUD's physical condition standards for housing that is decent, safe and sanitary and in good repair, and will so comply at all times during the term of this renewal contract.

Conditions for housing assistance payments. Unless the owner complies with the HAP contract and this renewal contract, the owner does not have a right to receive housing assistance payments. Owner may subcontract the management of Housing Assistance Payments project to another entity. The PHA understands and agrees that the Owner's subcontractor may perform the Owner's

responsibilities on its behalf and in coordination with the PHA, all in compliance with the HAP contract.

The PHA does not assume any responsibility for injury to, or any liability to, any person injured as a result of the owner's action or failure to act in connection with the implementation of the HAP contract or renewal contract, or as a result of any other action or failure to act by the owner.

The owner is not the agent of the PHA, and the HAP contract or renewal contract does not create or affect any relationship between the PHA and any lender to the owner or any suppliers, employees, contractors or subcontractors used by the owner.

Nothing in the HAP contract or renewal contract shall be construed as creating any right of an assisted family or other third party (other than HUD) to enforce any provision of the HAP contract or renewal contract, or to assert any claim against HUD, the PHA or the owner under the HAP contract or renewal contract.

9. NOTICE

In accordance with section 8 (c) (8) (A) of the United States Housing Act of 1937, as amended, the owner shall provide, at a minimum, a one-year written notice to the PHA, HUD, and each assisted individual about the termination of this contract. The term "termination" means the expiration of the contract or an owner's refusal to renew the contract. The notice shall comply with HUD regulations and other requirements, including any amendments or changes in the law or HUD requirements.

If the owner fails to provide this notice in accordance with HUD requirements, HUD may require that the owner permit each assisted individual to remain in its unit for the full notice period without increasing the tenant portion of the rent under the expiring contract.

CITY OF SAN ANTONIO * San Antonio Metropolitan Ministry, Inc.

This Contract is entered into by and between the City of San Antonio (hereinafter referred to as "City"), a Texas Municipal Corporation, acting by and through its Director of the Department of Human Services pursuant to Ordinance No. _____, dated September 1, 2011, and the San Antonio Metropolitan Ministry, Inc., (hereinafter referred to as "Contractor").

WITNESSETH:

WHEREAS, the Department of Human Services is designated as the managing City department (hereinafter referred to as "Managing City Department") for the City; and

WHEREAS, the City has provided certain funds from the Grant Fund Operating Budget (hereinafter referred to as "Grant Fund") for Community Safety Net services; and

WHEREAS, the City has adopted a budget for the expenditure of such funds, and included therein is an allocation of \$413,952.00 for a project entitled "Management of Housing Assistance Payments Project" (hereinafter referred to as the "Project" or "Program"); and

WHEREAS, the City wishes to engage the Contractor to carry out the Project; NOW THEREFORE:

The parties hereto agree as follows:

I. SCOPE OF WORK

- 1.1 The Contractor will provide, oversee, administer, and carry out all activities and services in a manner satisfactory to the City and in compliance with the **Scope of Work** affixed hereto and incorporated herein for all purposes as Attachment I.

II. TERM

- 2.1 Except as otherwise provided for pursuant to the provisions hereof, this Contract shall begin on September 17, 2011 and shall terminate on September 16, 2012.

III. CONSIDERATION

- 3.1 In consideration, the City will pay Contractor in accordance with the budget approved by the City. Said budget is affixed hereto and incorporated herein for all purposes as Attachment II. It is specifically agreed that payment hereunder shall not exceed the total amount of **\$413,952.00**.
- 3.2 The funding level of this Contract is based on an allocation from the following funding sources:

\$413,952.00 Housing and Urban Development (HUD) by and through the San Antonio Housing Authority (SAHA) - Catalog of Federal Domestic Assistance # 14.856

Consequently, Contractor agrees to comply with Sections I, and II (B) of the **Funding Guide**, affixed hereto and incorporated herein for all purposes as Attachment III.

