IV. PAYMENT

- 4.1 Contractor agrees that this is a cost reimbursement contract and that the City's liability hereunder is limited to making reimbursements for allowable costs incurred as a direct result of City-funded services provided by the Contractor in accordance with the terms of this Contract. Allowable costs are defined as those costs which are necessary, reasonable and allowable under applicable Federal, State, and local law, including but not limited to those laws referenced in Section XII hereof, for the proper administration and performance of the services to be provided under an agreement. All requested reimbursed costs must be consistent with the terms and provisions of the approved budgeted line items described in Attachment II of this Contract. In no event shall the City be liable for any cost of Contractor not eligible for reimbursement as defined within the Contract.
- 4.2 If specific circumstances require an advance payment on this Contract, Contractor must submit to the Director of the Managing City Department a written request for such advance payment, including the specific reason for such request. The Director of the Managing City Department may, in his sole discretion, approve an advance payment on this Contract. It is understood and agreed by the parties hereto that (a) each request requires submission to the Director of the Managing City Department no less than ten (10) business days prior to the actual ostensible cash need; (b) each request will be considered by the Director of the Managing City Department on a case-by-case basis, and (c) the decision by the Director of the Managing City Department whether or not to approve an advance payment is final. For purposes of this Contract, the term, "business day" shall mean every day of the week except all Saturdays, Sundays and those scheduled holidays officially adopted and approved by the San Antonio City Council for City of San Antonio employees. In those instances in which advance payments are authorized:

 - (B) The Contractor must deposit City funds in an account in a bank insured with the Federal Deposit Insurance Corporation (FDIC). A written copy of the collateral agreement must be obtained by Contractor from the Contractor's banking institution, maintained on file and be available for City monitoring reviews and audits. Advanced funds that cause the Contractor's account balance to exceed \$100,000.00 shall be deposited in a manner consistent with the Public Funds Investment Act (Chapter 2256 of the Texas Government Code) as amended.

- 4.6 Contractor agrees that the City shall not be obligated to any third parties (including any subcontractors or third party beneficiaries of the Contractor).

- 4.7 Contractor agrees that administrative overhead costs may not exceed twenty percent (20%) of the funding provided by this Contract.
- 4.8 Contractor shall maintain a financial management system, and acceptable accounting records that provide for:
- (A) accurate, current, and complete disclosure of financial support from each Federal, State and locally sponsored project and program in accordance with the reporting requirements set forth in Article VIII. of this Contract. If accrual basis reports are required, the Contractor shall develop accrual data for its reports based on an analysis of the documentation available;
 - (B) identification of the source and application of funds for City-sponsored activities. Such records shall contain information pertaining to City awards, authorizations, obligations, un-obligated balances, assets, equity, outlays, and income;

The Contractor shall adequately safeguard all such assets and shall ensure that they are used solely for authorized purposes. Contractor shall maintain an accounting system that can separate funds by funding source and project;
 - (D) comparison of actual outlays with budget amounts for each award. Whenever appropriate or required by the City, financial information should be related to performance and unit cost data;
 - (E) procedures to minimize the time elapsing between the transfer of funds from the City and the disbursement of said funds by the Contractor;
 - (F) procedures for determining reasonable, allowable, and allocable costs in accordance with the provisions of any and all applicable cost principles, including but not limited to the cost principles referenced in Section XII hereof, and the terms of the award, grant, or contract, with the City;

A Receipts and Disbursements Ledger must be maintained. A general ledger with an Income and Expense Account for each budgeted line item is necessary. Paid invoices revealing check number, date paid and evidence of goods or services received are to be filed according to the expense account to which they were charged.
- 4.9 Contractor agrees that Contractor costs or earnings claimed under this Contract will not be claimed under another contract or grant from another agency.

The Cost Allocation Plan and supportive documentation shall be included in the financial statements that are applicable to the Contractor's Project. The Cost Allocation Plan is a plan that identifies and distributes the cost of services provided by staff and/or departments or functions. It is the means to substantiate and support how the costs of a program are charged to a particular cost category or to the program.
- 4.11 Upon completion or termination of this Contract, or at any time during the term of this Contract, all unused funds, rebates, or credits on-hand or collected thereafter relating to the Project/Projects, must immediately, upon receipt, be returned by Contractor to the City.

