

AN ORDINANCE 2008-12-04-1078

AUTHORIZING A CONTRACT WITH MID-AMERICA, DBA GREENSTAR, FOR A SIX MONTH RECYCLING PILOT PROGRAM FOR CITY FACILITIES WITH AN ANTICIPATED REVENUE OF \$16,650.00 AND AN ESTIMATED TOTAL COST OF \$4,500.00.

* * * * *

WHEREAS, the City seeks to implement a pilot program for six months at optimal locations for the collection of recyclables such as newsprint, office paper, aluminum cans, plastics, etc., which will reduce the amount of refuse into the solid waste stream, and garbage collection and disposal expense, such that through the pilot program the City may preserve 336 tons of landfill space for the six month period, in a continuing effort to conserve landfill space, protect the environment, and promote the reuse of recyclable materials; and

WHEREAS, a Best and Final Offer for Recycling of Commercial Garbage Disposal Services was issued by the Purchasing and General Services Department, with the coordinated efforts of the Solid Waste Management Department, from which one valid response was received and evaluated based on the criteria of experience, background, qualifications, proposed plan for recycling collection services, fee schedule and the Small Business Economic Development Advocacy Program (SBEDA) and the committee recommended Greenstar for award of the contract for recycling of commercial garbage disposal services; and

WHEREAS, this ordinance authorizes a contract with Mid-America, dba Greenstar, to provide a six month pilot program for recycling of commercial garbage disposal services for the City of San Antonio, to provide for the collection of recyclable material, thereby reducing the amount of waste generated into the solid waste stream. With the anticipated revenue from recycling, the estimated final cost of this six month pilot program is approximately \$4,500.00; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Mid-America, dba Greenstar is hereby selected to provide commercial garbage disposal services for the City of San Antonio as the most qualified respondent to the Best and Final Offer. A copy of the Agreement, Request for Proposal, Best and Final Offer, and response is attached and incorporated herein verbatim for all purposes as **Attachment I**.

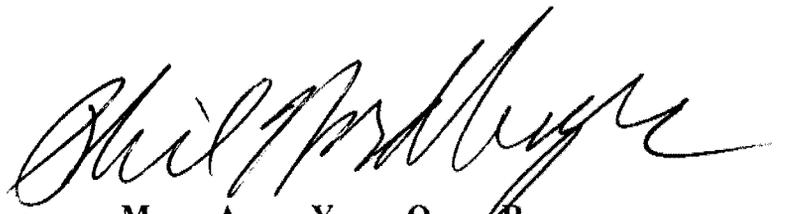

SECTION 2. The City Manager, or her designee, or the Directors of the Solid Waste Management Department and Purchasing & Contract Services Department, are authorized to execute any and all documents necessary to enter into this contract with Mid-America, dba Greenstar, for a six month pilot program to evaluate the collection and recycling of commercial garbage from certain City facilities.

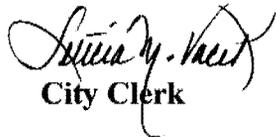

SECTION 3. The following appropriations, transfers, and fund adjustments, as may be necessary to effect this Ordinance, are authorized as follows:

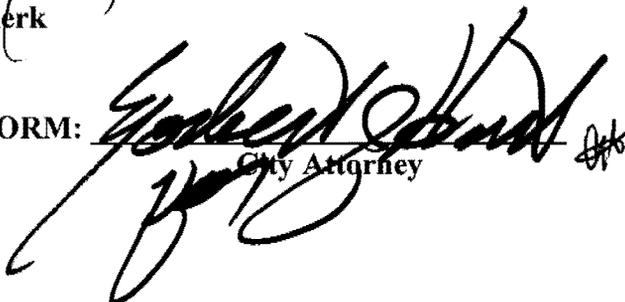

- (a) Fund 2600842001 entitled "TX Commission on Environmental Quality" and Internal Order 142000000002, are hereby designated for use in the accounting for the fiscal transaction in the acceptance of this bid.
- (b) The sum of up to \$21,120.00 is hereby appropriated in the above designated fund and will be disbursed from GL 5204060 "Cleaning Services". Payment is authorized to Mid-America Recycling, dba Greenstar, upon issuance of a Purchase Order and receipt of goods.
- (c) The City Manager or her designee is hereby authorized to accept anticipated revenue of approximately \$16,650.00 for the six month pilot program to be deposited in the above designated fund, GL 4502230 "Program Income".
- (d) The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 4. This ordinance shall take effect on the tenth day after passage.

PASSED AND APPROVED this 4th day of **December, 2008**.

7. Exhibit VII, Greenstar Residential Recycling Rates, received November 3, 2008 (2 pages).
8. Exhibit VIII, Revised BAFO Attachment A, dated November 3, 2008 (2 pages).
9. Copy of enabling Ordinance No. _____

Incorporation by Reference. All of Greenstar's response, submitted by Bianca M. Hunt, Account Executive, including but not limited to the revised Pricing Schedules provided November 3, 2008, as Exhibit VII (2 pages, Option 1), is fully incorporated herein by reference, verbatim, in its entirety, for all purposes.

All of which documents, those attached and incorporated; and those incorporated by reference, constitute the contract documents for this Agreement. The RFP and its adjustments / amendments shall govern Greenstar's responsive proposal; this Integration Agreement shall govern both the RFP and the responsive proposal; and the enabling Ordinance shall govern all. The City does not guarantee any minimum volume of work.

Adjustments to the RFP and BAFO: It is understood and agreed to by the Parties that the City has elected, as provided in the RFP, to award separate contracts for the commercial garbage disposal and commercial garbage recycling services. This Agreement applies only to the commercial garbage recycling services under the RFP and it is understood and agreed that Greenstar will not provide the commercial garbage disposal services to the City under the RFP or this Agreement.

As provided in Section II of the RFP, it is understood and agreed to by the parties that the recycling collection option is not offered at all City facilities at this time. It is the intent of the City to conduct a recycling pilot program at the nineteen (19) locations listed in the revised BAFO Attachment A (Exhibit VIII) and, if successful, to expand to other appropriate locations and facilities in the future.

If the recycling pilot program at any location is determined by the Director to be unsuccessful, for any reason, the City may in its discretion terminate the recycling pilot program at any one, several, or all locations after fifteen (15) days notice to Greenstar.

The parties understand and agree that the COSA Convention Center 40 yard compactor (location 20 on Exhibit VIII) is not considered a part of the recycling pilot program and that pricing for that services is market driven and therefore, the Option 1 (pages 1 and 2) pricing schedule provided by Greenstar in Exhibit VII applies to this location only.

All other terms of the RFP and BAFO, not in conflict with this Agreement or the Ordinance, as applicable, remain in full effect.

Termination: In addition to any other provision of this Agreement, City may terminate this Agreement, in whole or in part, for any of the below listed reasons. For purposes of this Agreement, "termination" of this Agreement shall mean termination by expiration

of the Agreement term or earlier termination pursuant to any of the provisions hereof.

