Words used in this Agreement in the present tense include the future as well as the present. Words used in the masculine gender include the feminine and neuter. The singular number includes the plural and the plural includes the singular. The word “person” means a business or corporation as well as a natural person.

“Gross Receipts” shall mean and include all monies paid or payable to Concessionaire, whether for cash, credit or otherwise, for sales made and services rendered at or from the Terminal or Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or Airport and other revenues of any type arising out of or in connection with Concessionaire’s operations at the Terminal or Airport, including, without limitation: mail, catalogue, closed circuit television, computer, other electronic or telephone orders; all deposits not refunded to or otherwise forfeited by customers; orders taken, although said orders may be filled elsewhere; the entire amount of the actual sales price and all other receipts for sales and services rendered; all insurance proceeds received due to loss of gross earnings paid under Concessionaire’s business interruption insurance policy because of business interruptions; retail display allowances or other promotional incentives received from vendors and suppliers, etc.; and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A “sale” shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. “**Public Areas**” shall mean, to the extent provided by City, all improved interior and exterior areas within the Terminal which are not devoted to the exclusive use by any specific tenant or user in the Terminal including, without limitation, pedestrian walkways, landscaped areas, community rooms, elevators, stairs and ramps, public restrooms, service areas, service and fire exit corridors, passageways and parking facilities.

“**Rental Commencement Date**” shall mean the first day of the month on which the Concessionaire is under obligation to pay rent.

“**Rents**” and “**Rentals**” shall mean the amounts payable by Concessionaire to City including Guaranteed Rent, Percentage Rent, and Additional Rent.

ARTICLE II. PREMISES, GRANT AND TERM

Section 2.01 PREMISES. The Premises contain approximately 1,752 square feet of space, generally known as Suite 107, as shown on **Exhibit A2**.

Section 2.02 CONDITIONS OF GRANT. The City has the right to make any modifications to the Airport. Concessionaire acknowledges that the City may change the shape, size, location, number and extent of the improvements generally shown on **Exhibits A1 and A2** and eliminate or add any improvements to any portion of the Terminal and the Airport at any time without Concessionaire's consent. The City shall have the right to locate, install, maintain, use, repair and replace pipes, utility lines, conduits, ducts, flues, refrigerant lines, drains, sprinkler mains and valves, wires and wiring and structural elements leading through the Premises serving the Premises or any other parts of the Terminal.

Section 2.03 COMMENCEMENT AND ENDING DATE OF TERM. The Term shall commence upon execution of this Agreement by City. The Term hereof shall end at the end of the fifth Lease Year, unless sooner terminated in accordance with this Agreement. Unless otherwise approved in writing by the Director, Concessionaire shall open the Premises for business to the public (with all required improvements substantially completed and the Premises fully fixtured, stocked with high quality merchandise and products and staffed, with Concessionaire prepared to engage in selling high quality merchandise and products and/or services as permitted hereunder) in accordance with the schedule set forth in **Exhibit B**. The term may be extended by up to two years upon written agreement of Concessionaire and City, acting through the Aviation Director. Concessionaire may terminate this Agreement without cause after one year of term commencement by providing no less than 6 months' advance written notice to City of the intended termination date.

Section 2.04 HOLDING OVER. Any holding over after expiration of the Term with the consent of the Director shall be construed to be a tenancy from month to month pursuant to the terms hereof at one-twelfth (1/12th) of the Guaranteed Rent required to be paid by Concessionaire (as established for a Lease Year under Section 3.01(b) hereof, together with Percentage Rent and an amount estimated by the City for the monthly Additional Rent payable pursuant hereto, and shall be on the same terms and conditions as herein specified so far as applicable. Without City waiving any rights, any other holding over shall be construed to be a tenancy from month to month pursuant to the terms hereof at one-twelfth (1/12th) of an amount equal to one hundred fifty percent (150%) the Guaranteed Rent that would otherwise be required, together with Percentage

Rent, and an amount estimated by the City for the monthly Additional Rent payable pursuant hereto, and shall be on the same terms and conditions as herein specified so far as applicable. In the event of such hostile holdover, City shall be entitled to reenter the Premises at any time in order to retake possession of the same. Concessionaire shall indemnify, defend and hold harmless the City from and against any and all loss, claims, demands, liabilities, damages (including, without limitation, consequential damages), costs and/or expenses (including, without limitation, attorneys' fees and expenses) resulting from any failure by Concessionaire to surrender the Premises in the manner and condition required by this Agreement upon the expiration of the Term or earlier termination of this Agreement, including, without limitation, any claims made by any proposed new concessionaire founded upon such failure.

Section 2.05 LATE OPENING. Except as otherwise provided in Section 26.04, if Concessionaire fails to open the Premises for business within 90 days of execution of this Agreement by City or such other date as may be approved in writing by City, then the parties agree that it is and will be impracticable to determine the actual damages suffered by the City. The parties have agreed that in order to compensate the City for its loss, Concessionaire shall pay the MAG for the Premises if the Premises fail to open within ninety (90) days of execution of this Agreement by City until such time as the location opens. The MAG shall be prorated in an equitable manner so as to only apply on a per day basis. This remedy shall be in addition to any other remedies available to the City in the event of such failure to open by Concessionaire.

ARTICLE III. RENTAL

From and after the Rental Commencement Date, Concessionaire shall pay to the City the greater of Minimum Annual Guaranteed Rent or Percentage Rent. Concessionaire's obligation to pay Guaranteed Rent and Percentage Rent shall commence upon store opening from the Premises. Any occupancy of the Premises by Concessionaire following the Commencement Date and prior to the beginning of the first Lease Year shall be subject to all terms and conditions hereof, including payment of Rents.

Section 3.01 MINIMUM ANNUAL GUARANTEED RENT ("MAG")

(a) From and after the beginning of the first Lease Year and subject to all applicable provisions of

this Agreement, Concessionaire shall pay to the City Guaranteed Rent in the total annual amount of \$1,440.00. Concessionaire shall pay Guaranteed Rent in equal consecutive monthly installments in advance on or before the first day of each month, without prior demand or notice. Should any Lease Year contain less than 12 calendar months, Guaranteed Rent shall be prorated in a manner determined by Director in accordance with customary business practices.

(b) The MAG for the second Lease Year and each succeeding Lease Year shall be calculated by multiplying 85% by the total amount of concession fees (consisting of MAG and Percentage Rent) due from Operator to the City in the immediately preceding twelve-month period and be provided to Concessionaire within 30 days of the beginning of the succeeding Lease Year. For example, assuming that the Lease Year begins in January, in order to provide the MAG to the Concessionaire in December, the MAG would be based on the Rents due, excluding Additional Rents, for the sales during the prior twelve month period between November 1 through October 31. In no event, however, shall the MAG for any Lease Year be less than the first Lease Year.

Section 3.02 PERCENTAGE RENT.

(a) In addition to Guaranteed Rent and other charges set forth herein, Concessionaire shall pay to the City, for each month of the Term, Percentage Rent for those months in which the year-to-date Percentage Rent exceeds the year-to-date MAG. The Percentage Rent shall be equal to the product of the Percentage Rent Rate, by category, times Concessionaire's year-to-date Gross Receipts (as defined below) minus the year-to-date MAG amount minus the percentage rent accrued through the previous reporting period [*Percentage Rent = (Percentage Rent Rate x year-to-date Gross Receipts) minus the year-to-date MAG minus percentage rent accrued through previous reporting period*]. Concessionaire shall pay Percentage Rent, if any, to the City monthly without prior notice or demand within 15 days after the expiration of each calendar month. Percentage Rent shall apply at all times during the term of this Agreement.

Product Category	Percentage Fee Rate
All Sales	5%

(b) If, at the end of any Lease Year, the total amount of monthly installments of MAG and Percentage Rent paid for such Lease Year are less than the total amount of annual MAG and

Percentage Rent required to be paid for such Lease Year, Concessionaire shall pay the amount of such deficiency on or before the time Concessionaire provides "Concessionaire's Annual Statement". If, at the end of any Lease Year, the total amount of monthly installments of MAG and Percentage Rent paid based on Gross Receipts for such Lease Year exceeds the total amount of annual MAG and Percentage Rent required to be paid for such Lease Year, as indicated in Concessionaire's Annual Statement, Concessionaire shall receive a credit equivalent to such excess, which shall be credited by the City to the next monthly payment(s) of Percentage Rent and/or MAG due from Concessionaire to the City hereunder. If at the end of the final Lease Year the total amount of Percentage Rent paid by Concessionaire exceeds the total amount of annual Percentage Rent required to be paid by Concessionaire for such final Lease Year (calculated in the same manner provided hereinabove for non-final Lease Years), such excess shall be refunded to Concessionaire within 60 days after Concessionaire has vacated the Premises at the conclusion of this Agreement and the Premises are in the condition required by this Agreement, and any other sums due the City from Concessionaire under this Agreement have been paid in full or the City shall be entitled to deduct such remaining sums due from any such excess.

Section 3.03 MISCELLANEOUS CHARGES. The following charges shall be collectively referred to as "Miscellaneous Charges":

(a) Identification Security Badges. If City implements a security badge program for all persons employed at the Airport, then Concessionaire and its employees shall be required to obtain identification security badges from the City and Concessionaire shall pay badge fees as established by City pursuant to Ordinance.

(b) Maintenance and Repairs Performed by the City. If the City is required to perform any emergency and other routine maintenance and repairs to the Premises as provided in Section 11.03, the cost of all labor and materials required to complete the work will be paid by Concessionaire to the City within ten (10) days following written demand from the Director for said reimbursement payment at the City's standard rates then in effect plus any overhead which may be reasonably determined by the Director. Such charges shall be evidenced by an invoice from the City and shall be promptly paid to the City, with payment directly at the office of the Aviation Director at the

Airport at such intervals as shall be demanded by the City from time to time.

Section 3.04 OTHER CONTRACTUAL CHARGES . Concessionaire shall pay the following charges (collectively “contractual charges”) for violation of various lease requirements set out in the referenced sections below. Acceptance of payment for contractual charges shall not constitute a waiver by City to pursue other contractual or legal remedies:

Section	Violation	Amount for fee
4.02(c)	Late Monthly Statements	\$25.00 per month.
4.02(d)	Late Annual Report	\$25.00 per month until submitted
8.02 (m)	Failure to comply with a law or regulation, licenses pertaining to cleanliness, safety, occupancy, operation and use of premises, etc.	Up to \$25.00 per day until compliant.

Section 3.05 PAYMENTS.

All Rents, fees, and charges shall be paid by Concessionaire by check payable to the City of San Antonio, which shall be delivered or mailed, postage prepaid to the address in this section or to such other address as may be designated in writing by Director.

City of San Antonio
Aviation Department c/o Accounting Division
457 Saudau Rd.
San Antonio, Texas 78216

Section 3.06 TIME OF PAYMENT. The following sets forth the time of Concessionaire payments of rents, fees, and charges to City which shall all be paid without deduction or set off.

(a) Guaranteed Rent shall be due and payable, without deduction or setoff, in monthly installments in advance on or before the first day of each month.

(b) Percentage Rent for each month of operations shall be due and payable without deduction or

setoff by the fifteenth (15th) day of the month for the prior month.

(c) All other charges shall be paid by Concessionaire within ten (10) days of transmittal of an invoice or other writing by City or in conformance with procedures established by Director.

Section 3.07 LATE PAYMENT CHARGE. If any Rentals, charges, or fees required to be paid to the City hereunder are not made when such Rentals, charges and fees are due, including amounts identified as a result of any audit findings, are delinquent for a period of thirty (30) days or more from the date when such payment is due to City, Concessionaire shall pay City late fees thereon, from the date such Rents, fees, or charges became payable to the date of payment at the rate of one and one-half percent (1.5%) per month; provided, however, that if the maximum rate then provided by law is less than one and one-half percent (1.5%) per month, then the rate shall be such maximum legal rate. City may, but is not obligated to, provide Concessionaire with a written reminder when invoiced rents, fees, or charges have not been received within thirty (30) days of the due date. The parties hereto agree that such late payment charge represents a fair estimate of expenses the City will incur by reason of any such late payment. The City's acceptance of partial payments or late payment charges shall not constitute a waiver of Concessionaire's default with respect to Concessionaire's nonpayment nor prevent the City from exercising all other rights and remedies available to the City under this Agreement or at law.