- 5.2 In any case where Contractor is required to return program income to the Managing City Department, Contractor must return such program income to City within the timeframe that may be specified by the Director of the Managing City Department. If the Director of the Managing City Department grants Contractor authority to retain program income, Contractor must submit all reports required by the Managing City Department within the timeframe specified in the Contract.

XI. SMALL, MINORITY OR WOMAN OWNED BUSINESS ADVOCACY POLICY

11.1 SBEDA Program. The City has adopted a Small Business Economic Development Advocacy Ordinance (the "SBEDA Program"), which is posted on the City's Economic Development Department website and is also available in hard copy form upon request to the City. In addition to the definitions provided in the SBEDA Program, the following definitions will apply pursuant to SBEDA Program requirements and this Contract:

- (A) SBEDA Enterprise ("SE") – A corporation, limited liability company, partnership, individual, sole proprietorship, joint stock company, joint venture, professional association or any other legal entity operated for profit that is properly licensed, as applicable, and otherwise authorized to do business in the state of Texas and certified pursuant to SBEDA Program requirements.
- (B) Commercially Useful Function – A function performed by an SE when it is responsible for supplying goods or for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing and supervising the work involved. To determine whether an SE is performing a Commercially Useful Function, the amount of work subcontracted, industry practices and other relevant factors shall be evaluated. Commercially Useful Function is measured for purposes of determining participation on a contract, not for determination of certification eligibility.
- (C) Conduit – An SE that knowingly agrees to pass the scope of work for which it is listed for participation, and is scheduled to perform or supply on the contract, to a non-SE firm. In this type of

relationship, the SE has not performed a Commercially Useful Function and the arranged agreement between the two parties is not consistent with standard industry practice. This arrangement does not meet the Commercially Useful Function requirement and therefore the SE's participation does not count toward the SE utilization goal.

- (D) SBEDA Plan – The Good Faith Effort Plan (“GFEP”), SBEDA Narrative, List of Subcontractors/Suppliers and executed Letters of Intent (all as applicable) that are submitted with Contractor’s bid for this project Contract, attached hereto and incorporated herein as “Attachment VI”.

11.2 For this Contract, the Parties agree that:

- (A) The terms of the City’s SBEDA Ordinance, as amended, together with all requirements and guidelines established under or pursuant to the Ordinance (collectively, the “SBEDA Program”) are incorporated into this Contract by reference; and
- (B) The failure of Contractor or any applicable SE to comply with any provision of the SBEDA Program shall constitute a material breach of the SBEDA Program and this Contract.
- (C) Failure of Contractor or any applicable SE to provide any documentation or written submissions required by the CITY Managing Department or SBEDA Program Office pursuant to the SBEDA Program, within the time period set forth by the SBEDA Program Office, shall constitute a material breach of the SBEDA Program and this Contract.
- (D) During the term of this Contract, and any renewals thereof, any unjustified failure to utilize good faith efforts to meet, and maintain, the levels of SE participation identified in Contractor’s SBEDA Plan (“Attachment VI”) shall constitute a material breach of the SBEDA Program and this Contract.
- (E) Contractor shall pay all suppliers and subcontractors identified in its SBEDA Plan (“Attachment VI”) in a timely manner for satisfactory work, pursuant to and as outlined in Section VII, Paragraph F(2)(e) of the SBEDA Ordinance, as amended. Documentation of all billing and payment information applicable to SBEDA Plan suppliers and subcontractors shall be submitted by Contractor to the City’s Managing Department. Failure to pay SEs in a timely manner or submit the required billing and payment documentation shall constitute a material breach of this Contract.