This Agreement may be terminated by the City upon written notice if Greenstar is in material breach of the Agreement, provided such notice specifies an effective date for termination of not less than 30 (thirty) calendar days from the date of such notice. The City shall provide Greenstar with seven (7) days' opportunity to cure such breach to avoid Agreement termination. All services being terminated shall cease upon the date specified in such notice. City shall equitably compensate Greenstar in accordance with the terms of this Agreement for the services properly performed prior to the date specified in such notice, following inspection and acceptance of same by City. Greenstar shall not, however, be entitled to lost or anticipated profits should City choose to exercise its option to terminate. Greenstar shall submit an invoice for work performed prior to the date of termination within thirty (30) days of the date for termination specified in the notice. City shall not be responsible for payment of any invoices received after the expiration of said thirty (30) days.

By Law. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties hereunder, or if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.

Election Of Remedies - Termination Not Sole Remedy. In no event shall City's action in terminating this Agreement be deemed an election of City's remedies. Nor shall such termination limit in any way, at law or equity, City's rights to seek damages from or otherwise pursue Greenstar for any default hereunder or other action.

Work Start Date: Work shall start immediately upon instruction to Greenstar from the Department of Solid Waste Management, but no sooner than January 1, 2009, for performance of various City projects described in the RFP's scope of services or contract documents identified above.

Annual Term of Performance and Termination Date: The term of this Agreement shall commence upon award by City Council, unless provided otherwise in the enabling Ordinance, and end on September 30, 2010, subject to renewal for two (2) optional one-year terms to be effected and executed by the Director of Solid Waste Management upon agreement of Greenstar and approval by the City Council and contingent upon funding available, as may be authorized in the enabling Ordinance cited above and subsequent annual budget ordinances. Optional renewal terms shall commence October 1st and terminate on September 30th for purposes of calculating respective optional term periods. Subsequent optional renewals must have City Council approval.

I. BACKGROUND

The City of San Antonio, ("CITY") Solid Waste Management Department (Department) seeks Proposals from qualified firms interested in providing municipal solid waste services to include refuse collection, disposal and recycling. Services shall be provided at various City locations. This RFP does not include residential services. The City's goal is to optimize operational efficiencies as well as receive the highest quality of service at most reasonable cost. Through this procurement process, the City also desires to evaluate the best practices and methods.

Selection shall be made on the basis of the proposal(s) deemed as most advantageous to the CITY, as determined by the CITY based on evaluation of proposal requirements. This solicitation process is governed by law and rules pertaining to "discretionary contracts" to preserve public health, safety, and welfare. It is not a statutory competitive bid solicitation. The CITY reserves the right not to award the contract(s), or to amend or negotiate terms of the contract(s) after reviewing proposals that have been submitted at any time while proposals are pending. CONTRACTORS (Respondents) interested in performing these services must submit a proposal in accordance with the following minimum requirements contained in this document.

II. SCOPE OF SERVICES

Solid waste services provided by the CONTRACTOR shall be equivalent to service levels currently provided to City of San Antonio facilities. Costs of all services and disposal are the responsibility of the Contractor and are to be included in the CONTRACTOR's proposed price.

The City also seeks to include an additional proposal for Recycling Collection at the City facilities, where practicable and cost effective with regard to spatial constraints and volumes of recyclables generated. Currently, the City has two (2) compactors for recycling of paper and cardboard, one (1) at the Convention Center and one (1) at the Alamodome (see Exhibit A, pages 25 and 26). The City seeks to recycle at other facilities and requests the CONTRACTOR to evaluate and propose an additional proposed price, or revenue gain, for Recycling Collection.

The CONTRACTOR may offer a price, or revenue gain, for recycling of paper only (office paper, newspaper and cardboard), or for paper and commingled items such as plastic bottles and cups, aluminum cans, and glass bottles and jars, as practicable and cost efficient. The CONTRACTOR price for these two (2) categories of recyclables, for: 1.) "paper only", or for 2.) "paper and commingled items" would be a net of both the Solid Waste Collection price and the Recycling Collection/Recycling Revenue price, listing the Solid Waste cost, and the Recycling cost or gain, separately for each category.

The CONTRACTOR shall agree to perform at a minimum, the basic services outlined below. Note: The CONTRACTOR may propose other optional services or enhancements to the Scope of Services below and as provided in Attachment E to the RFP - Pricing Schedule Forms. All proposed optional or enhanced services shall be clearly described in Proponent's Plan for Service Delivery Section of the Respondent's Questionnaire and Proposed Plan for Service Delivery (Attachment A to the RFP) and proposed pricing shall be included in the Respondent's Pricing Schedule(s) (Attachment E to the RFP). Consideration for award of said optional services shall be based upon best value and public benefit as determined by the CITY.

All services shall be performed in accordance with applicable provisions of the City Code, Chapter 14 SOLID WASTE.

A. Collection Procedures and Schedule:

1. **Collection Daily Hours:** The CONTRACTOR shall perform collection service no earlier than 5:00 a.m. on the scheduled collection day. Collection times in the Central Business District may be modified as outlined in Chapter 14, Section 14-16(e).

B. Material and Equipment: CONTRACTOR shall be responsible for furnishing all material, containers, supplies, and equipment necessary to fulfill the contract. Said material and equipment shall be supplied at the CONTRACTOR's own expense with no additional cost to the CITY, to effectively serve the facilities with solid waste, disposal and recycling services. The CITY reserves the right to inspect and approve CONTRACTOR's materials and equipment, necessary to this solicitation and contract, prior to the commencement of services. Such materials and equipment shall include, but are not limited to:

1. Collection vehicles for commercial garbage and refuse pick up;
2. Recycling collection vehicles to be used for recycling material pick-up;

C. Loss or damage by Contractor Employees / Operations: CITY shall refer complaints regarding loss of or damage to public and/or private property to CONTRACTOR who shall repair, replace, or otherwise compensate for all damage to said property caused by CONTRACTOR's employees and CONTRACTOR's operations while performing this contract.

D. Labor: In addition to the materials and equipment set out in Section II - Scope of Services, CONTRACTOR shall also supply all levels of skill and labor necessary to successfully complete all solid waste services required under this contract.

E. Transportation, Storage and Legal Disposal Costs: The CONTRACTOR shall supply all necessary transportation and storage facilities for all materials and equipment necessary to perform all services described in this contract. The CONTRACTOR shall also be responsible for the legal disposal of non-recyclable waste at a State approved facility. Similarly, all transportation and storage functions shall be duly licensed or qualified under regulation, as may be necessary to environmental, health and safety compliance and Contractor shall pay all state fees imposed by the Texas Health and Safety Code, Chapter 361, Sec. 361.013.