Section 3.08 CONCESSIONAIRE'S PAYMENT OBLIGATIONS. The City may apply any payments received from Concessionaire to any Rentals which are then due. If the City shall not make any specific application of a payment received from Concessionaire, then any such payment received shall be applied first to the Rentals which have been overdue for the longest period of time. No designation of any payment by Concessionaire for application to a specific portion of Concessionaire's financial obligations hereunder shall be binding unless otherwise required under the Texas law. Concessionaire covenants to pay all Rentals hereunder independent of any obligation of the City. No breach of this Agreement by the City shall relieve Concessionaire of its obligation and duty to pay all such Rentals when due under the terms hereof. Except as otherwise specifically set forth herein, all Rentals shall be paid by Concessionaire to the City without set-off, deduction, demand, notice or abatement. All payments received by the City shall be credited and

be deemed to be on account of the Rental and other charges first then due. No statements or endorsements on any check or any letter accompanying any check or payment of Rental or other charges shall be deemed an accord and satisfaction of any debt or obligation of Concessionaire hereunder. The City reserves the right to accept any check or payment without prejudicing in any way the City's right to recover the balance of any and all Rental and other charges due from Concessionaire after receipt of any such check or payment or to pursue any other remedy provided herein or by law.

Section 3.09 PERFORMANCE GUARANTEE. Concessionaire shall deliver to the City and shall keep in force throughout the term of this Agreement either an irrevocable standby letter of credit in favor of City drawn upon a bank satisfactory to City or a surety bond payable to City. If a letter of credit is delivered it shall be in the exact form as set forth in **Exhibit C** to this Agreement. If a bond shall be delivered, it shall be issued by a sound indemnity company authorized to do business in Texas. The amount of the irrevocable letter of credit or surety bond to be delivered by Concessionaire to the Director on or before the effective date of the Agreement and shall be in an amount not less than fifty percent (50%) of the minimum annual guarantee for the first Lease Year. For each subsequent Lease Year, the amount of the performance guarantee shall be adjusted so that it all times equals not less than fifty percent (50%) of the MAG then in effect. The City shall retain said performance guarantee for the benefit of the City throughout the Term of this Agreement as security for the faithful performance by Concessionaire of all of the terms, covenants and conditions of this Agreement. If Concessionaire defaults with respect to any provision of this Agreement, including but not limited to the provisions relating to the payment of Rentals, the City may use, apply or retain all or any part of the performance guarantee for the payment of any Rentals or any other sum in default, or for the payment of any loss or damage which the City may suffer by reason of Concessionaire's default, or to compensate the City for any other amount which the City may spend or become obligated to spend by reason of Concessionaire's default. In no event, except as specifically hereinafter provided, shall the City be obliged to apply the same to Rentals or other charges in arrears or to damages for Concessionaire's failure to perform said covenants, conditions and agreements; however, the City may so apply the performance guarantee, at its option. The City's right to bring a special proceeding to recover or otherwise to obtain possession of the Premises before or after the

City's declaration of the termination of this Agreement for non-payment of Rentals or for any other reason shall not in any event be affected by reason of the fact that the City holds the performance guarantee. In the event that the City regains possession of the Premises, whether by special proceeding, reentry or otherwise, because of Concessionaire's default or failure to carry out the covenants, conditions and agreements of this Agreement, the City may apply such performance guarantee to all damages suffered through the date of said repossession and may retain the performance guarantee to apply to such damages as may be suffered or shall accrue thereafter by reason of Concessionaire's default or breach. In the event any bankruptcy, insolvency, reorganization or other creditor-debtor proceedings shall be instituted by or against Concessionaire, or its successors or assigns, or any guarantor of Concessionaire hereunder, such performance guarantee shall be deemed to be applied first to the payment of any Rentals and/or other charges due the City for all periods prior to the institution of such proceedings, and the balance, if any, of such performance guarantee may be retained by the City in partial liquidation of the City's damages. In the event the City applies the performance guarantee in whole or in part, Concessionaire shall, within 10 days after written demand by the City, deposit sufficient funds by delivering an amendment to the existing clean irrevocable standby letter of credit or delivering a new clean irrevocable standby letter of credit to maintain the performance guarantee in the initial amount. Failure of Concessionaire to supply such additional funds shall entitle the City to avail itself of the remedies provided in this Agreement for non-payment of Rentals by Concessionaire. If Concessionaire fully and faithfully performs every provision of this Agreement to be performed by it, the performance guarantee or any balance thereof, less any sums then due the City from Concessionaire under this Agreement, shall be returned to Concessionaire (or, at the City's option to the last assignee of Concessionaire's interest thereunder) within 30 days following the later of the expiration of the Term of this Agreement, the earlier termination thereof or Concessionaire's vacating and surrendering possession of the Premises to the City.

ARTICLE IV. RECORDS AND SALES REPORTS

Section 4.01 CONCESSIONAIRE'S RECORDS. (a) Concessionaire shall keep and maintain full and accurate books and source documents of the Gross Receipts, whether for cash, credit or otherwise, of Concessionaire's business at any time operated within the Premises and any

operations conducted pursuant to this Agreement (collectively, "Records"). The Records to be kept by Concessionaire at its principal business office in the United States shall include, without limitation, true copies of all federal, state and local sales and use tax returns and reports, daily receipts from all sales (including those from mail, electronic or telephone orders), duplicate bank deposit slips, invoices, journals, ledgers and other pertinent original sales records and records of any other transactions conducted in or from the Premises. Pertinent original sales records shall also include a point of sale system of record keeping and such other reasonable documentation which would normally be examined by an independent accountant pursuant to GAAP in performing an audit of Concessionaire's sales sufficient to provide determination and verification of Gross Receipts and the exclusions therefrom.

(b) Concessionaire's electronic cash control system must ensure tight cash control, have complete audit capability and include:

- i. the ability to record transactions by sequential control number which can be printed on audit tape(s) or other equivalent capability;

All Records maintained pursuant hereto shall at all reasonable times, during Concessionaire's normal business hours after 20 days prior written notice, be open to the inspection of, and may be copied or extracted from, in whole or in part, by, the City, or the City's designated management representatives or agents, including City's internal or external auditors.

Section 4.02 REPORTS BY CONCESSIONAIRE.

(a) Concessionaire shall deliver to the City:

- i. within 15 days after the expiration of each Lease Month, a written statement on a form reasonably satisfactory to the Director signed by an officer of Concessionaire, showing the Gross Receipts made from the Premises during such period including an itemization of any exclusions or deductions made to Gross Receipts and the amount of Percentage Rent paid, if any, and Additional Rent paid among other matters (“Monthly Statement”); and
- ii. within 90 days after the expiration of each Lease Year and after termination of this Agreement, a written statement on a form reasonably satisfactory to the Director signed by an officer of Concessionaire (“Annual Statement”) showing in reasonable detail the amount of Gross Receipts made by Concessionaire pursuant to this Agreement during the preceding Lease Year including an itemization of any exclusions or deductions made to Gross Receipts, the payments of Guaranteed Rent, Percentage Rent and other charges paid to City among other matters. Concessionaire shall certify in its Annual Statement that
 - 1) such statements have been prepared in accordance with the terms of this Agreement,
 - 2) that all revenues derived from Concessionaire’s activities hereunder which are required to be included in Gross Receipts have been so included, and
- iii. The Monthly Statements and Annual Statements prepared by Concessionaire shall also provide an analysis of operations, which shall include the following data:
 - 1) total Gross Receipts and, if requested, Concessionaire shall calculate such Gross Receipts per transaction;
 - 2) sales by general product category;
- iv. The Director may make reasonable changes to the form of the Monthly Statement or Annual Statement from time to time upon 30 days prior notice to Concessionaire.

(b) If Concessionaire fails to furnish City with the Monthly Statement required above, Concessionaire's monthly sales shall be determined by assuming that the total sales during the preceding month were one hundred fifty percent (150%) of gross sales for the highest month in the preceding 12-month period. Any necessary adjustment in such Percentage Rent shall be calculated after an accurate report is delivered to the Director by Concessionaire for the month in question, and resulting surpluses or deficits shall be applied to Concessionaire for the next succeeding month. An accounting fee of \$25.00 per late monthly statement will be charged to Concessionaire and shall be payable by Concessionaire for the additional services required by City pursuant to this paragraph. This remedy shall be in addition to other remedies provided herein or by law to the City.

(c) If Concessionaire fails to furnish to the Director an Annual Statement as required above, the Concessionaire shall pay within 10 days of written demand therefor by the City as a contractual charge of \$25.00 per month, or fraction thereof, until the Annual Statement is delivered to Director by Concessionaire. This remedy shall be in addition to other remedies provided herein or by law to the City.

ARTICLE V. AUDIT

Section 5.01 RIGHT TO EXAMINE BOOKS. Notwithstanding the acceptance by the City of payments of Rentals or installments thereof, the City shall have the right to audit all Rentals and other charges due hereunder. Concessionaire shall make available to the Director within thirty (30) days following the City's written request for the same at the Director's office in the Airport for the purpose of examination, extracting and/or copying all books, source documents, accounts, records and sales tax reports filed with applicable government agencies of Concessionaire and any subconcessionaires, licensees and/or assignees, if any, in order to verify the amount of Gross Receipts in and from the Premises and the amount of all Rentals.

Section 5.02 AUDIT. The City may at any time upon thirty (30) days' prior written notice to Concessionaire, cause a complete audit to be made by an auditor or accountant selected by the

City of the entire records and operations of Concessionaire and/or any subconcessionaires, licensees and/or assignees, if any, relating to the Premises for the period covered by any statement issued or required to be issued by Concessionaire as above set forth in Article IV. Concessionaire shall make available to the City's auditor at its office in the Airport within thirty (30) days following the City's written notice requiring such audit, all of the books, source documents, accounts, records and sales tax reports of Concessionaire which such auditor deems necessary or desirable for the purpose of making such audit. If the audit is conducted after the expiration of this Agreement, Concessionaire shall make the records available at the address indicated by City.

If the audit discloses that Concessionaire's Gross Receipts as previously reported for the period audited were understated, Concessionaire shall immediately pay to the City the additional Percentage Rent due for the period audited together with interest at the Interest Rate from the date(s) such amount was originally due. Further, if such understatement was in excess of five percent (5%) of Concessionaire's actual Gross Receipts as disclosed by such audit, Concessionaire shall immediately pay to the City or to the City's designee the reasonable and actual cost of such audit, within 30 days of an invoice therefor. If such understatement was in excess of ten percent (10%) of Concessionaire's Gross Receipts as disclosed by such audit due to Concessionaire's intentional, willful or fraudulent act or omission, the City may declare this Agreement terminated and the Term ended, in which event this Agreement shall cease and terminate on the date specified in such notice with the same force and effect as though the date set forth in such notice were the date set forth in this Agreement for expiration of the Term, and Concessionaire shall vacate and surrender the Premises on or before such date in the condition required by this Agreement for surrender upon the expiration of the Term. If upon examination or audit the City's auditor, accountant or representative reasonably determines that sufficient documentation is not maintained, retained, recorded, or available in accordance with GAAP to verify Concessionaire's actual Gross Receipts, Concessionaire shall pay for the reasonable and actual cost of such audit and, in addition, should the City deem it necessary, Concessionaire shall reconstruct, at its sole cost and expense, all records for the determination of Gross Receipts for any period being audited.

