AN ORDINANCE *88-196*

LEVYING SPECIAL ASSESSMENTS ON ACCOUNT OF THE IMPROVEMENT OF RICHMOND AVENUE BY OPENING, EXTENDING AND ESTABLISHING BETWEEN THE EAST LINE OF AUGUSTA STREET AND THE WEST LINE OF THE AUDITORIUM GROUNDS; PROVIDING FOR THE ISSUANCE OF ASSIGNABLE BENEFIT ASSESSMENT CERTIFICATES, ETC.

BE IT ORDAINED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO:-

1. That WHEREAS, the Commissioners of the City of San Antonio, by an Ordinance, duly passed and approved on the 24th day of December, A. D. 1928; did order the improvement on the Special Assessment Plan, of that portion of Richmond Avenue between its intersection with the East line of Augusta Street and the West line of the Auditorium Grounds, in the City of San Antonio, a municipal corporation, of the County of Bexar, and State of Texas, by opening, extending and establishing the said Richmond Avenue; and,
2. Said Ordinance further provided that a hearing be given to the owners of property abutting or in the vicinity of such improvement specially benefitted thereby, and to all persons interested therein, their agents and attorneys; for the purpose of determining the amounts, if any, that should be assessed against said owners and said properties, to defray the lawful part of each for the cost of said improvements; and,
3. Said improvements, the special assessments to be levied therefor, and all proceedings, notices and instruments in connection therewith, are governed by certain rules and regulations described in a certain Ordinance of the City of San Antonio, passed and approved on the 24th day of December, A. D. 1928, which together with Chapter 17, Title 28, of the Revised Statutes of Texas for 1925, as amended and revised, are made a part of this Ordinance; and, all proceedings and other matters requisite to the passage of this Ordinance have been regularly had, done and performed, and are hereby ratified and confirmed.
4. The notice of said property owners' hearing was duly given in the manner and for the time required by the laws of the State of Texas and the Ordinances of the City of San Antonio, and the hearing was duly opened at the time and place prescribed by law and notices, to-wit: In the Council Chamber of the City of San Antonio in the City Hall of the City of San Antonio, on the 25th day of February, A. D. 1929, at 10:00 o'clock A. M. At that time and place and in the manner and form prescribed by Statute and Ordinance, an opportunity was afforded all the owners of property abutting or in the vicinity of such improvement specially benefitted thereby and all other persons interested therein or having a lien thereon, their agents and attorneys, to have a full and fair hearing, and to contest any proposed assessment against said property, or the personal liability, the regularity of any and all proceedings with reference thereto, and the benefits to be derived by said property by reason of the improvement proposed to

be effected; all of which more fully appears in the record of the hearing on said Richmond Avenue opening, extending and establishing, recorded as provided by Ordinance and Statute among the records of the City Clerk of the City of San Antonio.

5. After said hearing was fully and fairly held and all parties heard, same was closed on the same day that it was opened, to-wit, on the 25th day of February, A. D. 1929, and the Commissioners of the City of San Antonio, having heard and considered all of the evidence and the facts concerning the matter generally, arrived at their determination and conclusion in the matter, and by Ordinance ordered the assessment hereinafter provided for to be made and this assessment ordinance drawn and presented for final passage.

6. At said hearing all persons desiring to contest said proposed assessment, or to be heard with regard thereto, or their personal liability in connection therewith, the regularity of the proceedings concerning the same, or any other matter with reference thereto were duly heard and their claims fully considered and adjudged, and thereupon any and all errors, mistakes and other matters requiring rectification were fully examined into and were considered, corrected and adjudged, and the Commissioners of the City of San Antonio, having been fully advised in the premises, and having heard the evidence, pro and con, and having examined the plat and statement of the City Engineer, were and are of the opinion that the assessments hereinafter levied and the personal liabilities hereinafter declared are just and equitable, and that no assessment hereinafter made is in any case in excess of the actual benefit to the property and to the owner thereof in the enhanced value of the property by reason of such improvement.

7. These premises considered, BE IT FURTHER ORDAINED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO: That the aggregate amount hereinafter shown, being part of the cost of said improvements, shall be, and the same is, hereby levied, charged, apportioned and assessed against the property hereinafter described and each parcel thereof, whether one lot or more, and against each of the several owners of said property, in the respective itemized amounts set opposite the name or names of each such person or persons and the description of each such parcel of property, the personal liability of each person being that amount set opposite his name, and the assessment of said amount against said property being made as against the interest of said persons in said property, as hereinafter shown.