F. Taxes, Governmental Fees and Charges: The CONTRACTOR shall agree to pay all applicable Local, State and Federal taxes, as well as applicable tonnage charges and regulatory fees during the life of this contract. The CONTRACTOR specifically agrees to pay all CITY solid waste vehicle licensing and permitting fees imposed by City Code Chapter 14, Sec. 14-22, that is a material condition of the contract.

G. Compliance: The CONTRACTOR shall follow all applicable Local, State, and Federal laws and regulations pertaining to the provision of the services detailed herein, including but not limited to those related to safety. CONTRACTOR shall avoid any practice that would create a perception of nuisance, such as odors and litter. CONTRACTOR shall comply with the regulations, guidelines and standards set forth in Chapter 14 of the City of San Antonio Code. CONTRACTOR shall also

comply with the Regulatory Compliance and Criminal History Warranty as outlined in RFP Attachment H.

H. **The CITY shall manage its wastes in compliance with applicable Local, State and Federal requirements. CONTRACTOR shall assist CITY with any necessary waste characterizations and waste classes that may require special handling.**

I. **Billing Protocols:**

The CITY shall remit payment to CONTRACTOR for services provided under this Agreement within twenty-five (25) days following the end of the month. No payment shall be provided for non-pickups.

J. **Landfill Facility Approval and Contractual Tonnage Commitments:**

CONTRACTOR shall provide a list of all legal disposal site(s) it intends to utilize with its submittal under RFP Attachment A – Proponent Questionnaire and Proposed Plan for Service Delivery section. Prior to commencement of Contract, the Department reserves the right to review and approve the CONTRACTOR's disposal sites. If an existing long-term CITY disposal contract is held by the CONTRACTOR, waste that is generated and managed under this contract and delivered to CONTRACTOR's disposal site shall be credited toward the CITY's contractual tonnage obligation to the CONTRACTOR. CONTRACTOR shall include the cost of disposal in its proposal pricing.

K. **Recycling Processing Site:**

All recyclable materials for the Recycling Program shall be recycled and not disposed in a landfill. CONTRACTOR's failure to abide by obligations of the Recycling Program by disposing of recyclables at a landfill or co-mingling with solid waste collection shall constitute a material breach of contract. In such case, the CITY may at its discretion terminate this contract for cause upon ten (10) days notice to CONTRACTOR, without opportunity for cure, there being no cure for lost recycling opportunities.

Contractor shall notify the City of the recycling location where recyclables will be unloaded and processed. The City reserves the right to approve contractor recycling site.

L. **Recycling Collection Option:**

It is the intent of the City to recycle at the City facilities listed in this RFP, and therefore has included a Recycling Collection Option for additional prices (or revenue gains) listing two (2) recycling option pricing categories. One Recycling Collection Option (Option A) price category is for "paper only" recycling, and the other Recycling Collection Option (Option B) price category is for "paper and commingled" recyclables. It is suggested that the CONTRACTOR propose recycling at facilities where practicable and cost efficient with regard to spatial constraints and the potential for recycling material generated. As recycling is not currently offered at all facilities at this time, it is suggested that the CONTRACTOR use EPA, the National Solid Waste Management Association, or similar industry standards for recycling at office buildings to estimate the potential for recyclables generated.

In order to ensure the highest recycling market value paid to the City by the CONTRACTOR, the City reserves the right at any time during the contract term ~~contract~~ to contract separately for the

collection, transportation, and processing of all recyclable materials, which may currently be in the waste stream at locations indentified in this RFP.

M. Monthly Report: CONTRACTOR shall complete and submit a Monthly Contract Report form (Exhibit C - Monthly Contract Report) to the CITY no later than the 15th day of the following month. The report shall also include a summary of CONTRACTOR's recycling education activities for that month.

N. Department Coordinators: Upon award of contract the awarded contractor will be provided with contact information for City of San Antonio Department Coordinators. Department coordinators shall notify contractor of container pulls, increases and decreases to service.

O. General Conditions:

It is the intent of the City of San Antonio to enter into a contract with a solid waste collection company to provide collection, and hauling, services and for provision of containers and maintenance of all necessary containers (dumpsters) used by the City at various locations. Container maintenance shall include both physical operability (seals, drain plugs, hinges, lid seals, appearance, etc.) and sanitation. In addition, the City reserves the right to add or delete services at any time for any location or quantities of containers at the contracted unit prices during the contract period.

City shall provide: accessible locations for contractors containers; designated contact person(s) for this contract. CITY reserves the right to manage certain classes of waste separately from this agreement.

P. Additional Container Requirements:

III. CERTIFICATIONS

CONTRACTOR warrants and certifies that CONTRACTOR and all other persons designated to provide said services required by this contract, have the requisite training, licenses and/or certifications, to include, but not limited to, a Municipal Solid Waste License. Additionally, the CONTRACTOR and any such other persons must meet all competence standards promulgated by authoritative bodies and regulatory agencies, such as Texas Commission on Environmental Quality, as applicable to the services provided herein.

IV. TERM OF CONTRACT

Commencement. The day legislated by City Council for commencing commercial solid waste collection; disposal and recycling service is expected to be October 1, 2008.

Expiration. The term of this Contract shall be for a two (2) year period beginning on October 1, 2008, and ending September 30, 2010. All optional terms, if any, shall commence on October 1st and end on September 30th of the respective calendar years.

Options. The CITY shall have the option to renew this Contract for two (2) additional one (1) year terms. There is no guarantee to the CONTRACTOR that the CITY will exercise this option to continue this contract beyond the initial 12-month period.

CONTRACTOR understands and agrees that if the CITY exercises its renewal option(s) under this Agreement for one or more one (1) year performance term(s), the only adjustments to provisions and conditions may be the CONTRACTOR's compensation amount, as per the formula below, and adjustment in the number of commercial units serviced. Modification of compensation for any renewal term shall be subject to a Consumer Price Index (CPI). The CPI adjustment used will be based on the US Department of Labor, Bureau of Labor Statistics, Consumer Price Index-Urban Wage Earners and Clerical Workers South Urban (all items) adjustment. During each successive optional term, if any, this adjustment shall not vary more than five percent (5%) from the preceding year's base compensation amount and over the potential life of the contract (includes the two (2) optional term years) shall not exceed 10% of the original contract price fixed for the 2009 term year.

Adjusted level of services. During the contract term, if the current level of City services as described in Exhibit A or B – Summary of Services to be provided by Contractor is modified, the CITY reserves the right to renegotiate contract prices based on the enhanced level of services to be provided. Examples of modified levels of service could include increased numbers of commercial pickups, or other services the City Council may add during the contract period(s). CONTRACTOR agrees to negotiate in good faith for additional services, if any are later proposed. Renegotiated services shall result in an amended contract that must be approved by City Council.