ARTICLE VI. CONSTRUCTION OF PREMISES

Section 6.01 CONSTRUCTION OF PREMISES. (a) The City shall deliver and Concessionaire will take possession of the Premises in an “AS IS”, “WHERE LOCATED” condition. Any and all improvements to be made to the Premises shall be performed by Concessionaire in full coordination with the Aviation Department and shall be subject to Director’s approval. All such improvements shall be performed in full compliance with applicable laws and regulations and proper permits.

(b) If any improvements to the Premises are necessary or equipment above that provided by City is desired by Concessionaire (equipment provided by City is listed in **Exhibit D**, attached hereto and incorporated into this Agreement for all intents and purposes), Concessionaire, at its expense, shall construct, equip and complete the Fixed Improvements and install its Operating Equipment proceeding at all times with due diligence and in a good and workmanlike manner in accordance with all applicable legal and code requirements, the Aviation Department’s review process and the permits in order to complete the same.

(c) All such construction shall be completed free and clear of all liens, encumbrances and security instruments. If any mechanics’, materialmen’s or other lien is filed against the Premises, the Terminal, the Airport, the City or any interest in this Agreement as a result of any work or act of Concessionaire, Concessionaire shall fully and completely discharge the lien and have it released from record by payment or posting a bond within 20 days after the filing thereof.

Section 6.02 OCCUPANCY PERMITS, LIEN WAIVERS AND OTHER DOCUMENTS.

Within 60 days after Concessionaire’s opening for business in the Premises, Concessionaire shall deliver to the City executed copies of all mechanics’ lien waivers and/or releases or other lien waivers and/or releases on account of Concessionaire improving the premises, if applicable. Concessionaire shall, prior to opening the Premises for business, also deliver to the Director a copy of the Certificate of Occupancy with respect to the Premises within 20 days after Concessionaire’s receipt thereof from the City.

Within 90 days after Concessionaire's opening for business in the Premises, Concessionaire shall deliver to the Director (i) final and complete sets of "as-built" Final Drawings and Computer Aided Drafting and Design ("CADD") drawings and such other documentation requested by Director.

Section 6.03 DELIVERY AND CONDITION OF PREMISES.

(a) Except as otherwise specifically provided herein, Concessionaire hereby agrees that upon delivery of possession of the Premises to Concessionaire, Concessionaire shall accept such delivery of possession of individual locations that comprise the Premises in its then existing "AS IS" condition, and Concessionaire acknowledges that

- i. Concessionaire shall have inspected the Premises and shall be fully aware of the condition of the Premises as of delivery of possession;
- ii. the City shall have no obligation to improve or alter the Premises for the benefit of Concessionaire.

(b) Concessionaire irrevocably waives any claim based upon or related to any such claimed representation by the City or its designated management representatives as to public traffic to be expected at the Premises or sales to be expected at the Premises. Concessionaire's taking possession of the Premises shall constitute Concessionaire's formal acceptance of the same and acknowledgment that the Premises are in the condition called for hereunder, subject to all field conditions existing at the time of delivery of possession. In no event shall the City be liable for damages or otherwise as a result of any failure to make the Premises available within the time and/or in the condition provided herein.

Section 6.04 ULTIMATE COMPLETION OF CONSTRUCTION. Notwithstanding anything to the contrary contained herein, if for any reason whatsoever (excluding, without limitation, force majeure), Concessionaire fails to open the Premises for business within three (3) months from the Commencement Date or such longer period of time as the Director may approve in writing to Concessionaire, then, at the Director's option, this Agreement shall be automatically terminated, in whole or in part, without further act of either party hereto but without City waiving

any rights of recovery due to breach of contract or other legal or equitable causes of action.

Section 7.02 REMOVAL BY CONCESSIONAIRE. All Fixed Improvements and any alterations thereto made by Concessionaire shall be deemed to have permanently attached to the Premises and title shall immediately be deemed vested in the City. Upon the expiration or earlier termination of this Agreement, Concessionaire shall not remove any of such Fixed Improvements; provided, however, that Operating Equipment, removable trade fixtures installed by Concessionaire and not permanently affixed to the Premises and Concessionaire's personal property shall remain the property of Concessionaire and may be removed throughout the Term hereof or upon expiration or earlier termination of the Term hereof if all Rental and other charges due hereunder are paid in full and Concessionaire is not otherwise then in default of any of the covenants, terms or provisions of this Agreement beyond applicable notice and cure periods; provided that Concessionaire immediately repairs any damage caused by such removal. Under no circumstances shall fixed improvements be demolished or removed except with the prior written consent of the Director. If Concessionaire shall fail to remove any of its personal property and Operating Equipment, the City may, at its option, retain either any or all of such property, and title thereto shall thereupon vest in the City without compensation to Concessionaire; or the City may remove all or any portion of the property from the Premises and dispose of the property in any manner, without compensation to Concessionaire. In the latter event, Concessionaire shall, upon demand, pay to the City the reasonable and actual expense of such removal and disposition and the repair of any damage to the Premises resulting from or caused by such removal. Concessionaire shall, at its expense, execute all documents requested and deemed necessary by the City to evidence the title to any fixed improvements. The obligations contained in this Section 7.02 shall survive the expiration or earlier termination of this Agreement.

Section 7.03 CHANGES AND ADDITIONS. The City reserves the right at any time, and from time to time, to make extensive renovations and/or alterations to, and to build additional stories on, the Terminal and to construct other buildings and improvements in the Airport, including any extensive modifications of the Public Areas in connection therewith, to enlarge or reduce the Terminal, to add decks or elevated parking facilities, and to sell or lease any part of the land comprising the Airport, for the extensive construction thereon of a building or buildings which may or may not be part of the Airport. The City reserves the right at any time to relocate, reduce, enlarge, or reconfigure the Terminal, the Airport, parking areas and other Public Areas shown on **Exhibits A1 and A2.** Concessionaire agrees to accommodate and cooperate with the City in such matters, even though Concessionaire's own operations may be inconvenienced or impaired thereby and Concessionaire agrees that no liability shall attach to the City (including its agents, contractors, designated management representatives, directors, employees, officers and subcontractors) by reason of such inconvenience or impairment and Concessionaire hereby waives any and all claims for damages and other consideration by reason of such inconvenience or impairment. The City shall use reasonable efforts not to materially inconvenience Concessionaire or materially impair Concessionaire's operations and the Director shall give reasonable notice to Concessionaire of any such construction, repair or related activity. The City shall have the exclusive right to use all or any part of the roof of the Terminal for any purpose; to erect additional stories or other structures over all or any part of the Premises; to erect in connection with the construction thereof temporary scaffolds and other aids to construction on the exterior of the Premises, provided that access to the Premises shall not be materially impaired; and to install, maintain, use, repair and replace within the Premises pipes, ducts, conduits, wires and all other mechanical equipment serving other parts of the Terminal, the same to be in locations as will not unreasonably deny Concessionaire's use thereof. The City may make any use it desires of the side or rear walls of the Premises (including, without limitation, freestanding columns and footings for all columns) and the City, at its expense, shall repair all damage to the Premises resulting from any work related to such use.

(d) Concessionaire shall not abandon or permanently vacate the Premises without the prior, advance written approval of the Director. For purposes hereof, "abandonment" shall mean closing the Premises to public trade for five (5) or more consecutive days, unless other provisions hereof permit such closing.

Concessionaire shall promptly correct any deficiencies reported by the City and all other

governmental authorities having jurisdiction. Concessionaire shall not do or permit anything to be done in or about the Premises, nor bring anything therein, which will in any way conflict with any such law, ordinance, order, rule, regulation or requirement affecting the occupancy or use of the Premises or the Terminal which has been or may hereafter be enacted or promulgated by the City and all governmental authorities, or in any way obstruct or interfere with the rights of others, nor shall Concessionaire use or allow the Premises to be used for any improper, immoral or objectionable purposes or do any act tending to injure the reputation of the Terminal and/or Airport.

(g) Any area occupied by Concessionaire and all equipment and materials used by Concessionaire shall at all times be kept clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean materials, flies and other insects, rodents and vermin in accordance with any and all applicable rules, regulations and requirements of the City and in accordance with any and all laws, statutes, ordinances and regulations that may be promulgated from time to time by governmental agencies and authorities.

Concessionaire shall keep in proper functioning order all firefighting equipment on the Premises and Concessionaire shall at all times maintain on the Premises adequate stocks of fresh, usable chemicals for use in such system and apparatus. Concessionaire shall notify the City prior to conducting such tests. If requested, Concessionaire shall furnish the City with copies of written reports of such tests.

(i) Concessionaire shall not permit the installation or operation of any coin operated or vending machines or pay telephones in the Premises unless approved in writing by Director.

(j) All receiving and delivery of goods and merchandise and products for the Premises, and all removal of merchandise and products, supplies, equipment, trash and debris and all storage of trash and debris from the Premises shall be made only by way of or in the areas provided therefor. No trash, trash containers, hand trucks, carts, racks or movable fixtures designed for the movement of

merchandise and products and/or trash within the Premises or to or from the Premises may be left unattended in the storefront, corridors or other Public Areas, nor may such items or devices in non-Public Areas be visible from Public Areas of either the Premises or the Terminal. This remedy shall be in addition to any and all other remedies provided in this Agreement or by law to the City.

Section 8.03 ACDBE PROGRAM.

(a) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR Part 23. The Concessionaire agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of this concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR Part 23.

(b) The concessionaire agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23, that it enters and cause those businesses to

similarly include the statements in further agreements.

(c) Concessionaire shall comply with City's approved Airport Concessions Disadvantaged Business Enterprise (ACDBE) program submitted in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Office of the Secretary, Part 23, Participation by Disadvantaged Business Enterprise programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

(d) Concessionaire shall make a good faith effort to adhere to the ACDBE program submitted with Concessionaire's Proposal.

(e) Concessionaire has advised the City that it will use the ACDBEs listed on attached **Exhibit E** in providing the services described thereon. Concessionaire agrees that within 30 days after the expiration of each calendar quarter during the term of this Agreement, it will provide an expenditure report to the City, in a form acceptable to the City, describing the goods and services utilized by Concessionaire in fulfilling the obligations prescribed by this Agreement. Such expenditure report shall also include goods and services for each ACDBE described on attached **Exhibit E** and each substitute ACDBE obtained pursuant to Section 8.03(h), calculated in accordance with the requirements of 49 CFR Part 23.

(f) Should this Agreement be considered for any term renewals or extensions, the extent of Concessionaire's ACDBE participation will be reviewed prior to any recommendation for renewal of the term of this Agreement to Council, to consider whether an increase or decrease in ACDBE participation is warranted. Concessionaire agrees to make good faith efforts at that time to find additional ACDBE participants as required should the City deem an increase in ACDBE participation warranted.

(g) Concessionaire agrees that it will also submit within the same period described in this Section 8.03, a report to the City, in a form acceptable to the City, describing the Concessionaire's total gross receipts for the entire contract, and a breakdown of such gross receipts by location.

(h) Concessionaire will have no right to terminate an ACDBE for convenience without the City's prior written consent. If an ACDBE is terminated by the Concessionaire with the City's consent or because of the ACDBE's default, then the Concessionaire must make a good faith effort, in accordance with the requirements of 49 CFR part 23.25(e)1(iii) and (iv), and 49 CFR part 26.53, to find another ACDBE to substitute for the original ACDBE to perform the tasks or provide services, if feasible, for the remaining term of this Agreement attributable to the same estimated gross receipts under the Agreement as the ACDBE that was terminated. In the event such action is not feasible, the Concessionaire shall make good faith efforts during the remaining term of the Agreement to encourage ACDBEs to compete for purchases and or leases of goods and services to be made by the Concessionaire. Should City notify Concessionaire that Concessionaire has not attained the ACDBE participation required under this Agreement, Concessionaire shall submit a corrective action plan to City to remedy such non-attainment within 30 days of the non-attainment notice.

(i) The Concessionaire's breach of its obligations under this Section 8.03 shall constitute an event of default by Concessionaire and shall entitle the City to exercise any and all of its contractual and legal remedies, including termination of this Agreement.