8. Each lot or parcel of property so assessed is located within the corporate limits of the City of San Antonio Bexar County, Texas, abutting on said highway, or portion thereof, so improved by opening, extending and establishing, or in the vicinity of such improvement specially benefitted thereby, and is hereby described wherever practicable, by the New City Block (N. C. B.) number, and by lot and number in each such block; but each such parcel of property, if any, indicated hereunder in any such block by letters in lieu of or in connection with the lot numbers, is the same property indicated by the corresponding letter in the corresponding block shown on said plat for said improvement, now on file in the office of the City Clerk, and in the office of the City Engineer, which plat is made a part hereof; and each of said lots and parcels of property and the front footage thereof on said highway is shown hereunder, in feet, in the column headed "Front Ft.", and said letters, if any, indicating such parcels, in the following list as the same are found in said plat and on the ground; and each such description and assessment shall be held to extend back from said line abutting on said highway and to include the entire depth and area of each such respective parcel, lot or tract of property, as the same may be owned and bounded at this date; and the abbreviations "N", "S", "E" or "W", when used before a lot number, shall be taken to mean respectively the "Northern", "Southern",

"Eastern" or "Western" parts of said lots or blocks, before the number of which any of such abbreviations may be placed; and the names of said owners, their interest in the property, the description of said property and the amounts respectively assessed against them and said property, are as follows, to-wit:-

9. That the amounts so specified above as assessed against the respective property and persons named, are assessed ~~severally~~ against said persons and their interest in said property as hereinabove described and set out, and shall, together with interest thereon at the rate of seven per cent (7%) per annum from the date of the Assessment Certificate herein provided for, be divided into ten equal installments. The first installment shall be payable one year after the date of the Certificates, the other installments one each year thereafter, respectively, for nine consecutive years, said owners having the right to pay any or all of said installments before maturity, upon the payment of all accrued interest; and said amounts so assessed, together with the interest and the cost of the collection of said sums, including an attorney's fee, if incurred, are hereby DECLARED AND ORDAINED to be good and lawful liens upon the said respective parcels of property herein described and a personal liability of the respective owners thereof; and such assessments and liens shall be superior to all other liens and claims, save and except state, county and municipal taxes.

10. Assignable Certificates prepared in accordance with the law and this Ordinance and the other Ordinances of the City of San Antonio, and evidencing the respective unpaid amounts due from the persons hereinabove set out and chargeable against the parcels of property hereinbefore described, shall be forthwith issued in the name of the City of San Antonio, and payable to the City of San Antonio, or its order.

11. It being found and considered necessary and desirable, in order to obtain funds now for said improvements, and in order to finance such project, to issue said certificates at this date; and these matters having been fully considered and passed upon and adjudged in determin-

ing the benefits to be received, IT IS ORDAINED that said Assessment Certificates shall be issued forthwith, prior to the completion of the work and shall bear the date of the passage of this Ordinance, and the first installment coupon shall be payable, as herein set out, one year after date, and the others, one of which shall constitute the Certificate itself, shall be payable one each year thereafter for nine consecutive years.

12. All other matters and proceedings in connection herewith shall be regulated and conducted as provided by law and the "Improvement Ordinance" of the City of San Antonio, as same now stands amended, and insofar as same may be applicable hereto.

13. Full correction of any mistakes or any irregularity in any of said proceedings, and re-assessment, if necessary, shall be made in case the Commissioners of the City of San Antonio deem it proper to do so, or if the holders or holders of said assignable certificates shall request such action; and in case of any error or invalidity.

14. This Ordinance being of urgent importance because of the necessity for making the improvements herein set out, and the collection and use of the money covered by said Certificates and having been passed by the unanimous vote of the Commissioners of the City of San Antonio, shall take effect from and after its passage.

AN ORDINANCE **08-197**

An Ordinance requiring persons drilling surface water wells within the territorial limits of the City of San Antonio, to obtain a permit from the City Health Officer of the said City; stating the required depth of a surface water well; vesting powers in the City Health Officer to cancel previously issued permits and power to condemn surface water wells in existence at the time of the passage of this Ordinance; and providing penalties for the violation of this Ordinance.