V. PRE-SUBMITTAL CONFERENCE

A Pre-Submittal Conference will be held at Solid Waste Management Department, 1940 Grandstand Dr., San Antonio, Texas at 11:00 a.m., Central Time, on June 27, 2008. Respondents are encouraged to prepare and submit their questions in writing five (5) calendar days in advance of the Pre-Submittal Conference in order to expedite the proceedings. City's responses to questions received by this due date may be distributed at the Pre-Submittal Conference and posted on the City's website at <http://www.sanantonio.gov/rfp/>. Attendance at the Pre-Submittal Conference is optional, but strongly encouraged.

VII. AMENDMENTS TO RFP

Changes, amendments, or written responses to questions received in compliance with Section IX, Restrictions on Communication may be posted on the City's website at <http://www.sanantonio.gov/rfp/>. It is Respondent's responsibility to review this site and ascertain whether any amendments have been made prior to submission of a proposal. A Respondent who does not have access to the Internet, must notify City in accordance with Section IX, Restrictions on Communication, that Respondent wishes to receive copies of changes, amendments, or written responses to questions by mail.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFP, and changes to the RFP – if any – shall be made in writing only.

The Contract Documents for this agreement shall consist of this RFP, its amendments and addenda, if any, and the Integration Agreement providing for negotiated changes and consolidation of the various contract writings, which Integration Agreement shall be duly executed by the parties' appropriate representatives. The enabling ordinance shall govern all contract documents.

VIII. SUBMISSION OF PROPOSALS

- A. Respondent shall submit one (1) original, signed in ink, twelve (12) copies, and one (1) compact disk (CD) in PDF format of the Proposal, in a sealed package, clearly marked on the front of the package, "Commercial Garbage Disposal Service for the City of San Antonio". All Proposals must be received in the City Clerk's office no later than 11:00 a.m., Central Time, on July 18, 2008 at the address below. Proposals submitted prior to the above time and date may be modified provided such modifications are sealed and received by the City Clerk's Office prior to the time and date set for submission of proposals. Any Proposal or modification received after this time shall not be considered.

Mailing Address:

City Clerk's Office, Attn: *Solid Waste Management Department*
P.O. Box 839966
San Antonio, Texas 78283-3966

Physical Address:

City Clerk's Office, Attn: *Solid Waste Management Department*
100 Military Plaza
2nd Floor, City Hall
San Antonio, Texas 78205

Proposals sent by facsimile or email will not be accepted.

- B. Proposal Format: Each proposal shall be typewritten and submitted on 8 ½" x 11" white paper inside a three ring binder. The use of recycled paper is encouraged. Unnecessarily elaborate brochures, artwork, bindings, visual aides, expensive paper or other materials beyond that sufficient to present a complete and effective submission is not required. Font size shall be no less than 12-point type. All pages shall be numbered and printed two-sided. Margins shall be no less than 1" around the perimeter of each page. Electronic files, websites, or URLs shall not be included as part of the proposal. Each proposal must include the sections and attachments in the sequence listed in the RFP Section V, Proposal Requirements, and each section and attachment must be indexed and divided by tabs and indexed in a Table of Contents page. Failure to meet the above conditions may result in disqualification of the proposal.
- C. Respondents who submit proposals to this RFP shall correctly reveal, disclose, and state the true and correct name of the individual, proprietorship, corporation, and /or partnership (clearly identifying the responsible general partner and all other partners who would be associated with the contract, if any). No nicknames, abbreviations (unless part of the legal title), shortened or shorthand, or local "handles" will be accepted in lieu of the full, true and correct legal name of the entity. These names shall comport exactly with the corporate and franchise records of the Texas Secretary of State and Texas Comptroller of Public Accounts. Individuals and proprietorships, if operating under other than an individual name, shall match with exact Assumed Name filings. Corporate Respondents and

limited liability company Respondents shall include the 11-digit Comptroller's Taxpayer Number in their proposal's Respondent Questionnaire.

If an entity is found to have incorrectly or incompletely stated its name or failed to fully reveal its identity on their proposal's Respondent Questionnaire, the Director of Solid Waste Management Department shall have the discretion, at any point in the contracting process, to suspend consideration of the proposal.

- D. All provisions in Respondent's proposal, including any estimated or projected costs, shall remain valid for ninety (90) days following the deadline date for submissions or, if a proposal is accepted, throughout the entire term of the contract.
- E. All proposals become the property of the City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted on the page(s) where confidential information is contained; however, the City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.
- F. Any cost or expense incurred by the Respondent that is associated with the preparation of the Proposal, the Pre-Submittal conference, if any, or during any phase of the selection process, shall be borne solely by Respondent.

IX. RESTRICTIONS ON COMMUNICATION

- A. Respondents are prohibited from communicating with elected City officials and their staff regarding the RFP or Proposals from the time the RFP has been released until the contract is posted as a City Council agenda item. Respondents are prohibited from communicating with City employees from the time the RFP has been released until the contract is awarded. These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFP and/or Proposal submitted by Respondents. Violation of this provision by Respondent and/or their agent may lead to disqualification of Respondent's proposal from consideration. Exceptions to the restrictions on communication with City employees include:
 - 1. Respondents may ask verbal questions concerning this RFP at the Pre-Submittal Conference.
 - 2. Respondents may submit written questions concerning this RFP to the Staff Contact Person listed in the address below until 4:00 p.m., Central Time, on July 3, 2008. Questions received after the stated deadline will not be answered. It is suggested that all questions be sent by certified mail, return receipt requested, to:

Jennifer Wood, Contract Coordinator
Purchasing & Contract Services Department
506 Dolorosa, Ste. 175
San Antonio, Texas 78205

However, electronic submissions by facsimile or e-mail will also be accepted at (210) 207-7270 and at Jennifer.wood@sanantonio.gov

3. Respondents and/or their agents are encouraged to contact the Small Business Outreach Office of the Economic Development Department for assistance or clarification with issues specifically related to the City's Small Business Economic Development Advocacy Program policy and/or completion of the Good Faith Effort Plan form. The point of contact is Ms. Melissa Aguillon. Ms. Aguillon may be reached by telephone at (210) 207-3900 or by e-mail at Melissa.Aguillon@sanantonio.gov. Respondents and/or their agents may contact Ms. Aguillon at any time prior to the due date for submission of proposals. Contacting her or her office regarding this RFP after the proposal due date is not permitted.
4. Respondents may provide responses to questions asked of them by the Staff Contact Person after responses are received and opened. During interviews, if any, verbal questions and explanations will be permitted.

B. City reserves the right to contact any Respondent to negotiate if such is deemed desirable by City.

X. EVALUATION CRITERIA

The City will conduct a comprehensive, fair and impartial evaluation of all Proposals received in response to this RFP. The City may appoint a selection committee to perform the evaluation. Each Proposal will be analyzed to determine overall responsiveness and qualifications under the RFP. Criteria to be evaluated may include the items listed below. The selection committee may select all, some or none of the Respondents for interviews. If the City elects to conduct interviews, Respondents may be interviewed and re-scored based upon this same criteria, or other criteria to be determined by the selection committee. The City may also request additional information from Respondents at any time prior to final approval of a selected Respondent. The City reserves the right to select one, or more, or none of the Respondents to provide services. Final approval of a selected Respondent is subject to the action of the City of San Antonio City Council.