11.3 The Parties also agree that the following shall constitute a material breach of the SBEDA Program and this Contract:

- (A) Failure of Contractor to utilize an SE that was originally listed at bid opening or proposal submission to satisfy SBEDA Program goals in order to be awarded this Contract, or failing to allow such SE to perform a Commercially Useful Function; or
- (B) Modification or elimination by Contractor of all or a portion of the scope of work attributable to an SE upon which the Contract was awarded; or
- (C) Termination by Contractor of an SE originally utilized as a Subcontractor, Joint Venturer, Supplier, Manufacturer or Broker in order to be awarded the Contract without replacing such SE with another SE performing the same Commercially Useful Function and dollar amount, or without demonstrating each element of Modified Good Faith Efforts to do so; or
- (D) Participation by Contractor in a Conduit relationship with an SE scheduled to perform work that is the subject of this Contract.

11.4 Remedies for Violation of SBEDA Program. The Parties further agree that in addition to any other remedies the City may have at law or in equity, or under this Contract for material breach, including the specified remedies available under the SBEDA Program for Alternative Construction Delivery Method, the

City shall be entitled, at its election, to exercise any one or more of the following remedies if the Contractor materially breaches the requirements of the SBEDA Program:

- (A) Terminate this Contract for default;
- (B) Suspend this Contract for default;
- (C) Withhold all payments due to the Contractor under this Contract until such violation has been fully cured or the Parties have reached a mutually agreeable resolution; and/or
- (D) Offset any amounts necessary to cure any material breach of the requirements of the SBEDA Program from any retainage being held by the City pursuant to the Contract, or from any other amounts due to the Contractor under the Contract.
- (E) Suspension, Revocation or Modification of SE Certification: The SBEDA Program Office may suspend or revoke an offending SE's eligibility for Certification, and may suspend its participation from counting toward a project goal, based upon such SE's acting as a Conduit, failing to comply with the provisions of the SBEDA Program, failing to perform a Commercially Useful Function on a project, failing to submit information as required by the SBEDA Program Office, submitting false, misleading or materially incomplete statements, documentation or records, or failing to cooperate in investigations. The SBEDA Program Office may further modify the list of areas for which an SE is certified, if the SE is routinely failing to submit bids or proposals for work in a particular area, or if it becomes apparent that the SE is not qualified to perform work in a particular area.

11.5 The Parties agree that nothing in the SBEDA Program or that any action or inaction by the SBEDA Program Office or the SBEDA Program Manager shall be deemed a representation or certification that an SE is qualified to perform work in a particular area for the purposes of this Contract.

11.6 **The remedies set forth herein shall be deemed cumulative and not exclusive and may be exercised successively or concurrently, in addition to any other available remedy.**

11.7 City Process For Exercising SBEDA Program Remedies. The SBEDA Program Manager shall make all decisions regarding the suspension or revocation of an SE's certification as well as the duration of such suspension or revocation. The SBEDA Program Manager shall make a recommendation to the Managing Department Director regarding appropriate remedies for the City to exercise in the event a Contractor violates the SBEDA Program. The Managing Department Director shall make a recommendation regarding appropriate remedies to the City Manager or designee, who shall have final approval regarding the remedy to be exercised except for termination of the Contract. If the recommended remedy is to terminate the Contract, then the Managing Department Director or City Manager, or her designee, shall bring forward the recommendation to City Council for final determination.

11.8 Special Provisions for Extension of Contracts. In the event the City extends this Contract without a competitive Bid or Proposal process, the City Managing Department responsible for monitoring the Contract shall establish the following, subject to review and approval by the SBEDA Program Manager:

- (A) a SBEDA Utilization Goal for the extended period; and
- (B) a modified version of the Good Faith Efforts ("Modified Good Faith Efforts Plan") set forth in the SBEDA Program Ordinance, as amended, if Contractor does not meet the SBEDA Utilization Goal; and
- (C) the required minimum Good Faith Efforts outreach attempts that Contractor shall be required to document in attempting to meet the SBEDA Utilization Goal. The SBEDA Utilization Goal, Modified Good Faith Efforts Plan and the required number of minimum Good Faith Efforts outreach attempts shall be added into the Contract extension document. The Contractor entering into the extension shall

either meet the SBEDA Utilization Goal or document that it has made the Good Faith Efforts to meet the SBEDA Utilization Goal. Failure to do so shall:

- (i) subject Contractor to any of the remedies listed above; and/or
- (ii) result in a new bid or proposal request of the Contract that was considered for extension.