(j) The City reserves the right to apply any and all legal and contract remedies available under federal, state and local law, including but not limited to, responsibility determinations in future contracts, suspension/debarment procedures, and forfeiture of profits as provided elsewhere.

(k) Pursuant to 49 CFR 26.107, any person or entity that makes a false or fraudulent statement in connection with participation of an ACDBE in any DOT-assisted program or otherwise violates applicable federal statutes, may be referred to the Department of Transportation, and possibly the Department of Justice for prosecution.

Section 8.04 ENVIRONMENTAL COMPLIANCE. (a) Concessionaire shall, in conducting any activity on the Premises, comply with all environmental laws and regulations, including but not limited to environmental laws and regulations regarding the generation, storage, use,

transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants and shall comply with all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Concessionaire shall not cause or permit its employees, agents, permittees, contractors, subcontractors, subconcessionaires or others in Concessionaire's control, supervision, or employment to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching, or otherwise) into or onto the Premises or any other location upon the Airport (including the air above, the ground and ground water thereunder and the sewer and storm water drainage systems therein) any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous, or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas, or local law, Concessionaire shall immediately notify the Director, the Texas Commission on Environmental Quality (TCEQ) and the Local Emergency Planning Committee (LEPC) as may be required under the federal Emergency Planning And Community Right To Know Act. Concessionaire shall be responsible for compliance with the Emergency Planning And Community Right To Know Act if any such release occurs.

(b) Concessionaire shall remedy any such release or threatened release as described above and, whether resulting from such release or otherwise, shall remove any hazardous materials, and special wastes and any other environmental contamination as are caused by Concessionaire on or under or upon the Premises, as are necessary to protect the public health and safety and the environment from actual or potential harm and to bring the Premises into compliance with all environmental laws and regulations. Such work shall be performed at Concessionaire's sole expense after Concessionaire submits to the City a written plan for completing such work. The City shall have the right to review and inspect all such work at any time using consultants and representatives of its choice. The cost of such review and inspection shall be paid by Concessionaire. Specific cleanup levels for any environmental remediation work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate regulatory agency and the City.

(c) Except for the environmental matters not caused by Concessionaire, **Concessionaire agrees to defend, indemnify and hold harmless the City, its elected and appointed officials, officers, agents, designated management representatives and employees from and against any and all loss, claim, liability, damages, injunctive relief, injuries to person, property or natural resources, cost, expense, enforcement actions, action or cause of action, fines and penalties arising as a result of action or inaction by the Concessionaire, its employees, agents or contractors in connection with the release, threatened release or presence of any hazardous material, contaminants, or toxic chemicals at, on, under, over or upon the Premises, the Terminal and the Airport, whether foreseeable or unforeseeable, regardless of the source of such release or threatened release or when such release or threatened release or presence occurred or is discovered.** The foregoing indemnity includes without limitation, all costs at law or in equity for removal, clean-up, remediation any kind and disposal of such contaminants, all resultant and associated costs of determining whether the Premises, the Terminal or the Airport is in compliance and causing the Premises, the Terminal or the Airport to be in compliance with all applicable environmental laws and regulations and all costs associated with claims for damages to persons, property or natural resources. **In the event that the City is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Premises, the Terminal or the Airport caused by the action or inaction of the Concessionaire, Concessionaire shall defend the City and indemnify and hold harmless the City its elected and appointed officials, officers, agents, designated management representatives and employees from any costs, damages, fines and penalties resulting therefrom.**

(d) In addition to any other rights of access regarding the Premises herein contained, the City shall have access to the Premises to inspect the same in order to confirm that the Concessionaire is using the Premises in accordance with all applicable environmental laws and regulations. Concessionaire shall, upon the Director's demand and at Concessionaire's sole expense, demonstrate to the Director (through such tests, professional inspections, or samplings, or otherwise as is in the Director's reasonable judgment sufficient for the purpose) that Concessionaire has not caused or permitted any release of hazardous substances or contaminants

in excess of quantities or volumes permitted by applicable federal, state or local law. Any such tests and assessments shall be conducted by qualified independent experts chosen by Concessionaire and subject to the City's approval. Copies of reports from any such testing or assessments shall be provided to the City upon receipt by Concessionaire. Should Concessionaire not provide such tests, inspections, or samplings, or assessments, the City may conduct or cause to be conducted such tests, inspections, samplings and assessments and Concessionaire shall reimburse the City for all costs of such actions, no later than thirty (30) days following receipt by Concessionaire of invoices therefor. The City reserves the right to conduct any of the above actions at the Director's discretion, when in the opinion of the Director, additional or supplemental assessment is in the best interest of the City. Concessionaire, at the request of the City, shall make available for inspection and copying upon reasonable notice and at reasonable times, any or all of the documents and materials the Concessionaire has prepared pursuant to any environmental law or regulation, which may be retained by the City or submitted to any governmental regulatory agency; provided, that such documents and materials relate to environmental regulatory compliance and are pertinent to the Premises, the Terminal or the Airport. If any environmental law or regulation requires the Concessionaire to file any notice or report of a release or threatened release of regulated materials on, under or about the Premises, the Terminal or the Airport, Concessionaire shall promptly submit such notice or report to the appropriate governmental agency and shall simultaneously provide a copy of such report or notice to the City. In the event that any allegation, claim, demand, action or notice is made against Concessionaire regarding Concessionaire's failure or alleged failure to comply with any environmental law or regulation, Concessionaire immediately shall notify the City in writing and shall provide the City with copies of any such written allegations, claims, demands, notices, or actions so made.

(e) Concessionaire shall not discharge or cause to be discharged any matter or substance (whether in liquid, solid, gaseous, gelatinous, or other form) into the storm water system unless expressly approved by Director and in full compliance with the City's storm water permit and applicable law and regulations.

(f) The parties to the Concession Agreement, including subconcessionaires who may enjoy a

future right of occupation through the Concessionaire, acknowledge a right and a duty in the City, exercised by the Director, to review safety and potential environmental impacts of any proposed operation, business, maintenance activity, or other activity of the Concessionaire and its subconcessionaires. To this end, the Director shall have authority to disapprove an activity of the Concessionaire and/or any subconcessionaire on the basis of a risk assessment. Discretion and judgment are reserved to the Director for reason that combinations and proximity of such materials are synergistic. The Director's decision in this regard is final. The Director shall exercise such review prior to any lease or sublease and shall exercise such review from time to time as he or she may deem necessary for appropriate risk assessment of existing leases and subleases.

(g) Concessionaire shall be fully responsible for maintaining and cleaning all grease traps/ interceptors servicing the Premises, regardless of location. Grease traps located off Premises but within the Airport shall be cleaned as needed to comply with City Code or other applicable law or regulation. In no even shall the grease trap/interceptor be cleaned less that once per calendar year.

Such appurtenant rights shall be subject to such reasonable rules, regulations, fees and security directives from time to time established by the City by suitable notice. The City shall have the right, but not the obligation, from time to time,

to modify the Public Areas, remove portions of the Public Areas from common use, to permit entertainment events, advertising displays, educational displays and other displays in the Public Areas.

Concessionaire and its employees shall not park their cars or any other vehicles in the parking facilities except in the areas specifically designated by the Director for employee parking. Concessionaire and its agents, employees, contractors or subcontractors shall comply with the City's rules and regulations with respect to parking as the same may be amended or modified from time to time and will be subject to any enforcement action (including towing) pursued by the City's airport police or City's contractors without any notice thereof. The City may at any time close any Public Areas to make repairs or changes, to prevent the acquisition of public rights in such area, to use areas for attendant or valet parking, and may do such other acts in and to the Public Areas as in its judgment may be desirable.

Such responsibilities shall include, but not be limited to, removing all trash, refuse and non-hazardous waste from the Premises and from any areas used by Concessionaire's customers and depositing the same into a central trash dumpster area to be provided by the City for the Terminal at the Airport. City reserves the right to assess a charge for use of the central trash dumpster by Concessionaire based on a City's reasonable estimate of Concessionaire's use of the dumpster. The City, during Concessionaire's business hours and with prior reasonable notice to Concessionaire (if such notice is possible and does not interfere or limit City's exercise of its governmental functions or powers), may enter the Premises and make inspections as often as it considers necessary, to determine the proper maintenance of the Premises by Concessionaire. Further, the City reserves the right to interrupt, temporarily, all utility services provided by the City when necessary to make repairs, alterations, replacements or improvements in such systems. The City shall not have any responsibility or liability to Concessionaire (including consequential damages and lost profits) for failure to supply heat, air conditioning, all other utilities or plumbing or, when prevented from doing so by laws, orders or regulations of any federal, state or local agency as a result of strikes, accidents, force majeure or by any other cause whatsoever beyond the City's control. The City shall have the right, at its option and at its own expense, to participate in such defense without relieving Concessionaire of any of its obligations under this Section.

It is the **EXPRESS INTENT** of the parties to this Agreement, that the **INDEMNITY** provided in this Section, is an **INDEMNITY** extended by Concessionaire to **INDEMNIFY, PROTECT and HOLD HARMLESS**, the City from the consequences of the City's **OWN NEGLIGENCE** provided however, that the **INDEMNITY** provided for in this section **SHALL APPLY** only when the **NEGLIGENT ACT** of the City is a **CONTRIBUTORY CAUSE** of the resultant injury, death, or damage, and shall have no application when the negligent act of the City is the sole cause of the resultant injury, death, or damage.

Concessionaire further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND IN THE NAME OF THE CITY, any claim or litigation brought against the City and its elected officials, employees, officers, directors, volunteers and designated management representatives, in connection with any such injury, death or damage for which this INDEMNITY shall apply, as set forth in this Section.

The provisions of this INDEMNITY are solely for the benefit of the parties hereto and the list of additional insureds set forth herein and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

Section 12.03 INJURY CAUSED BY THIRD PARTIES. Concessionaire covenants and agrees that the City (including its agents, employees, officers, directors, elected officials, designated management representatives and shareholders) shall not be responsible or liable to Concessionaire, or any entity or person claiming by, through or under Concessionaire, for any injury, death or damage to persons or property resulting from any latent defect in the Premises, the Terminal, the Airport and appurtenant areas; or from any acts or omissions of entities, persons, concessionaires or other occupants occupying adjoining premises in the Terminal or any other part of the Airport or the agents, servants, employees, contractors or invitees of such entities, persons, concessionaires or occupants; or from fire, electricity, water, snow or leaks from any part of the Terminal or Terminal systems, including sprinkler systems; or from any other cause of whatever nature, unless caused by or due to the direct and sole negligence or direct and sole misconduct of the City, its agents and employees.

ARTICLE XIII. UTILITIES

Section 13.01 UTILITY SERVICES AND CHARGES (a) The City shall provide access to commercially reasonable and normal amounts (as determined by the City) of heat and air conditioning, and domestic cold water, high temperature hot water and sewage services to the Premises for use by Concessionaire provided by utility systems, connections and related equipment existing as of the Premises delivery date but shall have no obligation to provide electricity, gas, telephone or data communication services to the Premises. With respect to electricity, gas,

telephone and data transmission services, Concessionaire shall make separate arrangements with the applicable public utility service provider and shall pay directly to the applicable public utility service provider all charges incurred. Concessionaire shall be solely responsible for fees, deposits and charges, including use and/or connection fees, hook-up fees, standby fees, and/or penalties for discontinued or interrupted service, and the like, for gas (if applicable), sewage (if applicable), electric, fire alarm, burglar alarm, telephone, data transmission, cable television, sewer and sanitation, solid waste disposal and any other service or utility used in or upon or furnished to the Premises, including, without limitation, any services to be supplied by the City, irrespective of whether any of the foregoing are initially paid in advance by the City, or otherwise.

