If in any case it shall appear that said part of said work has been, in good faith and prior to the date of the contract of the City, contracted for by the owner of the abutting property for immediate construction, then, if so required by written demand of such owner, the City Engineer shall be authorized to direct by his written order or orders that contractor shall omit the work along or in front of such parcel~~s~~ or parcels of property, and such work shall thereupon be so omitted and contractor shall not be entitled to any assessment or payment on account of such omitted work; and no omissions of any part of said work shall affect any other part of said contract or any assessment for any other part of said work.

The City Commissioners reserve the right to reject any and all bids. The nature of the proposal and the date for opening bids and the full name and place of residence of each bidder must appear on the envelope containing bids. All checks will be returned upon rejection of bid or upon execution and approval of contract and bonds.

VI. Said improvements and the bids, arrangements, contracts and bonds in connection with said work, and payment for said work shall be made under and governed by the provisions of an ordinance of the City Council of the City of San Antonio, known as the "Procedure Ordinance", passed and approved on December 13, 1913, entitled "An ordinance establishing a uniform plan under which all permanent paving and certain other permanent street improvements in this City shall be made and be paid for wholly or partly by special assessments; defining the procedure with reference to such improvements and assessments; and prescribing certain rights and liabilities of property owners, contractors and others, and for other purposes", together with all amendments to said Ordinance in effect at this date; provided however, that in conformity with the ordinances specially governing sidewalk construction, (a) the bond guaranteeing said work shall cover a period of two years; and (b) the assessment certificates shall be payable in two installments, the first in thirty days and the second in one year, from and after the date of the certificate of acceptance by the City of the work executed under said contract; and (c) the improvements so ordered shall constitute separate and distinct improvements for each parcel of such real property, neither affecting nor affected by any other such improvements included in the same proceedings or contract; and provided further, that in the event the bid accepted is the bid of any contractor licensed and bonded in accordance with the provisions of said Ordinance entitled "An ordinance amending an Ordinance of this City passed on August 10, 1914, relating to the construction of sidewalks, passed and approved on September 18th, 1916, the guaranty and maintenance of said work shall be governed by the provisions of paragraph (h) of said Section Two thereof, and covered by the general contractors bond in the sum of Two Thousand (\$2000.)