3.3 THIS SECTION INTENTIONALLY LEFT BLANK

3.4 It is expressly understood and agreed by the City and Contractor that the City's obligations under this Contract are contingent upon the actual receipt of adequate grant funds to meet City's liabilities hereunder. Should City not receive sufficient funds to make payments pursuant to this Contract, should grant fund awards be reduced, should the grant contract between the HUD and the SAHA or the Section 8 Housing Assistance Payments (HAP) contract between SAHA and the City be modified or terminated, or should the federal government exercise its right of reverter and take title to any property that is the subject of this agreement pursuant to any agreement between the federal government and the City and/or Haven for Hope of Bexar County so as to preclude City's continued performance hereunder, City shall notify Contractor in writing within a reasonable time after such fact has been determined and may, at its option and subject to City Council approval, either terminate this Contract or reduce the Scope of Work and Consideration accordingly.

IV. PAYMENT

4.1 Contractor agrees that this is a payment for services contract and that the City's liability hereunder is limited to making payments of contract rent per unit occupied in the preceding month (less that which the Contractor receives from the resident for that unit in the preceding month) so long as Contractor performs services in accordance with this Contract, the contract between the City of San Antonio and the San Antonio Housing Authority and law, rules and regulations applicable to the Section 8 Single Room Occupancy Program. All requested payments must be consistent with the terms and provisions of the approved budgeted line items described in Attachment II of this Contract. In no event shall the City be liable for any cost of Contractor in the performance of this Contract.

4.2 If specific circumstances require an advance payment on this Contract, Contractor must submit to the Director of the Managing City Department a written request for such advance payment, including the specific reason for such request. The Director of the Managing City Department may, in his sole discretion, approve an advance payment on this Contract. It is understood and agreed by the parties hereto that (a) each request requires submission to the Director of the Managing City Department no less than ten (10) business days prior to the actual ostensible cash need; (b) each request will be considered by the Director of the Managing City Department on a case-by-case basis, and (c) the decision by the Director of the Managing City Department whether or not to approve an advance payment is final. For purposes of this Contract, the term, "business day" shall mean every day of the week except all Saturdays, Sundays and those scheduled holidays officially adopted and approved by the San Antonio City Council for City of San Antonio employees. In those instances in which advance payments are authorized:

(A) Advance payments to vendors shall be remitted to the vendors in a prompt and timely manner, defined as not later than ten (10) calendar days after the Contractor is notified that a check is available from the City.

(B) The Contractor must deposit City funds in a separate account in a bank insured with the Federal Deposit Insurance Corporation (FDIC). In those situations where Contractor's total deposits in said bank, including all City funds deposited in such separate account, exceed the FDIC insurance limit, the Contractor must arrange with said bank to automatically have the excess collaterally secured. A written copy of the collateral agreement must be obtained by Contractor from the Contractor's banking institution, maintained on file and be available for City monitoring reviews and audits. Advanced funds that cause the Contractor's account balance to exceed \$100,000.00 shall be deposited in a manner consistent with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code) as amended.

- (C) The City may deduct from monthly payments amounts necessary to offset the amount advanced based upon the number of months remaining in the Contract term, projected future payments and other indicators such as Contractor's financial stability. Contractor shall maintain a financial management system to account for periodic, or a lump sum, deduction from payments.
- 4.3 Contractor shall submit to City a monthly Request for Payment in the form prescribed by City, which details the tenants that occupied Single Room Occupancy units for the previous month prior to requesting payment and the amount each has paid as a tenant's share, and other supporting documentation as may be required by the City of San Antonio's Finance Department.
- 4.4 City shall make payments to the Contractor of any undisputed amounts as determined by the Director of the Managing City Department according to standard procedures followed by the City's Finance Department, so long as City receives a properly completed and documented Request for Payment. City shall make payment to Contractor within 30 calendar days of receiving a valid and approved Request for Payment.
- 4.5 The Contractor shall submit to City all final requests for payment no later than 45 days from the termination date of this Contract, unless Contractor receives written authorization from the Director of the Managing City Department prior to such 45 day period allowing Contractor to submit a request for payment after such 45 day period.
- 4.6 Contractor agrees that the City shall not be obligated to any third parties (including any subcontractors or third party beneficiaries of the Contractor).
- 4.7 Contractor shall maintain a financial management system, and acceptable accounting records that provide for:
 - (A) accurate, current, and complete disclosure of financial support from each Federal, State and locally sponsored project and program in accordance with the reporting requirements set forth in Article VIII of this Contract. If accrual basis reports are required, the Contractor shall develop accrual data for its reports based on an analysis of the documentation available;
 - (B) identification of the source of funds for City-sponsored activities. Such records shall contain information pertaining to City awards, authorizations, obligations, un-obligated balances, assets, equity, outlays, and income;
 - (C) effective control over and accountability for all funds, property, and other assets. The Contractor shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes. Contractor shall maintain an accounting system that can separate funds by funding source and project;
- 4.8 THIS SECTION INTENTIONALLY LEFT BLANK.
- 4.9 THIS SECTION INTENTIONALLY LEFT BLANK.
- 4.10 Upon completion or termination of this Contract, all advance payments exceeding the total amount to which Contractor is entitled to based upon performance of services under this Contract incurred during the Contract term shall be immediately returned by Contractor to the City upon demand.
- 4.11 Upon execution of this Contract or at any time during the term of this Contract, the City's Director of Finance, the City Auditor, or a person designated by the Director of the Managing City Department may review and approve all Contractor's systems of internal accounting and administrative controls prior to the release of funds hereunder.
- 4.12 Contractor agrees that prior to the payment of any funds under this Contract, and throughout the term of this Contract, Contractor shall maintain financial stability and operate in a fiscally responsible and prudent manner. Contractor agrees that the City may immediately terminate this Contract if the City finds, as solely