Evaluation criteria:

- A. Experience, Background, Qualifications (25 %)
- B. Proposed Plan for Service Delivery (20 %)
- C. Evaluation of the Proposed Pricing Schedule (35 %)
- D. Small Business Economic Development Advocacy Program (SBEDA) (20%):
 1. A maximum of ten percentage (10) points for Local Business Enterprises (LBEs).

Prime contractors who have a local branch office will receive six percent (6%) of the selection points.

Non-local prime contractors can receive points for subcontracting with local businesses proportional to the amount of work performed by those local subcontractors (i.e. – 50% to local = 5 points).

2. A maximum of five percentage (5%) points for companies designated as Historically Underutilized Enterprises (HUEs).

Prime contractors who subcontract with HUEs can receive points proportional to amount of work performed by those HUEs (i.e. – 50% to HUEs = 2.5 points).

S/MBEs and/or SWBEs must be certified by the South Central Texas Regional Certification Agency, the City's certifying agency, or approved by the Director of Economic Development or designee to be considered HUEs.

3. A maximum of five percentage (5%) points for Prime Contractor compliance with the SBEDA Program policy:
 - a. One percent (1%) for submission/approval of the Good Faith Effort Plan
 - b. One percent (1%) for meeting/exceeding the MBE goal.
 - c. One percent (1%) for meeting/exceeding the WBE goal.
 - d. One percent (1%) for meeting/exceeding the AABE goal.
 - e. One percent (1%) for meeting/exceeding the SBE goal.

XI. AWARD OF CONTRACT AND RESERVATION OF RIGHTS

- A. City reserves the right to award one, more than one or no contract(s) in response to this RFP.
- B. The Contract, if awarded, will be awarded to the Respondent(s) whose Proposal(s) is deemed most advantageous to City, as determined by the selection committee, upon approval of the City Council.
- C. City may accept any Proposal in whole or in part. If subsequent negotiations are conducted, they shall not constitute a rejection or alternate RFP on the part of City. However, final selection of a Respondent is subject to City Council approval.
- D. City reserves the right to accept one or more proposals or reject any or all proposals received in response to this RFP, and to waive informalities and irregularities in the proposals received. City also reserves the right to terminate this RFP, and reissue a subsequent solicitation, and/or remedy technical errors in the RFP process.
- E. City will require the selected Respondent(s) to execute a contract with the City, prior to City Council award. No work shall commence until City signs the contract document(s) and Respondent(s) provides the necessary evidence of insurance as required in this RFP and the Contract. Contract documents are not binding on City until approved by the City Attorney. In the event the parties

cannot negotiate and execute a contract within the time specified, City reserves the right to terminate negotiations with the selected Respondent and commence negotiations with another Respondent.

- F. This RFP does not commit City to enter into a Contract, award any services related to this RFP, nor does it obligate City to pay any costs incurred in preparation or submission of a proposal or in anticipation of a contract.
- G. If selected, Respondent will be required to comply with the Insurance and Indemnification Requirements established herein.
- H. The successful Respondent must be able to formally invoice the City for services rendered, incorporating the SAP-generated contract and purchase order numbers that shall be provided by the City.
- I. Conflicts of Interest. Respondent acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a “prohibited financial interest” in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

Respondent is required to warrant and certify that it, its officers, employees and agents are neither officials nor employees of the City, as defined in Section 2-42 of the City’s Ethics Code. (Discretionary Contracts Disclosure – RFP Attachment B)

- J. Independent Contractor. Respondent agrees and understands that, if selected, it and all persons designated by it to provide services in connection with a contract, is (are) and shall be deemed to be an independent contractor(s), responsible for its (their) respective acts or omissions, and that City shall in no way be responsible for Respondent’s actions, and that none of the parties hereto will have authority to bind the others or to hold out to third parties, that it has such authority.
- K. Effective January 1, 2006, Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed conflict of interest questionnaire with the City Clerk not later than the 7th business day after the date the person: (1) begins contract discussions or negotiations with the City; or (2) submits to the City an application, response to a request for proposals or bids, correspondence, or another writing related to a potential agreement with the City. The conflict of interest questionnaire form is available from the Texas Ethics Commission at www.ethics.state.tx.us. Completed conflict of interest questionnaires may be mailed or delivered by hand to the Office of the City Clerk, if mailing a completed conflict of interest questionnaire, mail to Office of the City Clerk, P.O. Box 839966, San Antonio, TX 78283-3966. If delivering a completed conflict of interest questionnaire, deliver to: Office of the City Clerk, City Hall, 2nd floor, 100 Military Plaza, San Antonio, TX 78205. Respondent should consult its own legal advisor with questions regarding the statute or form.

L. Performance Bond: If selected, Respondent shall provide a performance bond, in the form acceptable to the City, made payable to the City of San Antonio, executed by a corporate surety acceptable to City who is licensed pursuant to the Texas Insurance Code and listed on the United States Department of the Treasury's Listing of Approved Sureties (Dept Circular 570) in the amount of the contract price. Said performance bond must have attached thereto a Power of Attorney as evidence of the authority of the person executing the bond to bind the surety. The performance bond must clearly and prominently display on the bond or on an attachment to the bond: (1) the name, mailing address, physical address, and telephone number, including the area code, of the surety company to which any notice of claim should be sent; or (2) the toll-free telephone number maintained by the Texas Department of Insurance under Article 1.35D, Insurance Code, and a statement that the address of the surety company to which any notice of claim should be sent may be obtained from the Texas Department of Insurance by calling the toll-free telephone number.

The bond must be in place for all annual performance periods while the contract is in effect.

In lieu of a statutory public work Performance Bond, a performance deposit may be tendered in the form of a certified check drawn upon a state or national bank or trust company, executed by a duly authorized officer thereof (check payable to the City of San Antonio).

If a performance deposit is made, instead of a Performance Bond, it shall be returned to the CONTRACTOR upon completion of the contract to the CITY's satisfaction.

RFP ATTACHMENT D

**SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY PROGRAM
POLICY AND GOOD FAITH EFFORT PLAN FORM**

SMALL BUSINESS PROGRAM

1. **Small Business Participation**

Pursuant to Ordinance No. 2007-04-12-0396, it is the policy of the City of San Antonio to involve Small, Minority, Women and African-American Owned Business Enterprises (S/M/W/AABE) to the greatest extent feasible in the City's discretionary contracts. The intent and purpose of the policy is to ensure that S/M/W/AABE firms have the opportunity to compete for City contracts without discrimination on the basis of race, color, religion, national origin, age, sex or handicap. To accomplish the objectives of the Small Business policy, the City has established specific goals for local S/M/W/AABE participation in this contract.