BE IT ORDAINED BY THE MAYOR AND COMMISSIONERS OF THE CITY OF SAN ANTONIO:

Section 1. It shall hereafter be unlawful for any individual, person or persons, firm or corporation, to drill, sink, dig or bore any surface water well within the territorial limits of the City of San Antonio, without first having procured, from the City Health Officer of the City of San Antonio, a permit to drill, sink, dig or bore said surface water well.

Section 2. It shall be the duty of the City Health Officer to inspect the property where any well is to be drilled, sunk, dug or bored, and to refuse the issuance of a permit to drill, sink, dig or bore a well in a place which does not meet with his approval as to drainage and other sanitary conditions after taking into consideration the type of well to be drilled, sunk, dug or bored. The City Health Officer shall issue no permit to drill, sink, dig or bore any surface water well unless the same shall be at least one hundred (100) feet deep. And the said City Health Officer shall have the right to examine and inspect any surface water well in the territorial limits of the City of San Antonio, as often and at such times as in his opinion may be necessary (and imperative for the preservation and protection of public health. And the said City Health Officer shall have the right and authority to cancel any previously issued permit should the well be found to be in a contamination condition or in other way a menace to public health. The said City Health Officer may condemn any surface water well now or hereafter

in existence as a nuisance and a danger to public health and cause the same to be filled in, cemented over or otherwise destroyed, as he may see fit unless remedied to conform with such laws and requirements as the City Health Officer may direct.

Section 3. Any individual, person or persons, firm or corporation, violating any section or part of a section of this Ordinance shall be deemed guilty of a misdemeanor and shall upon conviction thereof be fined in any sum not less than five (\$5.00) dollars, nor more than two hundred (\$200.00) dollars, and each day shall constitute a separate and distinct offense.

Section 4. All Ordinances or parts of Ordinances in conflict herewith shall be and are repealed.

AN ORDINANCE **08-199**

An Ordinance regulating the weight, wrapping, sale and transportation of bread, providing penalties.

BE IT ORDAINED BY THE MAYOR AND COMMISSIONERS OF THE CITY OF SAN ANTONIO:-

Section 1. It shall be unlawful for any person, by himself or his employee or agent, or as the employee or agent of another, to manufacture for sale, sell, offer or expose for sale, any bread otherwise than in the following units of weight: One pound net, one and one-half pounds net, or multiples of one pound net.

Section 2. The weight specified in the preceding section shall mean net weights not more than twenty-four hours after baking, nor more than twenty-four hours after sale and delivery by the manufacture for re-sale; such weights shall be determined by the average weight of not less than six loaves and provided further than bread found upon any premises occupied for the manufacture of bread for sale or any bread found in the wagons, trucks, baskets, boxes or other delivery vehicle or receptacle owned or controlled by the manufacturer of such bread and being transported or delivered for sale and any bread offered for sale shall, for the purposes of section, be deemed prima facie to have been baked within twenty-four hours, unless such bread is marked, designated, or segregated as "stale bread". The variation and tolerance in the

Weight of bread allowed under this Ordinance shall not exceed one (1) ounce per pound in deficiency within the required twenty-four hours. The weights herein set out shall not apply to rolls nor to "stale bread" when sold as such, nor to restaurant nor sandwich bread sold under a written contract and used on the premises, nor to bread sold by the piece cut from the loaf.

Section 3. All bread sold, offered or exposed for sale the territorial limits of the City of San Antonio, shall be wrapped and such wrapper shall bare the name and address of the manufacturer of the said bread.

Section 4. All bread transported from one place to another shall be carried in basket, box or other container, which must at all times be kept in a sanitary condition.

Section 5. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and shall upon conviction thereof be fined in any sum not less than five (\$5.00) dollars, nor more than two Hundred (\$200.00) dollars.

Section 6. All ordinances or parts of Ordinances in conflict herewith shall be and are hereby repealed.

AN ORDINANCE *98-200*

CREATING A BOARD TO BE KNOWN AS THE EXAMINING AND SUPERVISING BOARD OF ELECTRICIANS AND REGULATING THE LICENSING OF THOSE ENGAGED IN THE ELECTRICAL BUSINESS WITHIN THE CITY OF SAN ANTONIO; FIXING THE TERM OF OFFICE OF THE MEMBERS OF SUCH BOARD, AND PRESCRIBING A PENALTY, AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF SAN ANTONIO:

Section 1. That there be and is hereby created a board to be known as the "Examining and Supervising Board of Electricians," which Board shall consist of three members, viz:

Employing Contractor or Master Electrician of a least ten years active and continuous experience as an electrician;
City Electrician, and An Electrical Engineer.