determined by the City, that Contractor is in such unsatisfactory financial condition as to endanger performance under this Contract. The City may consider evidence such as the apparent inability of Contractor to meet its financial obligations and items that reflect detrimentally on the credit worthiness of Contractor. Relevant factors include, but are not limited to, pending litigation, liens and encumbrances on the assets of Contractor, the appointment of a trustee, receiver or liquidator for all or a substantial part of Contractor's property, or institution of bankruptcy, reorganization, rearrangement of or liquidation proceedings by or against Contractor. Contractor shall provide any records requested by City that City deems necessary to make such a determination.

V. PROGRAM INCOME

- 5.1 For purposes of this Contract, "program income" shall mean earnings of Contractor realized from activities resulting from this Contract or from Contractor's management of funding provided or received hereunder. Such earnings shall include, but shall not be limited to, interest income; usage or rental/lease fees; income produced from contract-supported services of individuals or employees or from the use of equipment or facilities of Contractor provided as a result of this Contract, and payments from clients or third parties for services rendered by Contractor pursuant to this Contract. Said records shall be maintained for the required period beginning immediately after Contract termination, save and except when there is litigation or if the audit report covering such Contract has not been accepted, then the Contractor shall retain the records until the resolution of such issues has satisfactorily occurred.

The City may, in its sole and absolute discretion, require the Contractor to use any and all of the City's accounting or administrative procedures used in the planning, controlling, monitoring and reporting of all fiscal matters relating to this Contract, and the Contractor shall abide by such requirements.

- 7.6 When an audit or examination determines that the Contractor has invoiced or collected funds which are questioned by the City and/or the applicable state or federal governing agency, the Contractor shall be notified and provided an opportunity to address the questioned expenditure or costs.

Should any charge that has been paid be subsequently disapproved or disallowed as a result of any site review or audit, the Contractor will immediately refund such amount to the City no later than ten (10) days from the date of notification of such disapproval or disallowance by the City. At its sole option, the Managing City Department may instead deduct such claims from subsequent payments; however, in the absence of prior notice by City of the exercise of such option, Contractor shall provide to City a full refund of such amount no later than ten (10) days from the date of notification of such disapproval or disallowance by the City. If Contractor is obligated under the provision hereof to refund a disapproved or disallowed charge, such refund shall be required and be made to City by cashiers check or money order.

- 7.7 If the City determines, in its sole discretion, that Contractor is in violation of the above requirements, the City shall have the right to dispatch auditors of its choosing to conduct the required audit and to have the Contractor pay for such audit from non-City resources.

VIII. RECORDS, REPORTING, AND COPYRIGHTS

- 8.1 The Managing City Department is assigned monitoring, fiscal control, and evaluation of projects. Therefore, at such times and in such form as may be required by the Managing City Department, the Contractor shall furnish to the Managing City Department and the Grantor of the grant funds, if applicable, such statements, records, data, all policies, procedures, and information and permit the City and Grantor of the grant funds, if applicable, to have interviews with its personnel, board members and program participants pertaining to the matters covered by this Contract.