2. **DEFINITIONS** related to the Small Business Program Provisions:

- a. **Small Business Program:** the Small Business Economic Development Advocacy ("SBEDA") Program governed by this ordinance and managed by the SMALL BUSINESS Program Office.
- b. **Small Business Enterprises (SBE):** a corporation, partnership, sole proprietorship or other legal entity, for the purpose of making a profit, which is independently owned and operated and which meets the U.S. Small Business Administration (SBA) size standard for a small business. All firms meeting these thresholds will be considered an SBE.
- c. **Local Business Enterprise (LBE):** a corporation, partnership, sole proprietorship, or other legal entity, which is headquartered within Bexar County for at least one year. For a branch office of a non-headquartered business to qualify as an LBE, the branch office must be located in Bexar County for at least one-year and employ a minimum of ten (10) residents of Bexar County for use at the local branch office.
- d. **Minority Business Enterprise (MBE):** a sole proprietorship, partnership, or corporation owned, operated, and controlled by a minority group member(s) who has at least 51% ownership. Minority group member(s) include African-Americans; Hispanic Americans; Asian-Pacific Americans; Asian-Indian Americans; American Indians; and Disabled Individuals. The minority group member(s) must have operational and managerial control, interest in capital, expertise and earnings commensurate with the percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as an MBE, the enterprise shall be headquartered in Bexar County or the San Antonio Metropolitan Statistical Area (the SAMSA) for any length of time, or shall be doing business in a locality or localities from which the City regularly solicits, or receives bids on or proposals for, City contracts within the MBE's category of contracting for at least one year.
- e. **Woman Business Enterprise (WBE):** a sole proprietorship, partnership, or corporation owned, operated and controlled by women who have at least 51% ownership. The woman or women must have operational and managerial control, interest in capital, expertise and earnings commensurate with the percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as a WBE, the enterprise shall be headquartered in Bexar County or the SAMSA for any length of time or shall be doing business in a locality or localities from which the City regularly solicits or receives bids on or proposals for, City contracts within the WBE's category of contracting for at least one year.
- f. **African-American Business Enterprise (AABE):** a sole proprietorship, partnership, or corporation owned, operated and controlled by an African-American group member(s) who has at least 51% ownership. The African American Group member(s) must have operational and managerial control, interest in capital, expertise and earnings commensurate with the

percentage of ownership and be legal residents or citizens of the United States or its territories. To qualify as an AABE, the enterprise shall be headquartered in Bexar County or the SAMSA for any length of time or shall be doing business in a locality or localities from which the City regularly solicits, or receives bids on or proposals for, City contracts within the AABE's category of contracting for at least on year.

3. Goals for Small Business Participation

The goals for the utilization and participation of SBE-MBE-WBE-AABE businesses on this contract are as follows:

MBE	31%
WBE	10%
AABE	2.2%
SBE	50%

Please note that a small business could be classified in multiple categories and thus their utilization could in theory be counted in each category of goals. For example, **Prime Contractor X** submits a proposal, which specifies that they intend to subcontract with Subcontractor A for 10% of the contract. Subcontractor A is certified by the City as an SBE and MBE (a male-owned Hispanic Business owner can be certified as an SBE and MBE). **Prime Contractor X** also intends to subcontract with Subcontractor B for 13% of the contract. Subcontractor B is certified by the City as SBE, MBE and a WBE (a female-owned Hispanic Business owner can be certified as SBE, MBE and WBE). In addition, **Prime Contractor X** also intends to subcontract 10% of the contract to Subcontractor C—a City certified SBE, MBE and AABE (a male-owned African-American business owner can be certified as both a MBE and as an AABE Business). **Prime Contractor X** is also classified as a local SBE. **Prime Contractor X's** compliance with the Small Business goals under this scenario would be as follows:

	City's Small Business Goals	Prime Contractor X's Compliance
MBE	31%	33%
WBE	10%	13%
AABE	2.2%	10%
SBE	50%	100%

Under this scenario, the contractor would be in full compliance with the Small Business policy.

Another example regarding compliance with the policy is as follows: **Prime Contractor Y** submits a proposal, which specifies that they intend to partner through a joint-venture agreement with Company D. Company D is certified by the City as both an SBE and MBE (a male-owned Hispanic Business—certified as an SBE and MBE). As part of their joint-venture agreement, Company D will perform on 32.5% of the contract. **Prime Contractor Y** also intends to subcontract 13% of the contract with Subcontractor F. Subcontractor F is a City certified SBE/MBE/WBE and AABE business. **Prime Contractor Y** is also classified as a local SBE. **Prime Contractor Y** compliance with the Small Business goals would be as follows:

	City's Small Business Goals	Prime Contractor Y's Compliance
MBE	31%	45.5%
WBE	10%	13%
AABE	2.2%	13%

SBE	50%	100%
-----	-----	------

Under this scenario, the contractor would be in full compliance with the Small Business policy.

4. **Good Faith Effort Required**

Proposals shall include a Good Faith Effort Plan (GFEP—ATTACHED). The GFEP shall include specific documentation to utilize local, small, MBE-WBE-AABE businesses in a percentage, which equals or exceeds the above goals. **Any proposal that does not include the GFEP form shall be declared non-responsive, and excluded from consideration.**

5. **MBE-WBE-AABE Certification Required**

Only companies certified as MBE, WBE, or AABE through the South Central Texas Regional Certification Agency (SCTRCA), or as approved by the City of San Antonio Director of Economic Development, can be applied towards the contracting goals. Proof of certification must be submitted.

6. **Small Business Program Information**

Interested contractors/proposers are encouraged to contact the Small Business Outreach Office for information regarding the City's Small Business Program Policy in accordance with the City's Communication Policy outlined in the solicitation document. Please call (210) 207-3900 or FAX: (210) 207-3909.

Note: Optional items and pricing may be included as part of the proposal evaluation criteria; however, the CITY may opt to include as part of the final contract negotiations.

RFP ATTACHMENT F
INSURANCE REQUIREMENTS

If selected to provide the services described in this RFP, Respondent shall be required to comply with the insurance requirements set forth below:

INSURANCE

- A) Prior to the commencement of any work under this Agreement, Respondent shall furnish copies of all required endorsements and an original completed Certificate(s) of Insurance to the City’s *Solid Waste Management Department*, which shall be clearly labeled “Commercial Garbage Services for the City of San Antonio” in the Description of Operations block of the Certificate. The original Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The City will not accept Memorandum of Insurance or Binders as proof of insurance. The original certificate(s) or form must have the agent’s original signature, including the signer’s company affiliation, title and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer’s authorized representative to the City. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City’s *Solid Waste Management Department*. No officer or employee, other than the City’s Risk Manager, shall have authority to waive this requirement.

- B) The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits when deemed necessary and prudent by City’s Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereupon City may incur increased risk.