(b) In no event shall the City be liable for damages, loss of business, loss of profits or otherwise for any interruption, reduction, disruption, curtailment or failure in the supply, quality or character of electricity, services from a central utility plant or any other utility or other service, or if either the quantity, quality or character thereof supplied to or by the City is changed or is no longer available for Concessionaire's requirements, nor shall any such interruption, reduction, disruption, curtailment, failure or change in quantity, quality or character constitute or be deemed to constitute actual or constructive eviction of Concessionaire, or excuse or relieve Concessionaire from its obligations hereunder, including but not limited to the payment of Rental or all other sums, damages, fees, costs and expenses payable under this Agreement. Any obligation of the City to furnish light, power and services from a central utility plant shall be conditioned upon the availability of adequate energy sources. The City shall have the right to reduce heating, cooling and lighting within the Premises and the Public Areas as required by any mandatory or voluntary fuel or energy saving allocation, or similar statute, regulation, order or program. Notwithstanding anything to the contrary contained in this Section 13.01(b), if any utility to the Premises is supplied by or through the City and, due to the sole negligence of the City, such utility to the Premises is interrupted which forces Concessionaire to close its business within the Premises for more than 2 complete and consecutive days, then Guaranteed Rent shall abate for the period commencing on the 3rd day after Concessionaire is forced to close its business within the Premises and shall continue until the earlier of: (i) the date such utility is restored to the Premises, or (ii) the date Concessionaire reopens its business in the Premises.

(c) If Concessionaire desires to install any equipment which shall exceed the capacity of any utility facilities or which shall require additional utility facilities, Concessionaire shall not have the right to do so without the Director's prior written approval of Concessionaire's plans and specifications therefor. If such installation is approved by the Director, and if such additional facilities are provided to accommodate Concessionaire's installation, Concessionaire agrees to pay the City, on demand, the cost of providing such additional utility facilities or utility facilities of greater capacity. Concessionaire shall in no event use any of the utility facilities in any way which would overload or overburden the utility systems at the Terminal and the Airport. The City shall have the right to impose reasonable restrictions and require Concessionaire to comply with any state or local regulations or measure adopted from time to time with respect to conservation of any utilities including water usage.

ARTICLE XIV. SUBORDINATION AND TIME OF EMERGENCY

Section 14.01 SUBORDINATION. This Agreement shall be subordinate to the provisions of any existing or future agreement between the City and the United States of America relative to the operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. Should the effect of such agreement with the United States Government be to take any of the property under lease or substantially alter or destroy the commercial value of the leasehold interest granted herein, the City shall not be held liable therefor, but in such event Concessionaire may cancel this Agreement upon ten (10) days' written notice to the City. Notwithstanding the foregoing, however, the City agrees that, in the event the City becomes aware of any such proposed or pending agreement or taking, the City shall utilize the City's best efforts to (i) give the maximum possible notice thereof to Concessionaire, and (ii) cooperate with Concessionaire to mitigate the impact of such agreement or taking or other government action upon Concessionaire, including but not limited to reasonably assisting Concessionaire in securing alternate premises, and minimizing any disruption of or interference with Concessionaire's business.

Section 14.02 TIME OF EMERGENCY. During time of war or national emergency, the City shall have the right to lease the landing area or any part thereof to the United States for government use, and, if such lease is executed, the provisions of this Agreement, insofar as they are inconsistent with the provisions of the lease to the Government, shall be suspended.

ARTICLE XV. ASSIGNMENT AND SUBLETTING

Section 15.01 RESTRICTIONS, PROCEDURES AND OTHER ASPECTS GOVERNING THE CONCESSIONAIRE. (a) Concessionaire shall not transfer or assign this Agreement or Concessionaire's interest in or to the Premises or any part thereof without having first obtained the prior written consent of the City which may be given only by or pursuant to an ordinance enacted by the City Council of San Antonio, Texas; provided, however, the transfer of Concessionaire's securities in connection with Concessionaire becoming a publicly held company or issuing securities in connection with an additional public offering of securities shall not constitute a transfer or assignment of this Agreement. The public trading of Concessionaire's securities on a nationally recognized exchange or on the NASDAQ market shall not constitute or be considered to result in any such transfer or assignment of this Agreement. Notwithstanding the foregoing and for so long as any pledge or collateral assignment of Concessionaire's interest in the Agreement shall be by instrument substantially in such form as shall have previously been approved by the City Council, the consent of the City to such pledge or collateral assignment may be given by the City acting by and through the Director. Each transfer, assignment or subletting to which there has been consent shall be by instrument in writing, in form satisfactory to the City, and shall be executed by the transferee, assignee or subconcessionaire who shall agree in writing for the benefit of the City to be bound by and to perform the terms, covenants and conditions of this Agreement. Failure to first obtain in writing the City's consent, or failure to comply with the provisions herein contained shall operate to prevent any such transfer, assignment or subletting from becoming effective. The receipt by the City of rent from an assignee, subtenant or occupant of the Premises shall not be deemed a waiver of the covenant in this Agreement against assignment and subletting or an acceptance of the assignee, subtenant or occupant as a tenant or a release of the Concessionaire from further observance or performance by Concessionaire of the covenants contained in this Agreement. No provision of this

Agreement shall be deemed to have been waived by the City unless such waiver be in writing, signed by the Director.

(b) Notwithstanding the foregoing provisions of this Article XV, Concessionaire shall have the right to transfer or assign this Agreement, with the Director's consent, such consent not to be unreasonably withheld, to:

- i. a subsidiary of Concessionaire or its parent corporation or to an entity that is an affiliate of Concessionaire or its parent corporation; or
- ii. any corporation with which Concessionaire shall merge, reorganize or consolidate.

(c) Concessionaire shall not sublet the Premises or any part thereof without having first obtained the prior written consent of the City which may be given by the City acting by and through the Director. In the event Concessionaire requests permission to sublease, the request shall be submitted to the Director prior to the effective date of the sublease requested and shall be accompanied by a copy of the proposed sublease agreements and of all agreements collateral thereto. The identity of the subconcessionaire, the area or space to be subleased, the rental to be charged, the type of business to be conducted, recent audited financial statements and history and all other information requested by said Director shall be specified. Concessionaire shall not sublease a total of more than 25% of the Premises.

(d) In the event of a sublease where the rental per square foot established in the sublease exceeds the rental per square foot established in this Agreement, Concessionaire shall pay to the City as Additional Rent the excess of the rental received from the subconcessionaire over that specified to be paid by Concessionaire herein per square foot. Should any method of computation of rental to be paid by a subconcessionaire, other than computation based upon a rental rate per square foot be employed, the provisions of this paragraph will apply if the rental received for the proportionate area of the Premises by Concessionaire exceeds the rental paid to the City for said proportionate area of the Premises.

(e) Should the transfer or assignment of this Agreement be approved by the City and to the extent that such transferee or assignee assumes Concessionaire's obligation hereunder,

Concessionaire may by virtue of such assignment be released from such obligation to the extent the City approves such release in writing. Should the subletting of the Premises be approved by the City, however, Concessionaire agrees and acknowledges that Concessionaire shall remain fully and primarily liable under this Agreement, notwithstanding any such sublease and that any such subconcessionaire shall be required to attorn to the City under the terms of this Agreement.

ARTICLE XVI. WASTE OR NUISANCE

Section 16.01 WASTE OR NUISANCE. Concessionaire shall not commit nor permit any of its employees, contractors, subcontractors, licensees, subconcessionaires or agents to injure, deface or otherwise harm the Premises, the Terminal or the Airport, nor commit any waste upon the Premises, the Terminal or the Airport, and shall not place a load upon the floor of the Premises which exceeds the floor load per square foot which such floor was designed to carry. Concessionaire shall not commit nor permit any of its employees, contractors, subcontractors, licensees, subconcessionaires or agents to commit any nuisance or other act or thing which may constitute a menace or which may impact either the City's operation of the Terminal or the Airport or disturb the quiet enjoyment of any other occupant or concessionaire of the Airport. Concessionaire shall not use or permit to be used any medium that might constitute a nuisance, such as loudspeakers, sound amplifiers, tape decks, compact disc players, radios, televisions, or any other sound producing or other device which will carry sound or odors outside the Premises except as may otherwise be approved in advance in writing by the Director and, upon notice from the Director to Concessionaire's business representative at the Premises, Concessionaire shall cause any such noise or odors to cease immediately. Concessionaire shall not allow any use of the Premises or any other portion of the Terminal and/or Airport in a manner which is a source of annoyance, disturbance or embarrassment to the City, or to the other concessionaires and occupants of the Terminal and/or Airport or which is deemed by the City, in its sole discretion, as not in keeping with the character of the Terminal and/or Airport. The Premises shall not be used for any unlawful or immoral purpose or which will invalidate or increase the premiums on any of the City's insurance.

ARTICLE XVII. TRADE NAME & SOLICITATION OF BUSINESS

Section 17.01 TRADE NAME. Concessionaire shall operate its business in the Premises under the names specifically set forth below (“Trade Name”) and shall not change the advertised name or character of the business operated in the Premises without the prior written approval of the Director, which may be withheld in the City’s absolute discretion.

Trade Name	Bernard’s Creole Kitchen
------------	--------------------------

Section 17.02 SOLICITATION OF BUSINESS. Concessionaire shall not give samples, approach customers, distribute handbills or other advertising matter or otherwise solicit business in the parking or other Public Areas or any part of the Terminal or the Airport other than in the Premises. In the event Concessionaire violates the foregoing, Concessionaire shall, at Concessionaire’s sole cost and expense, be responsible to clean the area of any such materials so distributed by Concessionaire, its agents or employees. Notwithstanding the foregoing, the Director may approve in writing activities, prohibited in this Section 17.02, to be conducted for a limited period of time.

ARTICLE XVIII. DAMAGE AND DESTRUCTION

Section 18.01 FIRE AND OTHER DAMAGE. (a) If the Premises shall be partially damaged by fire or other casualty, the Concessionaire shall give immediate notice thereof to the City and the same shall be repaired at the expense of the City without unreasonable delay unless the City determines that the damage is so extensive that repair or rebuilding is not feasible. From the date of such casualty until said building is so repaired, monthly Rental payments hereunder shall abate in such proportion as the part of the Premises thus destroyed or rendered untenable bears to the total Floor Area of the Premises; provided, however, that if the Premises shall be so slightly injured in any such casualty as not to be rendered unfit for occupancy, the Rentals hereunder shall not cease or be abated during any repair period. In the event that the damage to the Premises should be so extensive as to render it untenable, the Rentals shall cease until such time as it shall be put in repair, but in the event the Premises is damaged by fire or other casualty to

such an extent as to render it necessary in the exclusive judgment of the City not to rebuild the same, then at the option of the City, and upon notice to Concessionaire, this Agreement shall cease and come to an end and the Rentals hereunder shall be apportioned and paid up to date of such damage. If the City elects to rebuild the Premises, the City shall notify Concessionaire of such intention within thirty (30) days of the date of the damage, otherwise this Agreement shall be deemed canceled and of no further force or effect. Notwithstanding any provision above, should the destruction or damage to the Premises (to the extent of work that is to be provided as part of the City's obligation) be so great that it will not be reasonably repaired or restored by the City within one hundred twenty (120) days to the state of fitness that existed prior to the commencement of improvements, if any, performed by Concessionaire, Concessionaire may, at Concessionaire's option, terminate this Agreement by written notification of same given to the City within thirty (30) days after the occurrence of such casualty, or upon notification that the work will not be completed within the one hundred twenty (120) days.

(b) The City's obligations to rebuild or repair under this Article shall, in any event, be limited to restoring the Premises to substantially the condition that existed prior to the commencement of improvements, if any, performed by Concessionaire and shall further be limited to the extent of the insurance proceeds available to the City for such restoration. Concessionaire agrees that if the City elects to repair or rebuild as set forth herein, then Concessionaire will proceed with reasonable diligence and, at its sole cost and expense, to rebuild repair and restore its improvements, signs, fixtures, furnishings, equipment and other items provided or installed by Concessionaire in or about the Premises in a manner and to a condition at least equal to that which existed prior to the damage or destruction. Should the commencement, construction or completion of said repair, reconstruction or replacement be prevented or delayed by reason of war, civil commotion, acts of God, strikes, governmental restrictions or regulations, fire or other casualty, or any other reason beyond the control of either party, the time for commencing or completing the repair, reconstruction or replacement, as the case may be, shall automatically be extended for the period of each such delay.