The Contractor ensures that all information contained in all required reports submitted to City is accurate.
- 8.3 Contractor agrees to maintain in confidence all information pertaining to the Project/Projects or other information and materials prepared for, provided by, or obtained from City including, without limitation, reports, information, project evaluation, project designs, data, and other related information (collectively, the "Confidential Information") and to use the Confidential Information for the sole purpose of performing its obligations pursuant to this Contract. Contractor shall protect the Confidential Information and shall take all reasonable steps to prevent the unauthorized disclosure, dissemination, or publication of the Confidential Information. If disclosure is required (i) by law or (ii) by order of a governmental agency or court of competent jurisdiction, Contractor shall give the Director of the Managing City Department prior written notice that such disclosure is required with a full and complete description regarding such requirement. Contractor shall establish specific procedures designed to meet the obligations of this Article VIII, Section 8.3, including, but not limited to execution of confidential disclosure agreements, regarding the Confidential Information with Contractor's employees and subcontractors prior to any disclosure of the Confidential Information. This Article VIII, Section 8.3 shall not be construed to limit the City's or its authorized representatives' right of access to records or other information, confidential or otherwise, under this Contract. Upon termination of this Contract, Contractor shall return to City all copies of materials related to the Project/Projects, including the Confidential Information.
- 8.4 The Public Information Act, Government Code Section 552.021, requires the City to make public information available to the public. Therefore, if Contractor receives inquiries regarding documents within its possession pursuant to this Contract, Contractor shall within twenty-four (24) hours of receiving the requests forward such requests to City for disposition. If the requested information is confidential pursuant to State or Federal law, the Contractor shall submit to City the list of specific statutory authority mandating confidentiality no later than three (3) business days of Contractor's receipt of such request.
- 8.5 In accordance with Texas law, Contractor acknowledges and agrees that all local government records as defined in Chapter 201, Section 201.003 (8) of the Texas Local Government Code created or received in the transaction of official business or the creation or maintenance of which were paid for with public funds are declared to be public property and subject to the provisions of Chapter 201 of the Texas Local Government Code and Subchapter J, Chapter 441 of the Texas Government Code. Thus, Contractor agrees that no such local government records produced by or on the behalf of Contractor pursuant to this Contract shall be the subject of any copyright or proprietary claim by Contractor.

Contractor acknowledges and agrees that all local government records, as described herein, produced in the course of the work required by this Contract, shall belong to and be the property of City and shall be made available to the City at any time. Contractor further agrees to turn over to City all such records upon termination of this Contract. Contractor agrees that it shall not, under any circumstances, release any

records created during the course of performance of the Contract to any entity without the written permission of the Director of the Managing City Department, unless required to do so by a court of competent jurisdiction. The Managing City Department shall be notified of such request as set forth in Article VIII., section 8.3 of this Contract.

- 8.6 Ownership of Intellectual Property. Contractor and City agree that the Project/Projects shall be and remain the sole and exclusive proprietary property of City. The Project/Projects shall be deemed a "work for hire" within the meaning of the copyright laws of the United States, and ownership of the Project/Projects and all rights therein shall be solely vested in City. Contractor hereby grants, sells, assigns, and conveys to City all rights in and to the Project/Projects and the tangible and intangible property rights relating to or arising out of the Project/Projects, including, without limitation, any and all copyright, patent and trade secret rights. All intellectual property rights including, without limitation, patent, copyright, trade secret, trademark, brand names, color schemes, designs, screens, displays, user interfaces, data structures, organization, sequences of operation, trade dress, and other proprietary rights (the "Intellectual Property Rights") in the Project/Projects shall be solely vested in City. Contractor agrees to execute all documents reasonably requested by City to perfect and establish City's right to the Intellectual Property Rights. In the event City shall be unable, after reasonable effort, to secure Contractor's signature on any documents relating to Intellectual Property Rights in the Project/Projects, including without limitation, any letters patent, copyright, or other protection relating to the Project/Projects, for any reason whatsoever, Contractor hereby irrevocably designates and appoints City and its duly authorized officers and agents as Contractor's agent and attorney-in-fact, to act for and in Contractor's behalf and stead to execute and file any such application or applications and to do all other lawfully permitted acts to further the prosecution and issuance of letters patent, copyright or other analogous protection thereon with the same legal force and effect as if executed by Contractor. Provided, however, nothing herein contained is intended nor shall it be construed to require Contractor to transfer any ownership interest in Contractor's best practice and benchmarking information to the City.
- 8.7 Within a period not to exceed 90 days from the termination date of the Contract, Contractor shall submit all final client and/or fiscal reports and all required deliverables to City. Contractor understands and agrees that in conjunction with the submission of the final report, the Contractor shall execute and deliver to City a receipt for all sums and a release of all claims against the Project/the Projects.