- C) A Respondent’s financial integrity is of interest to the City; therefore, subject to Respondent’s right to maintain reasonable deductibles in such amounts as are approved by the City, Respondent shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at Respondent’s sole expense, insurance coverage written on an occurrence basis, by companies authorized and admitted to do business in the State of Texas and with an A.M Best’s rating of no less than A- (VII), in the following types and for an amount not less than the amount listed below:

TYPE	AMOUNT
1. Workers’ Compensation and Employers’ Liability	Statutory \$1,000,000 Each Occurrence
2. Broad Form Commercial General Liability to include coverage for the following:	
a. Premise/Operations	Bodily Injury and Property Damage of \$1,000,000 per occurrence; with an aggregate of \$2,000,000 or its equivalent in umbrella or excess liability coverage
b. Independent CONTRACTOR	
c. Product/Completed Operations	
d. Personal Injury	
e. Contractual Liability	

f. Environmental Impairment /Impact-sufficiently broad to cover disposal liability on an occurrence basis.	\$5,000,000
3. Comprehensive Automobile Liability Insurance	
a. Owned/Leased vehicles b. Hired/non-owned vehicles	Combined Single Limit for Bodily Injury and Property Damage of \$1,000,000 per occurrence or its equivalent

D) Respondent agrees to require, by written contract, that all subcontractors providing goods or services hereunder obtain the same insurance coverages required of Respondent herein, and provide a certificate of insurance and endorsement that names the Respondent and the City as additional insured. Respondent shall provide the City with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City’s Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City’s Risk Manager, which shall become a part of the contract for all purposes.

E) The City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page and all endorsements thereto as they apply to the limits required by the City, and may require the deletion, revision, or modification of particular policy terms, conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Respondent shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to City at the address provided below within 10 days of the requested change. Respondent shall pay any costs incurred resulting from said changes. All notices under this Article shall be given to City at the following address:

City of San Antonio
Attn: Solid Waste Management Department
P.O. Box 839966
San Antonio, Texas 78283-3966

F) Respondent agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

- Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insured by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the City, with the exception of the workers’ compensation and professional liability policies;

- Provide for an endorsement that the “other insurance” clause shall not apply to the City of San Antonio where the City is an additional insured shown on the policy;
 - Workers’ compensation and employers’ liability policies will provide a waiver of subrogation in favor of the City.
 - Provide thirty (30) calendar days advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.
- G) Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Respondent shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Respondent’s performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.
- H) In addition to any other remedies the City may have upon Respondent’s failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Respondent to stop work hereunder, and/or withhold any payment(s) which become due to Respondent hereunder until Respondent demonstrates compliance with the requirements hereof.
- I) Nothing herein contained shall be construed as limiting in any way the extent to which Respondent may be held responsible for payments of damages to persons or property resulting from Respondent’s or its subcontractors’ performance of the work covered under this Agreement.
- J) It is agreed that Respondent’s insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.
- K) It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement.

RFP ATTACHMENT G
INDEMNIFICATION REQUIREMENTS

If selected to provide the services described in this RFP, Respondent shall be required to comply with the indemnification requirements set forth below:

INDEMNIFICATION REQUIREMENTS

RESPONDENT covenants and agrees to FULLY INDEMNIFY and HOLD HARMLESS, the CITY and the elected officials, employees, officers, directors, volunteers and representatives of the CITY, individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury, death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to RESPONDENT's activities under this CONTRACT, including any acts or omissions of RESPONDENT, any agent, officer, director, representative, employee, consultant or subcontractor of RESPONDENT, and their respective officers, agents, employees, directors and representatives while in the exercise of performance of the rights or duties under this CONTRACT, all without however, waiving any governmental immunity available to the CITY under Texas Law and without waiving any defenses of the parties under Texas Law. IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS, VOLUNTEERS AND REPRESENTATIVES OF CITY, UNDER THIS CONTRACT.

It is the EXPRESS INTENT of the parties to this CONTRACT, that the INDEMNITY provided for in this section, is an INDEMNITY extended by RESPONDENT to INDEMNIFY, PROTECT and HOLD HARMLESS, the CITY from the consequences of the CITY'S OWN NEGLIGENCE, provided however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the City is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the City is the sole cause of the resultant injury, death, or damage. RESPONDENT further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND IN THE NAME OF THE CITY, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.

The provisions of this INDEMNIFICATION are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

RESPONDENT shall advise the CITY in writing within 24 hours of any claim or demand against the CITY or RESPONDENT known to RESPONDENT related to or arising out of RESPONDENT's activities under this contract, and shall see to the investigation and defense of such claim or demand at RESPONDENT's cost. The CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving RESPONDENT of any of its obligations under this paragraph.

Regulatory Compliance and Criminal History Warranty; Acknowledgement of Fiduciary Duty Owed by Selected PROPONENT to City

- (a) Compliance Histories, Warranty, Fiduciary Duty, Discretionary Termination. The successful bidder [proponent] must demonstrate to the City's satisfaction that bidder [proponent] has clean environmental, criminal, and other compliance histories with state, federal, and local agencies or authorities. By submission of a bid or proposal in response to this solicitation, bidder [proponent] warrants to the City that he / she / it (in the case of a corporation or other legal entity), including advisors, executive and supervisory employees, agents and representatives, are in good stead with all regulatory authorities that may have interests in or jurisdiction over the work activity or service bid [proposed] by the proponent. Regulatory interest or jurisdiction may go directly to the Contract activity in question, to potential consequences of the activity, or indirectly to any regulated matter which may reflect upon the Selected PROPONENT's competency and integrity. The City relies upon selected PROPONENT's Warranty and shall treat the selected PROPONENT as having a special fiduciary duty to the City in this respect due to potential for environmental, third party, and other regulatory liabilities which may attend this Contract, including but not limited to regulatory criminal responsibility. Selected PROPONENT acknowledges such fiduciary duty to the City, promising a high standard of performance and best efforts to protect the public interest against consequences of environmental mishap. Selected PROPONENT warrants that no matters pertaining to violations, notices of violation, or notices of regulatory concern are now pending against selected PROPONENT or those persons (employees / affiliates) of concern mentioned above; and that no civil or criminal litigation, and no manner of enforcement activity, however preliminary, is pending against selected PROPONENT or those persons, regardless of category or class of violation or potential violation. If any such matters are pending, selected PROPONENT must reveal and explain those matters in writing at the time his / her / its bid [proposal] is tendered to the City. If any such matters have been resolved, during the last five (5) years, selected PROPONENT must similarly reveal and explain same to the City with the bid [proposal] submission. The City retains the right to determine, according to its discretion, whether or not a pending, unresolved, or resolved enforcement issue or criminal matter concerning selected PROPONENT, its operations, or employees / agents / representatives may impact the responsible status of selected PROPONENT, i.e., render the selected PROPONENT unqualified, or detract from selected PROPONENT's competency standing. In reliance on selected PROPONENT's Warranty, the City reserves to itself the right to terminate the Contract, without further obligation upon the City and without further recourse or remedy for the selected PROPONENT except that the City shall duly pay selected PROPONENT for work or services performed to date of termination, should the City determine, following award of the Contract that selected PROPONENT failed to reveal and explain to the City's satisfaction any such matters having regulatory or criminal import or implications.
- (b) Criminal Histories. Pending and Resolved; Termination. Selected PROPONENT must disclose and explain in writing any pending criminal matters associated with his / her / its business operation. This disclosure goes to selected PROPONENT's person, and to all persons working for selected PROPONENT in a supervisory, advisory, executive, agency, or in any representative capacity or manner associated with

