HISTORY:

The land on which the house sits was out of the south ½ of the Charles F. King Headright #15 that began at the intersection of Salado Creek and the north line of the Old Seguin Road. In 1845, 360 acres were auctioned off by Sheriff George Thomas Howard and sold to David G. Hill for \$110.00. Fred and Rosina Ackerman purchased the acreage on Salado Creek in May 1873 from Sarah Ann Hill, wife of David G. Hill, for \$5,500 in gold, (BCDR Vol. 1, p.112, 1873 and BCDR Vol. C2, p.118, 1845). The amount of the sale seems to imply that the house may have been on the property by this date; however, the date painted on the interior wooden lintel (if original) places the construction as 1874, thus suggesting that it was probably built by the Ackerman's.

In 1897, Fred and Rosina Ackerman both gifted and sold portions of this property as well as other property to their children. Stipulations of the gifted property were that a portion of the land was to include a cemetery, acreage for a school and a church. An additional stipulation required that all the children continue in the Lutheran religion or they would lose their rights and benefits to the property. (BCDR Vol. 164 p224+ 1897) Ben

Ackerman's siblings subsequently sold their shares in the land to him. In 1945, White purchased 90.97 acres of the land from Ben and Emma Ackerman (BCDR Vol. 2121, p.267).

As noted above, the complex was later the residence of former S.A. Mayor Arthur C. "Jack" White. Mayor White served as Mayor of the City of San Antonio from 1949-1952 and again in 1953-54. Jack White was born on a cotton farm near Weatherford, Texas and orphaned at age 6. He worked his way from a bellboy in a 35 room hotel in Mineral Wells to a manager at the age of 17. When the old Westbrook hotel opened in Ft. Worth, he moved there as a room clerk. He moved to San Antonio in 1913 and clerked at night at the Gunter Hotel and studied music during the days. Later he became assistant manager and after serving in World War I as a captain, he opened the Robert E. Lee hotel as manager. He eventually became the owner of a string of Texas hotels, including the White Plaza Hotel in San Antonio as well as other associated enterprises. With Conrad Hilton, he built and operated the Hilton Hotel in Dallas. Later he became associated with the Smith brothers in the building of the Tower Life Building. He was an early crusader for the beautification of the downtown section of the San Antonio River and became chairman of the river improvement district that finally accomplished the project. He organized the San Antonio Beautification Committee who hired Hugman and Arneson to prepare drawings for WPA funding.

During his years as mayor, White divided his time between his penthouse in the White Plaza Hotel and his 90-acre farm on Seguin Road. He retained his interest in music, even singing in his tenor voice during his political heyday. He cut a record of "Irish Heart" for the Cardinals in 1951.

Jack White died in August 1961 at the age of 70 years. In July 1961, shortly before his death, Jack White sold the property to his former wife, Ruth Barrett White. As of 2007, 59.60 acres of the 90.97 acre tract is owned by the City of San Antonio and managed by the City Park Service as a park police substation.

Zoning Case Z2008235

SUMMARY:

From "I-2" Heavy Industrial District to "HE I-2" Historic Exceptional, Heavy Industrial District.

BACKGROUND INFORMATION:

Zoning Commission Meeting Date: September 2, 2008

Applicant: City of San Antonio Historic Preservation Office

Owner: City of San Antonio

Property Location: 3803 Old Seguin Road

53.887 acres out of NCB 10568

On the west side of Seguin Road, between Binz-Engleman to the north and Shipman to the southwest

Proposal: To designate Historic Exceptional

Neighborhood Association: None

Neighborhood Plan: None

TIA Statement: A Traffic Impact Analysis is not required.

ISSUE:

Between 2003 and 2007, the San Antonio Conservation Society (SACS) and the City Historic Preservation Division surveyed and researched 19th century vernacular properties that qualify as Historic Texas Farm and Ranch Complexes. Of the 86 total properties found, only seventeen 19th century (1800-1899) vernacular farm and ranch complexes have been identified within the current city limits of San Antonio. These

extremely rare resources represent **the last remaining visual vestiges** of the earliest settlement of the city and county. Each year more and more of these precious resources are lost to development, vandalism, and deterioration. Landmark designation will help to preserve and protect these resources for future generations.

A historic context for these properties was approved by the State Board of Review for the National Register of Historic Places, as well as three individual property applications. **The seventeen properties located within the city limits meet the criteria for landmark designation at the highest levels.** They are significant due to their age, their association with the founding families of the city and their architectural significance. Landmark designation to protect them is important.

ALTERNATIVES:

Should the City Council deny this request, the base zoning district would remain in place and the historic district overlay would not be applied.

FISCAL IMPACT:

The applicant is the City of San Antonio. No rezoning fees are required.

RECOMMENDATION:

Staff and Zoning Commission (7-0) recommend approval.

The subject property is occupied by a 3,320 square foot structure, which is currently being used as a Park Police substation. The property is surrounded by I-2 zoning. The surrounding land uses consist of undeveloped land and a hotel to the east; apartments and undeveloped land to the north; Fort Sam Houston to the west and undeveloped land and industrial uses to the south.

The Historic Preservation Office recommends a finding of Historic Significance based on the evaluation criteria in Section 35-607 for the Designation of Historic Districts and Landmarks. On June 4, 2008, the Historic and Design Review Commission concurred with Historic Division Staff and is also recommending approval of a finding of Historic Significance. Seeing that there is no proposed change to the land use of the subject property, staff recommends approval.

Pursuant to Texas Local Government Code §§ 211.001 and 211.003, historic districts and landmark designations are adopted in order to protect and preserve places and areas of historical, cultural, or architectural importance and significance. Historic districts and Landmark designation preserve and enhance the city's historic resources pursuant to Goal 2 of the Urban Design Element of the Master Plan.