IN THE EVENT CONTRACTOR AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW.

CONTRACTOR shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or CONTRACTOR known to CONTRACTOR related to or arising out of CONTRACTOR'S activities under this CONTRACT.

XI. SMALL, MINORITY OR WOMAN OWNED BUSINESS ADVOCACY POLICY

11.1 SBEDA Program. The City has adopted a Small Business Economic Development Advocacy Ordinance (the "SBEDA Program"), which is posted on the City's Economic Development Department website and is also available in hard copy form upon request to the City. In addition to the definitions provided in the SBEDA Program, the following definitions will apply pursuant to SBEDA Program requirements and this Contract:

- (A) SBEDA Enterprise ("SE") – A corporation, limited liability company, partnership, individual, sole proprietorship, joint stock company, joint venture, professional association or any other legal entity operated for profit that is properly licensed, as applicable, and otherwise authorized to do business in the state of Texas and certified pursuant to SBEDA Program requirements.
- (B) Commercially Useful Function – A function performed by an SE when it is responsible for supplying goods or for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing and supervising the work involved. To determine whether an SE is performing a Commercially Useful Function, the amount of work subcontracted, industry practices and other relevant factors shall be evaluated. Commercially Useful Function is measured for purposes of determining participation on a contract, not for determination of certification eligibility.
- (C) Conduit – An SE that knowingly agrees to pass the scope of work for which it is listed for participation, and is scheduled to perform or supply on the contract, to a non-SE firm. In this type of relationship, the SE has not performed a Commercially Useful Function and the arranged agreement between the two parties is not consistent with standard industry practice. This arrangement does not meet the Commercially Useful Function requirement and therefore the SE's participation does not count toward the SE utilization goal.
- (D) SBEDA Plan – The Good Faith Effort Plan ("GFEP"), SBEDA Narrative, List of Subcontractors/Suppliers and executed Letters of Intent (all as applicable) that are submitted with Contractor's bid for this project Contract, attached hereto and incorporated herein as "Attachment VI".

11.2 For this Contract, the Parties agree that:

- (A) The terms of the City's SBEDA Ordinance, as amended, together with all requirements and guidelines established under or pursuant to the Ordinance (collectively, the "SBEDA Program") are incorporated into this Contract by reference; and

- (B) The failure of Contractor or any applicable SE to comply with any provision of the SBEDA Program shall constitute a material breach of the SBEDA Program and this Contract.
- (C) Failure of Contractor or any applicable SE to provide any documentation or written submissions required by the CITY Managing Department or SBEDA Program Office pursuant to the SBEDA Program, within the time period set forth by the SBEDA Program Office, shall constitute a material breach of the SBEDA Program and this Contract.
- (D) During the term of this Contract, and any renewals thereof, any unjustified failure to utilize good faith efforts to meet, and maintain, the levels of SE participation identified in Contractor's SBEDA Plan ("Attachment VI") shall constitute a material breach of the SBEDA Program and this Contract.
- (E) Contractor shall pay all suppliers and subcontractors identified in its SBEDA Plan ("Attachment VI") in a timely manner for satisfactory work, pursuant to and as outlined in Section VII, Paragraph F(2)(e) of the SBEDA Ordinance, as amended. Documentation of all billing and payment information applicable to SBEDA Plan suppliers and subcontractors shall be submitted by Contractor to the City's Managing Department. Failure to pay SEs in a timely manner or submit the required billing and payment documentation shall constitute a material breach of this Contract.