selected PROPONENT's business enterprise, which person(s) have any criminal enforcement action pending against him or her, regardless of class or category of alleged violation which may be pending, however preliminary, including investigation. And concerning resolved criminal matters, selected PROPONENT must make similar written disclosures and explanations for the same category of persons, which disclosures and explanations concern any criminal enforcement action that may have been resolved against such persons during the last five (5) years. Failure to make such disclosures and explanations, with the submission of the bidder's [proponent's] response to the City's solicitation, shall be grounds for the City's termination of the Contract, should such information come to the City's attention after award of the contract; in which case, selected PROPONENT shall be without recourse and remedy, except for the City's payment to selected PROPONENT for services or work performed up to date of termination.

- (c) **Voidable Contract.** Selected PROPONENT's failure to abide by disclosure and explanation requirements, in (a) and (b), above, shall render the Contract voidable at the City's discretion, with no compensation due selected PROPONENT, if concealed or undisclosed violations, or undisclosed or concealed investigations leading to formal criminal charges, are of such portent, in the City's judgement, as to place the City in a position of regulatory or third party liability exposure, or shall pose or result in a threat to the public health, safety, or welfare. Any sums paid selected PROPONENT, in the event of a voided contract, shall be recoverable by the City, in addition to and cumulative of any other legal or equitable remedies the City may have. Selected PROPONENT understands the City shall enjoy the termination and voidable contract remedies set forth in paragraph (b) and this paragraph (c) due to the fiduciary duty owing from selected PROPONENT to City and due to the City's reliance on the selected PROPONENT's Warranty of Regulatory Compliance and clean Criminal History.

SUBJECT:
Recycling of Commercial Garbage Disposal Services for the City of San Antonio

SUMMARY:

This ordinance authorizes a contract with Mid-America, dba Greenstar, (Greenstar), to provide a six (6) month pilot program for recycling of commercial garbage disposal services for the City of San Antonio. The intent of the pilot program is to determine the necessity of a recycling program for the City of San Antonio commercial areas. The pilot program will provide for collection of recyclable material and thereby reduce the amount of waste generated into the solid waste stream. The estimated cost of this six (6) month pilot program is approximately \$4,500.00.

BACKGROUND INFORMATION:

Submitted for City Council consideration and action is the proposal submitted by Greenstar to provide the recycling of commercial garbage disposal services for the City of San Antonio which includes recyclables of office paper, newspaper, cardboard, plastic bottles, cups, aluminum cans, and glass bottles.

A Best and Final Offer for Recycling of Commercial Garbage Disposal Services was issued in response to a Request for Proposal (RFP) for Commercial Garbage Disposal Services, with an option to provide recycling collection services, by the Purchasing and General Services with the coordinated efforts of the Solid Waste Management Department. One (1) valid response was received and evaluated based on the criteria of experience, background, qualifications, proposed plan for recycling collection services, fee schedule and the Small Business Economic Development Advocacy Program (SBEDA). The committee is recommending Greenstar for award of the contract for recycling of commercial garbage disposal services.

There is not a current contract service provider for commercial garbage disposal recycling services. Greenstar shall supply all necessary equipment, transportation and recycling process facilities to perform all services described for the legal hauling and processing of all recyclables. Greenstar possesses all licenses and /or certificates to perform recycling of commercial garbage disposal services. The City seeks to recycle at facilities where practicable and cost effective with regard to spatial constraints and volumes of recyclables generated. The Solid Waste Management Department has

conducted an assessment of nineteen (19) locations, including the Convention Center, to implement a commercial recycling pilot program where recycling collection shall be the most optimal.

The pilot program will be implemented for six (6) months at optimal locations for the collection of recyclables such as newsprint, office paper, aluminum cans, plastics, etc. The city locations include police and fire sub-stations, traffic department, health clinics, Bob Ross Center and Animal Care Services. The Solid Waste Management Department estimates, at these locations, that approximately 22.4 tons per month may be collected for recycling. The Convention Center is also included in the pilot program and estimates that approximately 33.60 tons per month may be collected for recycling. This pilot program will reduce the amount of refuse into the solid waste stream and garbage collection and disposal expense.

Through the pilot program the City may preserve 336 tons of landfill space for the six (6) month period. The recycling of commercial garbage disposal services is a continuing effort to conserve landfill space, to protect the environment, and to promote the reuse of recyclable materials.

ISSUE:

This contract shall provide for the recycling of commercial garbage disposal services for the City of San Antonio. The service provides for the container rental, collection, hauling and processing of all recyclable contents. Rental equipment provided in the contract is comprised of 95-gallon carts, 6 cu. yd. containers and 42 cu. yd. compactors. The containers shall be serviced for collection and processing of recyclables once a week on scheduled routes and also on an on call basis as determined by the city departments.

Approval of this contract is necessary for the commercial solid waste operations serving the sanitation needs for the various city departments. This award will authorize an annual contract to provide recycling of commercial garbage disposal services beginning January 1, 2009 through September 30, 2010, with 2, 1 year options to extend, contingent upon evaluation of pilot program.

ALTERNATIVES:

The City of San Antonio does not currently possess the vehicles, equipment and containers to provide for this commercial recycling service in-house. By utilizing the recycling services of Greenstar the city may realize a decreased expense for commercial garbage collection and disposal.

Should this contract not be approved, the city departments will be required to continue to dispose of all commercial garbage by use of the annual commercial garbage disposal contract. The Purchasing & General Services Department will be required to re-solicit for commercial garbage recycling services for the City of San Antonio.

FISCAL IMPACT:

Funds are not encumbered for this ordinance. Market prices for recyclable materials are similar to commodity markets and are subject to daily fluctuations. The estimated cost of this six (6) month pilot program for the police and fire sub-stations, traffic department, health clinics, Bob Ross Center and Animal Care Services is approximately \$21,120.00. The Convention Center may realize a revenue gain of approximately \$16,650.00 for the six (6) month pilot program.

The Convention, Sports and Entertainment Facilities (CSEF) received a Regional Solid Waste Pass Through Grant from the Alamo Area Council of Governments (AACOG) to support the effort for increasing the collection of recyclable materials and thereby

reducing the amount of waste generated for disposal for the H.B. Gonzalez Convention Center.

RECOMMENDATION:

Staff recommends the approval of this annual contract with Greenstar for the recycling of commercial garbage disposal services.