(c) City's election to repair the premises, as provided in this Article, shall not be construed as a waiver or limitation of City's right to pursue and/or recover damages/losses suffered by City.

ARTICLE XIX. NON-DISCRIMINATION

Section 19.01 GENERAL PROHIBITION. Any discrimination by Concessionaire, its agents or employees on account of race, creed, color, sex, age, disability, religion or national origin, in employment practices or in the use of or admission to the Premises is prohibited. Concessionaire, for itself, its personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree, that: (a) no person on the grounds of race, creed, color, sex, age, disability, religion or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the Premises, (b) that in the construction of any improvements on, over, or under the Premises and the furnishing of services thereon, no person on the grounds of race, creed, color, sex, age disability, religion or national origin shall be excluded from participation, denied the benefits of, or otherwise be subjected to discrimination, (c) that Concessionaire shall use the Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended and/or supplemented.

Section 19.02 AFFIRMATIVE ACTION. To the extent required by law, Concessionaire assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, sex, age, disability, religion or national origin be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Concessionaire assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Concessionaire assures that it will require that its covered sub-organizations provide assurances to Concessionaire that they will require assurances from their sub-organizations, as required by 14 CFR Part 152, Subpart E, to the same effect. Concessionaire shall comply with the City's Nondiscrimination Clause as set forth in the Concessionaire Handbook which shall include submittal of Concessionaire's affirmative action plan for equal employment opportunity relating to the conduct of its business in the Premises. If requested by the City, this plan shall be submitted on an annual basis and monitored through the

submission of an annual status report reflecting prior year activity. Quarterly affirmative action status reports shall also be provided, if requested by the City.

ARTICLE XX. DEFAULT

Section 20.01 CONCESSIONAIRE'S DEFAULT. (a) Notwithstanding any provision herein to the contrary and irrespective of whether all or any rights conferred upon the City by this Article XX are expressly or by implication conferred upon the City elsewhere herein, each of the following shall constitute an the event of default by Concessionaire:

- i. Concessionaire shall fail to pay any Rentals or any other charges whatsoever due as provided for in this Agreement and such failure shall continue for a period of 10 days after written notice thereof, provided that such notice from the City shall be in lieu of, and not in addition to, any notice of default required by applicable laws;
- ii. Concessionaire shall neglect or fail to perform or observe any of the other terms, conditions, or covenants herein contained, and on Concessionaire's part to be performed or in any way observed if such neglect or failure shall continue for a period of 30 days after written notice of such neglect or failure (or if more than 30 days shall be required because of the nature of the default, if Concessionaire shall fail within said 30 days to commence and thereafter diligently proceed to cure such default to completion, provided that in no event shall such cure period extend beyond 60 days or such longer period of time as is approved by the Director in writing and if Concessionaire's cure period is so extended, Concessionaire must, within 5 days after the written extension notice provide a written plan to the Director outlining all steps Concessionaire is taking to cure the default and when the cure shall be completed), provided that such notice from the City shall be in lieu of, and not in addition to, any notice of default required by applicable laws;
- iii. Concessionaire shall fail to move into the Premises and to open for business as stated in **Exhibit B** and such failure is not occasioned by reason of force majeure;

- iv. Concessionaire shall fail to operate continuously in the manner and during the hours established by the Director or for the Permitted Use;
- v. Concessionaire shall voluntarily discontinue its operations at the Premises for a period of three (3) consecutive days and such failure is not occasioned by reason of force majeure or permitting this Agreement to be taken under any writ of execution or similar writ or order;
- vi. Concessionaire shall become insolvent, shall take the benefit of any present or future insolvency statute, shall make a general assignment for the benefit of creditors, shall file a voluntary petition in bankruptcy or a petition or answer seeking a reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any state thereof, or shall consent to the appointment of a receiver, trustee, or liquidator of all or substantially all of its property;
- vii. an Order of Relief shall be entered at the request of Concessionaire or any of its creditors under the federal bankruptcy or reorganization laws or under any law or statute of the United States or any state thereof and shall not be vacated within 60 days;
- viii. a petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against Concessionaire and shall not be dismissed within 90 days after the filing thereof;
- ix. by or pursuant to or under the authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of Concessionaire and such possession or control shall continue in effect for a period of 60 days;

- x. if applicable, Concessionaire shall become a corporation in dissolution or voluntarily or involuntarily forfeit its corporate charter;
- xi. Concessionaire shall fail to carry insurance as required under this Agreement or to comply with any applicable law, rule or regulation concerning security, and such failure continues for forty-eight (48) hours after written notice from the City thereof;
- xii. a governmental authority, board, agency or officer with competent jurisdiction terminates or suspends any certificate, license, permit or authority held by Concessionaire without which Concessionaire shall not be lawfully empowered to conduct its business operations in the Premises;
- xiii. the rights of Concessionaire hereunder shall be transferred to, pass to, or devolve upon, by operation of law or otherwise, any other person, firm, corporation, or other entity by or in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other similar proceedings or occurrences;
- xiv. if applicable, the failure of Concessionaire to initially obtain and thereafter maintain continuously throughout the Term, its eligibility and certification from the City of its DBE status and/or to renew such eligibility and certification as may be required by the City from time to time and such failure shall continue for a period of 30 days.

(b) If any condition of Concessionaire's event of default shall occur which shall not be timely cured as provided in Section 20.01(a), in addition to any other rights or remedies the City may have by law, the City, then, or at any time thereafter, but prior to the removal of such event of default shall have the right, either to terminate this Agreement by giving at least 5 days written notice to Concessionaire at which time Concessionaire will then quit and surrender the Premises to the City, but Concessionaire shall remain liable as hereinafter provided, or, to enter upon and take possession of the Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the City's former estate, expelling Concessionaire and

those claiming under Concessionaire, forcibly if necessary, without prejudice to any remedy for arrears of Rentals or preceding breach of covenant and without any liability to Concessionaire or those claiming under Concessionaire for such repossession, in which event the City shall have the right to enforce all of the City's rights and remedies hereunder including the right to recover all Rentals and other charges payable by Concessionaire hereunder as they become due hereunder. The City's repossession of the Premises shall not be construed as an election to terminate this Agreement nor shall it cause a forfeiture of Rentals or any other charges remaining to be paid during the balance of the Term hereof, unless a written notice of such intention be given to Concessionaire, or unless such termination is decreed by a court of competent jurisdiction. If the City elects to terminate this Agreement, the City shall have the right to recover immediately from Concessionaire damages calculated as follows: (i) all unpaid Rentals that had been earned at the time of termination of the Agreement; and (ii) the worth at the time award of the amount by which the unpaid Rentals which would have been earned after termination until the time of the award exceeds the amount of the loss of such Rentals that Concessionaire affirmatively proves has been or could have reasonably been avoided; (iii) the worth at the time of award of the amount by which the unpaid Rentals for the balance of the Term after the time of award exceeds the amount of the loss of Rentals that Concessionaire affirmatively proves could reasonably be avoided; and (iv) any other amount necessary to compensate the City for all damages proximately caused by Concessionaire's default or which in the ordinary course would likely result therefrom (for purposes of subsection (ii) above, "worth at the time of award" shall be computed by allowing interest at the maximum rate permitted by Texas law and for purposes of subsection (iii) above, "worth at the time of award" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank whose jurisdiction includes the Airport at the time of the award, plus one (1%) percent per annum to its present worth). Upon repossession, the City shall have the right (at its election and whether or not this Agreement shall be terminated) to relet the Premises or any part thereof for such period or periods (which may extend beyond the Term of this Agreement) at such rent or rent and upon such other terms and conditions as the City may, in good faith, deem advisable. Notwithstanding any law or anything contained herein to the contrary, to the full extent permitted under applicable law, Concessionaire and the City agree that the City's duty to relet the premises or otherwise to mitigate damages under this Agreement shall be limited to those requirements set forth in the

Texas Property Code, as amended. The City shall in no event be liable and Concessionaire's liability shall not be affected or diminished in any way whatsoever for failure to relet the Premises, or in the event the Premises are relet, for failure to collect any rent under such reletting, so long as the City uses objectively reasonable efforts to comply with said Texas Property Code. The City and Concessionaire agree that any such duty shall be satisfied and the City shall be deemed to have used objective reasonable efforts to relet the Premises and mitigate the City's damages by: (1) posting a "For Lease" sign on the Premises; (2) advising the City's leasing agent, if any, of the availability of the Premises; and (3) advising at least one outside commercial brokerage entity of the availability of the Premises.

(c) If the City shall elect to relet, then rent received by the City from such reletting shall be applied: first, to the payment of any indebtedness other than Rentals due hereunder from Concessionaire to the City under this Agreement, second, to the payment of any cost of such reletting; third, to the payment of Rentals due and unpaid hereunder; and the residue, if any, shall be held by the City and applied hereunder. Should that portion of such rent received from such reletting during any month, which is applied to the payment of Rentals hereunder, be less than the Rentals payable during that month by Concessionaire hereunder then Concessionaire shall pay such deficiency to the City. Such deficiency shall be calculated and paid monthly. Concessionaire shall also pay to the City, as soon as ascertained, any costs and expenses incurred by the City in such reletting not covered by the rent received from such reletting of the Premises.

(d) If the City shall terminate this Agreement or take possession of the Premises by reason of an event of default, Concessionaire and those holding under Concessionaire, shall forthwith remove their goods and effects from the Premises within seven (7) days. If Concessionaire or any such claimant shall fail to effect such removal forthwith, the City may, without liability to Concessionaire or those claiming under Concessionaire, remove such goods and effects and may store the same for the account of Concessionaire or of the owner thereof at any place selected by the City, or, at the City's election, and upon giving 15 days written notice to Concessionaire of date, time and location of sale, the City may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise as the City in its sole discretion may deem advisable. If, in the City's judgment, the cost of removing and storing or the cost of

removing and selling any such goods and effects exceeds the value thereof or the probable sale price thereof, as the case may be, the City shall have the right to dispose of such goods in any manner the City may deem advisable. Concessionaire shall be responsible for all costs of removal, storage and sale, and the City shall have the right to reimburse the Airport Revenue Fund from the proceeds of any sale for all such costs paid or incurred by the City. If any surplus sale proceeds remain after such reimbursement, the City may deduct from such surplus any other sums due to the City hereunder and shall pay over to Concessionaire any remaining balance of such surplus sale proceeds. Any amount paid or expense or liability incurred by the City for the account of Concessionaire may be deemed to be Additional Rent and the same may, at the option of the City, be added to any Rentals then due or thereafter falling due hereunder.

(e) If the City shall enter into and repossess the Premises for reason of the default of Concessionaire in the performance of any of the terms, covenants or conditions herein contained, then, and in that event, Concessionaire hereby covenants and agrees that Concessionaire will not claim the right to redeem or re-enter the Premises to restore the operation of this Agreement and Concessionaire hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby further, for any party claiming through or under Concessionaire, expressly waive its right, if any, to make payment of any sum or sums of Rentals, or otherwise, of which Concessionaire shall have made default under any of the covenants of this Agreement and to claim any subrogation of the rights of Concessionaire under these presents, or any of the covenants thereof, by reason of such payment

(f) Anything to the contrary notwithstanding, the City shall not be required to give notice under this Article XX more than three (3) times for the same type of default in any consecutive twelve-month period. All rights and remedies of the City herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently and whenever and as often as deemed desirable. If proceedings shall, at any time, be commenced for recovery of possession as aforesaid and compromise or settlement shall be effected either before or after judgment whereby Concessionaire shall be permitted to retain possession of the Premises, then such proceeding shall not constitute a waiver of any

condition or agreement contained herein or of any subsequent breach thereof or to this Agreement.