Section 2. That the members of said Board shall hold their respective positions and exer-

cise the authority herein conferred during the pleasure and at will of the Mayor of the City of San Antonio, after their appointment by the Mayor and approval by the Board of Commissioners that the City Electrician shall be deemed to be an ex-officio member of said Board for the purpose of carrying out the powers and regulations herein conferred. That no compensation shall be allowed to any member of said Board, except City Electrician, and all members of said Board shall hold their respective offices subject to the terms of this ordinance, and the qualifications prescribed by the City Charter governing employes and officers.

Section 3. That after the appointment of the said Board they shall meet as soon as practicable, and from their membership select a chairman and prescribe a procedure and order of business for hearing of application by persons engaged in the electrical business within the City of San Antonio. That it shall be the duty of the said Board to fix, at reasonable intervals of time, the dates of hearing applicants for examinations and license as herein provided for, as well as from time to time to make reasonable rules relating to the method of requiring examinations by applicants before said Board, as well as applicants for re-examination before the said Board not inconsistent herewith.

Section 4. That it shall be the duty of the said Board to pass upon all persons now engaged as contracting electricians employing electricians, or all persons who may hereafter wish to engage in the electrical business as a master electrician, or employing electricians, within the City of San Antonio, and all persons who may apply for the office of City Electrician.

That there shall be issued licenses to such persons as shall successfully pass the required examination as hereinafter referred to. But such license shall not authorize anyone to enter into a contract for the installation of any electrical work, unless such person shall in addition pay the annual license fee prescribed by other ordinances of the City of San Antonio, and furnish the bond there required.

No person shall engage in any character of electrical installation or maintenance of wires or fixtures, or other work as a contracting electrician, or master electrician until such person has passed the examination herein provided for and secured the license herein authorized. Provided, however, that any employing electrician, or firm holding a license may have electrical work done by their bona fide employees subject to all the other provisions of this ordinance, and in such event such employing electrician, or firm shall assume full responsibility for the work of such employees.

Section 5. The Board shall keep a book in which shall be registered the names and places of business of all persons to whom an electrical license is issued.

Section 6. The Board shall not issue license for more than one year, and all licenses issued shall expire on the first day of January following the issuance of same, and the same shall be renewed from year to year upon proper application, and without further examination, except as hereinafter provided for.

Section 7. That each applicant for examination for master electrician's license shall pay to the Tax Collector of the City of San Antonio the sum of Two (\$2.00) Dollars for each master electrician, examined, which fee shall be used for covering the legitimate expenses of said Board, and the same shall be administered according to the terms of the Charter and the State laws as in such cases is made and provided.

Section 8. That the licenses granted shall be personal to the licensee and shall be non transferable, provided that the examination or examination fee shall not be required of the same person more than once; and provided further that no license shall be issued to any person to carry on the electrical business, installation or maintenance of any character of electrical

work until, he shall have appeared before said Board for examination and registered, and shall have successfully passed the required examination.

Section 9. That any person engaged in the business of a master electrician, employing electrician, shall be required, within thirty (30) days from the time that this ordinance becomes effective to make application in writing to said Board for a license to engage in such business, which application shall be made upon form to be prepared by the said Board and furnished free to the applicant; that the City Clerk shall be ex-officio clerk of said Board, and all applications shall be filed with the City Clerk for examination and license before the said Board. It shall be the duty of the Board to, as soon as practicable, give to each and every applicant its consideration and provide a speedy and reasonable examination of each applicant, and for such purpose it shall be the duty of said Board to hold continuous hearings within reasonable hours until all such applicants have been examined and passed upon as provided herein.

That the Board shall prescribe a reasonable examination of a uniform, fair and impartial nature testing the knowledge and skill of each applicant as a master electrician, employing electrician, to supervise or control electrical work necessary in connection with the installation of electrical wires of any nature whatsoever now or hereafter placed in any manner attached to any building or any or similar structure in the City of San Antonio.