11.3 The Parties also agree that the following shall constitute a material breach of the SBEDA Program and this Contract:

- (A) Failure of Contractor to utilize an SE that was originally listed at bid opening or proposal submission to satisfy SBEDA Program goals in order to be awarded this Contract, or failing to allow such SE to perform a Commercially Useful Function; or
- (B) Modification or elimination by Contractor of all or a portion of the scope of work attributable to an SE upon which the Contract was awarded; or
- (C) Termination by Contractor of an SE originally utilized as a Subcontractor, Joint Venturer, Supplier, Manufacturer or Broker in order to be awarded the Contract without replacing such SE with another SE performing the same Commercially Useful Function and dollar amount, or without demonstrating each element of Modified Good Faith Efforts to do so; or
- (D) Participation by Contractor in a Conduit relationship with an SE scheduled to perform work that is the subject of this Contract.

11.4 Remedies for Violation of SBEDA Program. The Parties further agree that in addition to any other remedies the City may have at law or in equity, or under this Contract for material breach, including the specified remedies available under the SBEDA Program for Alternative Construction Delivery Method, the City shall be entitled, at its election, to exercise any one or more of the following remedies if the Contractor materially breaches the requirements of the SBEDA Program:

- (A) Terminate this Contract for default;
- (B) Suspend this Contract for default;
- (C) Withhold all payments due to the Contractor under this Contract until such violation has been fully cured or the Parties have reached a mutually agreeable resolution; and/or
- (D) Offset any amounts necessary to cure any material breach of the requirements of the SBEDA Program from any retainage being held by the City pursuant to the Contract, or from any other amounts due to the Contractor under the Contract.

- (E) Suspension, Revocation or Modification of SE Certification: The SBEDA Program Office may suspend or revoke an offending SE's eligibility for Certification, and may suspend its participation from counting toward a project goal, based upon such SE's acting as a Conduit, failing to comply with the provisions of the SBEDA Program, failing to perform a Commercially Useful Function on a project, failing to submit information as required by the SBEDA Program Office, submitting false, misleading or materially incomplete statements, documentation or records, or failing to cooperate in investigations. The SBEDA Program Office may further modify the list of areas for which an SE is certified, if the SE is routinely failing to submit bids or proposals for work in a particular area, or if it becomes apparent that the SE is not qualified to perform work in a particular area.
- 11.5 The Parties agree that nothing in the SBEDA Program or that any action or inaction by the SBEDA Program Office or the SBEDA Program Manager shall be deemed a representation or certification that an SE is qualified to perform work in a particular area for the purposes of this Contract.
- 11.6 The remedies set forth herein shall be deemed cumulative and not exclusive and may be exercised successively or concurrently, in addition to any other available remedy.
- 11.7 City Process For Exercising SBEDA Program Remedies. The SBEDA Program Manager shall make all decisions regarding the suspension or revocation of an SE's certification as well as the duration of such suspension or revocation. The SBEDA Program Manager shall make a recommendation to the Managing Department Director regarding appropriate remedies for the City to exercise in the event a Contractor violates the SBEDA Program. The Managing Department Director shall make a recommendation regarding appropriate remedies to the City Manager or designee, who shall have final approval regarding the remedy to be exercised except for termination of the Contract. If the recommended remedy is to terminate the Contract, then the Managing Department Director or City Manager, or her designee, shall bring forward the recommendation to City Council for final determination.
- 11.8 Special Provisions for Extension of Contracts. In the event the City extends this Contract without a competitive Bid or Proposal process, the City Managing Department responsible for monitoring the Contract shall establish the following, subject to review and approval by the SBEDA Program Manager:
- (A) a SBEDA Utilization Goal for the extended period; and
 - (B) a modified version of the Good Faith Efforts ("Modified Good Faith Efforts Plan") set forth in the SBEDA Program Ordinance, as amended, if Contractor does not meet the SBEDA Utilization Goal; and
 - (C) the required minimum Good Faith Efforts outreach attempts that Contractor shall be required to document in attempting to meet the SBEDA Utilization Goal. The SBEDA Utilization Goal, Modified Good Faith Efforts Plan and the required number of minimum Good Faith Efforts outreach attempts shall be added into the Contract extension document. The Contractor entering into the extension shall either meet the SBEDA Utilization Goal or document that it has made the Good Faith Efforts to meet the SBEDA Utilization Goal. Failure to do so shall:
 - (i) subject Contractor to any of the remedies listed above; and/or
 - (ii) result in a new bid or proposal request of the Contract that was considered for extension.

XII. APPLICABLE LAWS