Section 20.02 CITY'S DEFAULT. (a) Each of the following shall constitute an the event of default by the City:

- i. the permanent abandonment of the Airport by the City;
- ii. the issuance by a court of competent jurisdiction of any injunction preventing or restraining the use of the Airport in such a manner as to substantially restrict Concessionaire from conducting business operations within the Premises and the remaining in force of such injunction for at least 60 days;
- iii. the default by the City of any of the terms, covenants or conditions of this Agreement to be kept, performed or observed by the City and the failure of the City to remedy such default for a period of 60 days after written notice from Concessionaire of the existence of such default has been received by the City or if more than 60 days shall be required because of the nature of such default, if the City shall fail within said 60 day period to commence and thereafter diligently proceed to cure such default;
- iv. the assumption by the United States government, or any authorized agency thereof, or the operation, control or use of the Airport and its facilities in such a manner as to substantially restrict the Concessionaire from conducting business operations within the Premises hereunder if such restriction shall be continued for a period of 3 consecutive months or more.

(b) If any event of default shall occur which is not cured by the City as provided in Section 20.02(a) and notwithstanding any waiver or indulgence granted by Concessionaire with respect to any event of default in any form or instance, Concessionaire's sole right and remedy shall be to declare this Agreement to be terminated upon not less than 30 days prior written notice to the City.

If Concessionaire elects to terminate this Agreement due to the City's default, this Agreement shall terminate upon the expiration of such 30 day notice period to the City and Concessionaire shall pay to the City all Rentals and other charges due under this Agreement which shall have accrued prior to the effective date of any such termination. Concessionaire shall not be entitled to any other claims or remedies and Concessionaire hereby waives any such claims, including,

without limitation, claims for lost business opportunity, claims for lost profits and all monetary claims for breach of this Agreement under Federal and any state law.

ARTICLE XXI. BANKRUPTCY OR INSOLVENCY

Section 21.01 CONCESSIONAIRE'S INTEREST NOT TRANSFERABLE. Neither Concessionaire's interest in this Agreement, nor any estate hereby created in Concessionaire nor any interest herein or therein, shall pass to any trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law except as may specifically be provided pursuant to the United States Bankruptcy Code, as amended ("Code").

Section 21.02 ELECTION TO ASSUME AGREEMENT. Even though this is an Agreement of real property in an airport, the parties contractually agree that this Agreement shall be construed to be a lease of commercial real property within the meaning of Section 365 of the Code. If Concessionaire becomes a Debtor under Chapter 7, 11 or 13 of the Code, and the Trustee or Concessionaire, as Debtor-In-Possession, elects to assume this Agreement for the purpose of assignment to a third party or otherwise, such election and assignment, if any, may only be made if all the terms and conditions of the applicable provisions of the Code are satisfied. If the Trustee or Concessionaire, as Debtor-In-Possession, fails to elect to assume or reject this Agreement by the 60th day after the entry of the Order for Relief in a case under Chapter 7, 11 and 13 of the Code, this Agreement shall thereafter be deemed rejected and terminated in accordance with Section 365 of the Code. The Trustee or Concessionaire, as Debtor-In-Possession, shall thereupon immediately surrender possession of the Premises to the City and the City shall have no further obligation to Concessionaire or Trustee hereunder. The acceptance of Rental by the City after the 60th day shall not be deemed a waiver of the City's rights herein and under Section 365 of the Code, and the City's right to be compensated for damages in such bankruptcy case shall survive.

Section 21.03 OCCUPANCY CHARGES. When, pursuant to the Code, the Trustee or Concessionaire, as Debtor-In-Possession shall be obligated to pay reasonable use and occupancy charges for the use of the Premises or any portion thereof, such charge shall not be less than the Guaranteed Rent and Percentage Rent and all other monetary obligations of Concessionaire.

ARTICLE XXII. ACCESS BY THE CITY

Section 22.01 RIGHT OF ENTRY. (a) The City, its agents and designated management representatives shall have the right to enter the Premises for any reasonable purpose (including inspecting the condition of the Premises) upon reasonable notice to Concessionaire. Concessionaire shall cooperate upon receipt of any such notice and arrange for its personnel to be available during any such entry. The City shall have the further right to enter the Premises to make such repairs, alterations, improvements or additions as it may deem necessary or desirable, and shall be allowed to take all material into and upon the Premises that may be required without the same constituting an eviction of Concessionaire in whole or in part, and Guaranteed Rent, Percentage Rent, Additional Rent and other charges reserved hereunder shall not abate while said repairs, alterations, improvements or additions are being made, by reason of loss or interruption of business of Concessionaire, or otherwise.

(b) If the City exercises the foregoing rights and as a result thereof there is a material adverse effect to Concessionaire's use and occupancy of the Premises to the extent that Concessionaire is forced to close its business in the Premises for two (2) or more complete consecutive days, Concessionaire's obligation to pay Guaranteed Rent shall be abated during the period that Concessionaire is totally prohibited from operating. Upon the reopening of the Premises, which Concessionaire shall reopen on the day following the cessation of such material adverse effect, Concessionaire's payment of Guaranteed Rent to the City shall immediately recommence on the date of the reopening of the Premises.

(c) In exercising such right of entry, the City shall use reasonable efforts not to disrupt Concessionaire's business in the Premises. The City or its agents and designated management representatives shall have the further right to enter the Premises without notice at any time in the event of emergency. Finally, the City, during the last 12 months prior to the expiration of the Term, may enter the Premises for the purpose of exhibiting the same to prospective concessionaires and their representatives.

ARTICLE XXIII. CONCESSIONAIRE'S PROPERTY

Section 23.01 TAXES ON CONCESSIONAIRE'S PERSONAL PROPERTY. Concessionaire shall be responsible for, and agrees to pay prior to delinquency, any and all taxes or other taxes, assessments, levies, fees and other governmental charges and impositions of every kind of nature, regular or special, direct or indirect, presently foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Premises, and (ii) the Fixed Improvements, the Operating Equipment, all furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Premises by Concessionaire (collectively, "Concessionaire's Taxes"). Concessionaire shall provide the Director with evidence of Concessionaire's timely payment of such Concessionaire's Taxes upon the Director's request. If at any time any of such Concessionaire's Taxes are not levied and assessed separately and directly to Concessionaire (for example, if the same are levied or assessed to the City, or upon or against, the building containing the Premises and/or the land underlying said building), Concessionaire shall pay to the City Concessionaire's share thereof as reasonably determined and billed by the City.

Section 23.02 LOSS AND DAMAGE. The City shall not be responsible or liable to Concessionaire for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying premises or any part of the premises adjacent to or connected with the Premises or any part of the building of which the Premises are a part, or any other area in the Airport, or for any loss or damage resulting to Concessionaire or its property from bursting, stoppage or leaking of water, gas, sewer or steam pipes, or (without limiting the foregoing) for any damage or loss of property within the Premises from any cause whatsoever. Concessionaire shall give immediate notice to the Director in case of any damage to or destruction of all or any part of, or of accidents occurring within the Premises, or of defects therein or of any damage to or destruction of any inventory, fixtures or equipment within the Premises.

Section 23.03 THE CITY'S LIEN. Concessionaire hereby gives to the City a lien upon all of its property, now, or at any time hereafter placed in or upon the Premises to secure the prompt payment of the charges herein stipulated to be paid for the use of the Premises; all exemptions of such property, or any of it, being hereby waived. In the event that the amount of the Letter of Credit provided by Concessionaire to the City under the terms of this Agreement at all times during the term of this Agreement shall equal the greater of the Rentals payable by Concessionaire to the City for the current calendar year, then, and in such event, the provisions set forth above shall not be applicable to this Agreement.

ARTICLE XXIV. RULES AND REGULATIONS

Section 24.01 RULES AND REGULATIONS. Concessionaire agrees to comply with and observe all reasonable rules and regulations established by the City from time to time, with respect to the Airport, the Terminal, the Premises or any related matter. Concessionaire and its employees shall faithfully observe and comply with any other reasonable rules which the Director may from time to time make after notice to Concessionaire, provided such rules apply to all similarly situated concession operators in the Airport and are reasonably related to the safety, care, appearance, reputation, operation or maintenance of the Terminal or the Airport or the comfort of occupants and others using the Airport. The City shall not have any duty or obligation to enforce such rules or the terms and conditions in any other concession agreement, lease or sublease as against any other concessionaire, lessee or tenant and the City shall not be liable to Concessionaire for violations of the same by other concessionaires, lessees, tenants, subtenants, invitees, their servants, employees, contractors, subcontractors and agents. Concessionaire's failure to keep and observe said rules and regulations shall constitute a breach of the terms hereof in the same manner as if the rules and regulations were contained herein as covenants.

-----*space below intentionally left blank*-----

ARTICLE XXV. QUIET ENJOYMENT

Section 25.01 CITY'S COVENANT. Subject to the terms and conditions hereof, upon payment by Concessionaire of the Rentals herein provided and other charges payable by Concessionaire hereunder, and upon the observance and performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed, Concessionaire shall peaceably and quietly hold and enjoy the Premises for the Term hereby demised without hindrance or interruption by the City.

ARTICLE XXVI. MISCELLANEOUS

Section 26.01 WAIVER; ELECTION OF REMEDIES. One or more waivers of any covenant or condition by either party shall not be construed as a waiver of a subsequent breach of the same covenant or condition by the other party, and the consent or approval by the City to or of any act by Concessionaire requiring the City's consent or approval shall not be deemed to render unnecessary the City's consent or approval to or of any subsequent similar act by Concessionaire. No breach by either party of a covenant or condition hereof shall be deemed to have been waived by the non-breaching party unless such waiver is in writing and signed by a representative of the non-breaching party. The rights and remedies of the City hereunder or in any specific Section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which the City has or may have elsewhere hereunder or at law or equity, whether or not such Section, subsection or clause expressly so states.

Section 26.02 ENTIRE AGREEMENT. This Agreement supersedes all prior agreements between the parties and sets forth all the covenants, promises, agreements and conditions, and understandings between the City and Concessionaire concerning the Premises, the Terminal and the Airport and there are no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Agreement. Neither the City nor its designated management representatives, employees, elected officials and/or agents have made any representation or warranty regarding the profitability of the Premises, the explained passenger and/or airline volume in the Terminal and/or the Airport or operating airlines in the

Terminal and/or the Airport, and Concessionaire has not entered into this Agreement in reliance on any such representations, warranties or financial projections prepared or furnished to Concessionaire by the City or its designated management representatives, employees, elected officials and/or agents. No alteration, amendment, change or addition to this Agreement shall be binding upon the City or Concessionaire unless reduced to writing and signed by each party.

Section 26.03 INTERPRETATION; USE OF PRONOUNS; AUTHORIZATION. Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of joint ventures between the parties hereto, it being understood and agreed that neither the method of computation of Rentals, nor any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant.

Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders. If this Agreement is signed on behalf of a corporation, partnership or other entity, the signer is duly authorized to execute this Agreement on behalf of such corporation, partnership or entity.

Section 26.04 DELAYS; FORCE MAJEURE. In the event either party is delayed in the performance of any obligation required by this Agreement, such performance shall be excused (unless the specific provision otherwise provides) for the period of the delay and performance of any such obligation shall be extended for a period equal to the delay, if and only if the delay is by reason of “force majeure”, which as used herein shall mean fire, earthquake, hurricane, flood and a similar act of God constituting a natural disaster, explosion, terrorist action, war, executive order of government or similar causes not within the control of the entity being delayed. However, the time for Concessionaire’s performance of any obligation shall not be extended due to any lack of funds, financial or economic problems of either Concessionaire or Concessionaire’s architects, contractors, suppliers, agents, consultants and/or employees. If Concessionaire shall claim a delay due to force majeure, Concessionaire must notify the Director in writing for receipt by the City within 15 days of the first occurrence of an event of force majeure. Such notice must specify in reasonable detail the cause or basis for claiming force majeure and the anticipated delay in Concessionaire’s performance. In no event shall any delay extend Concessionaire’s performance

beyond a 75 day period without the specific written approval of the Director. Under no circumstances shall any such condition or delay (unless the specific provision provides for abatement of Rentals), whether such condition or delay is claimed by the City or Concessionaire, excuse or delay Concessionaire's payment of any Rentals and other charges due hereunder. Further, the City's reasonable reduction of heat, light, air conditioning or any other services whatsoever to the Terminal, the Airport or the Premises shall not relieve or excuse Concessionaire from any of its obligations hereunder.

Section 26.05 NOTICES. Notwithstanding the fact that certain descriptions elsewhere in this Agreement of notices required to be given by one party to the other may omit to state that such notices shall be in writing, any notice, demand, request or other instrument which may be or is required to be given hereunder shall be in writing and sent by (i) United States certified mail or registered mail, postage prepaid, (ii) United States express mail, (iii) recognized national air courier (such as Federal Express), (iv) personal delivery or (v) any other method creating a receipt, waybill or other indication of delivery, and shall be addressed (a) if to the City, at the address as set forth below, or such other address or addresses as the City may designate by written notice, together with copies thereof to such other parties designated by the City and, (b) if to Concessionaire, the address set forth below, or such other address or addresses as Concessionaire shall designate by written notice, together with copies thereof to such other parties designated by Concessionaire.

The captions, section numbers and article numbers appearing herein are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles hereof nor in any way affect this Agreement.

Section 26.07 RECORDING. Concessionaire shall not record this Agreement or any short form or memorandum hereof.

Section 26.08 FURNISHING OF FINANCIAL STATEMENTS. Concessionaire has provided the City at or prior to the date of this Agreement with statements reflecting its financial condition and a credit report as of a date within the last 12 months as an inducement to the City to enter into this Agreement, and Concessionaire hereby represents and warrants that its financial condition and credit rating have not materially changed since the date of those statements and reports. Upon the Director's written request, Concessionaire shall promptly furnish the City, from time to time, but not more frequently than once in any Lease Year, with financial statements and a credit report reflecting Concessionaire's then current financial condition. The City shall treat such financial statements, credit reports and information provided to it confidentially, and shall not disclose them except to the City's lenders or otherwise as reasonably necessary for the operation of the Terminal or the Airport or administration of the City's business or unless disclosure is required by any judicial or administrative order or ruling.

Section 26.09 CONCESSIONAIRE'S WAIVERS IN ACTION FOR POSSESSION. City and Concessionaire agree that in any action brought by City to obtain possession of the Premises, the parties desire an expeditious resolution of such litigation. Accordingly, Concessionaire shall not file and hereby waives the right to file any non-compulsory counterclaim in such action. Concessionaire also shall not file and hereby waives the right to file any defense to such action for possession other than the defense that the default alleged by City did not occur unless Concessionaire would otherwise be precluded from the filing of any such other defense in a

separate action.

Section 26.10 ALL AMOUNTS IN U.S. CURRENCY. All amounts mentioned, calculated, or required in this Agreement shall be in U.S. dollars.

Section 26.11 EXECUTION OF AGREEMENT; NO OPTION. The submission of this Agreement to Concessionaire shall be for examination purposes only, and does not and shall not constitute a reservation of an option for Concessionaire to lease, or otherwise create any interest by Concessionaire in the Premises or any other premises in the Terminal or the Airport. Execution of this Agreement by Concessionaire and the return of same to the City shall not be binding upon the City, notwithstanding any time interval, until the City has executed and delivered this Agreement to Concessionaire. Once so executed and delivered by the City as aforesaid, this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this Agreement.

Section 26.12 GOVERNING LAW. All obligations of the parties created hereunder are performable in Bexar County, Texas. This Agreement shall be construed under and in accordance with the laws of the State of Texas except where state law shall be preempted by any rules, laws or regulations of the government of the United States of America. If any provision of this Agreement or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible; in any event, all other provisions hereof shall be deemed valid and enforceable to the full extent.

Section 26.13 SPECIFIC PERFORMANCE OF RIGHTS. Each party shall have the right to obtain specific performance of any and all covenants or obligations of the other party hereunder except to the extent otherwise provided herein for the benefit of the City excusing any such performance by the City, and nothing contained herein shall be construed as or shall have the effect of abridging such right.

Section 26.14 SUCCESSORS. All rights and liabilities herein given to, or imposed upon, the parties hereto shall inure to and be imposed upon the respective heirs, executors, administrators, successors and assigns of the said parties; and if there shall be more than one entity or individual comprising Concessionaire, they shall all be bound jointly and severally by the terms, covenants and agreements herein. No rights, however, shall inure to the benefit of any assignee of Concessionaire unless the assignment to such assignee has been approved in advance by the Director in writing or approved by Ordinance as required by Article XV.

Section 26.15 SURVIVAL OF OBLIGATIONS. All obligations of either party hereunder which cannot be ascertained to have been fully performed prior to the end of the Term or any earlier termination hereof shall survive any such expiration or termination. All of the terms, conditions, covenants, provisions, restrictions or requirements imposed upon Concessionaire hereunder shall be deemed to extend to Concessionaire's agents, employees, officers, directors, partners, guarantors, contractors, licensees, subconcessionaires and subcontractors and Concessionaire shall cause any such persons or entities to comply therewith and include any applicable provisions in any agreements, contracts, subcontracts or the like entered into by Concessionaire with respect to its activities and operations in the Premises, the Terminal and the Airport.

Section 26.16 CERTAIN RULES OF CONSTRUCTION. Time is of the essence in Concessionaire's performance of this Agreement. Notwithstanding the fact that certain references elsewhere in this Agreement to acts required to be performed by Concessionaire hereunder, or to breaches or defaults of this Agreement by Concessionaire, omit to state that such acts shall be performed at Concessionaire's sole cost and expense, or omit to state that such breaches or defaults by Concessionaire are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by Concessionaire pursuant hereto shall be performed or fulfilled at Concessionaire's sole cost and expense, and all breaches or defaults by Concessionaire hereunder shall be deemed material. Concessionaire shall be fully responsible and liable for the observance and compliance by franchisees, sublessees, licensees, and contractors of Concessionaire and with all the terms and conditions of this Agreement, which terms and conditions shall be applicable to franchisees and licensees as fully as if they were the Concessionaire hereunder; and failure by a franchisee or licensee fully to observe and comply with

the terms and conditions of this Agreement shall constitute a default by Concessionaire. Nothing contained in the preceding sentence shall constitute consent by the City to any subconcession, subletting or other arrangement. Further, although the printed provisions of this Agreement were drawn by the City, the parties agree that this circumstance alone shall not create any presumption, canon of construction or implication favoring the position of either the City or Concessionaire and the deletion of language from this Agreement prior to its mutual execution shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, adverse or opposite of the deleted language.

Section 26.17 CONFIDENTIALITY. Any and all information contained in this Agreement or provided to or by Concessionaire and/or the City by reason of the covenants and conditions hereof, economic or otherwise, shall remain confidential between the City and Concessionaire and shall not be divulged to third parties except as required to be disclosed by law. The City shall be permitted to disclose any and all such information consistent with its policies and procedures as such determination is made by the City in its sole and absolute discretion; and, in addition, the City shall be permitted to divulge the contents of statements and reports derived and received in connection with the provisions of Article IV and Article V in connection with any contemplated sales, transfers, assignments, encumbrances or financing arrangements of the City's interest in the Airport or the Terminal or in connection with any administrative or judicial proceedings in which the City is involved where the City may be required to divulge such information.

Section 26.18 ATTORNEY FEES. If the City brings any action under this Agreement, and prevails in said action, then the City shall be entitled to recover from Concessionaire its reasonable and actual attorney's fees incurred in the defense or prosecution of such action to the extent and in the manner that the City is awarded any such fees from the court.

Section 26.19 WAIVER OF TRIAL BY JURY. The City and Concessionaire desire and intend that any disputes arising between them with respect to or in connection with this Agreement be subject to expeditious resolution in a court trial without a jury. Therefore, the City and Concessionaire each hereby waive the right to trial by jury of any cause of action, claim,

counterclaim or cross-complaint in any action, proceeding or other hearing brought by either the City against Concessionaire or Concessionaire against the City or any matter whatsoever arising out of, or in any way connected with, this Agreement, the relationship of the City and Concessionaire, Concessionaire's use or occupancy of the Premises or any claim of injury or damage, or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.

Section 26.20 A.D.A. COMPLIANCE. Concessionaire agrees that within the Premises Concessionaire shall be fully and solely responsible for compliance with the Americans with Disabilities Act (42 U.S.C. Sec. 12101 et. seq.), and the regulations and Accessibility Guidelines for Buildings and Facilities issued pursuant thereto. Further, Concessionaire agrees to construct its Fixed Improvements and install its Operating Equipment and operate the Premises so that the Premises shall at all times accommodate customers with luggage. Notwithstanding the foregoing, both City and Concessionaire shall have the right to terminate this Agreement if any A.D.A issues existing at the time of delivery of premises cannot be resolved to the satisfaction of the parties and prevent the Premises from opening to the public.

Section 26.21 SECURITY. (a) Concessionaire shall be fully responsible, at its sole cost, for providing security for the Premises with no right of reimbursement from the City. Notwithstanding the foregoing, Concessionaire shall take such reasonable security precautions with respect to the Premises and its operations and personnel as the City in its discretion may require from time to time.

(b) Concessionaire shall comply with all rules, regulations, statutes, orders, directives or other mandates of the United States of America or of the State of Texas regarding security requirements or security measures upon the Airport, including, but not limited to, compliance with any badging requirements for all of its personnel employed at the Airport. Concessionaire shall also comply with the mandates of the FAA and/or the TSA for background investigations of its personnel, as such mandates now exist or as they may be changed, amended or replaced with new and different mandates in the future. Concessionaire shall indemnify and hold harmless the City, its elected officials, officers, designated management representatives and employees

from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States of America, including the FAA, the TSA or of the State of Texas by reason of Concessionaire's failure to comply with any applicable security provision and/or with any provision or requirement for compliance set forth in this Section 26.21.

Section 26.22 LABOR HARMONY AND WAGES. Concessionaire agrees that in the use of the Premises or any work performed in or about the Premises that Concessionaire will employ only labor which can work in harmony with all elements of labor being employed at the Airport or as otherwise reasonably required by the Director from time to time. Concessionaire shall pay wages that are not less than the minimum wages required by Federal and State statutes and City ordinances to persons employed in its operations hereunder.

Section 26.23 CROSS DEFAULT. Notwithstanding anything to the contrary contained in this Agreement, an event of default of Concessionaire's obligations under the provisions of any other agreement with the City covering any other concession facilities within the Airport shall constitute a default by Concessionaire under this Agreement, entitling the City to the rights and remedies provided to it under this Agreement and at law.

Section 26.24 CONFLICT OF INTEREST. Concessionaire acknowledges that it is informed that Texas law prohibits contracts between the City and its "officers" and "employees", and that the prohibition extends to an officer and employee of City agencies such as City owned utilities and certain City boards and commissions, and to contracts with any partnership, corporation or other organization in which the officer or employee has an interest. Concessionaire certifies (and this Agreement is made in reliance thereon) that neither he nor any person having an interest in this Agreement is an officer or employee of the City or any of its agencies.

Section 26.25 APPROVALS BY THE CITY. Whenever this Agreement calls for approval by the City, such approval shall be evidenced by the prior written approval of the Director and/or the City Manager or her designee provided however that this section shall not apply to construction permits or licenses that must be sought outside the Aviation Department.

IN WITNESS WHEREOF, the City and Concessionaire, personally or by their duly authorized agents, have executed this Agreement as of the day and year first above written.