That whenever it may be deemed agreeable by the Board and no injustice be done the applicant examinations may be submitted in writing taking the form of questions, provided, however, that should any applicant be unable to take the examination in writing the same shall be orally submitted, provided, that all written examinations submitted shall be signed by at least two of the members of the Board and attested by the Secretary of the said Board. That in making and submitting examinations due regard shall be had and heeded by said Board for the particular class of work required to be done and customarily done by master electricians, or employing electricians.

Section 10. That the Board shall conduct the examinations with utmost fairness and patience and should any applicant fail in any examination, (the Board shall fully appraise the applicant, so far as it may be practicable to do so, wherein the applicant is delinquent or fails to meet in a reasonable manner the requirements of the examination. That any unsuccessful applicant may make application for re-examination at such reasonable time as may be prescribed by the Board; provided, that no person shall be delayed longer than one week by the Board in requiring new application to be heard; provided, further that nothing herein contained shall deny any application to be heard on any new application at any other time that the applicant may desire same; provided that the applicant shall comply with the other provisions of this ordinance.

Section 11. That no applicant shall be denied any examination or license on account of any affiliation or lack of affiliation with any organization, union or association or persons that may be connected with the calling or business of a master electrician. Nor shall any applicant be denied any examination or license because of any other character of affiliation with any other kind of organization. If it shall appear that any applicant has been denied a license by the Board after two unsuccessful examinations, and the applicant believes that he was denied the license on account of prejudice or any other improper influence, or in violation of the terms of this ordinance, it shall be the duty of the City Attorney's Department to represent the applicant in all applications for a re-hearing in behalf of said applicant, and it shall be the duty of the Board to immediately order a re-examination of the applicant, and the applicant shall ^{have} a right to furnish testimony touching his qualifications as a person po-

sessing the necessary knowledge to do, supervise or perform the work necessary to be performed by a master electrician or employing electrician.

The City Attorney's Department shall exercise full power to aid and assist the applicant in obtaining a full and impartial hearing (on any application filed in such matter.

That after the examination of any such applicant the City Attorney or an assistant shall, in case the applicant is again unsuccessful, in the opinion of the said Board, in obtaining a license, report all such facts to the Mayor, and if, in the opinion of the City Attorney and the Mayor, the applicant has been unfairly treated in the light of all circumstances surrounding the said applicant, a license should be issued to said applicant, the Mayor shall have the power to order a special investigation into the manner of the examination of such applicant, and for the purpose appoint a committee of practical and skilled persons in calling or business of master electrician, or employing electricians of such number as the Mayor may deem advisable, and the committee may examine the applicant and report the result to the Mayor, whereupon the Mayor shall certify the result of such examination made by the said committee and all available facts connected therewith and it shall be the duty of the said Board to thereafter consider all of the said facts or any additional facts that may be furnished by the applicant and to make a re-examination of the applicant, provided, that nothing herein contained shall at any time prevent the Mayor and Board of Commissioners from ordering and instituting and investigating into any application where the license is denied and reporting the same to the Board for their consideration and judgment, and provided that the Mayor at any time may declare the position of any members of said Board vacant if it should appear to the Mayor that any member or members of the Board are controlled by improper motives or partiality otherwise in granting or refusing licensing to the applicants. The Mayor may issue an executive order to any such member declaring his position vacant and shall appoint his successor thereto.

Section 12. That the said Board shall be diligent in aiding and assisting all applicants by enlightening them concerning the rules prescribed by the said Board for examination as well as to furnish them all reasonable assistance as to receive a speedy examination and the said Board shall, from time to time and least once in every three months report to the Mayor, or at such other times as may be demanded by the Mayor, a full report showing the transactions had before the said Board, the applications granted, the names of persons denied licenses, the method of examinations and shall further report and recommend from time to time such needful changes to be adopted by the Board and Board of Commissioners concerning the doing of electrical work provided for in the City Ordinances of the City of San Antonio.

Section 13. That the term "Master Electrician", or "employing electrician," used herein shall be generally accepted as those who do not hold themselves out as personally doing the work, but as contracting to furnish the material and doing the work through others, provided, that the definition herein shall not be construed to relieve anyone from obtaining the license herein provided for, and the same shall be construed as merely general in application for the purpose of classification by the Board for the purpose of keeping its records.

Section 14. That wherever the term "person" is used herein it shall mean any person, association of persons or others engaged in the electrical business.

Section 15. That wherever any person passes an examination a license shall be issued to such persons as hereinabove provided for by the Tax Collector of the City of San Antonio and the Tax Collector shall be designated by the Board at its first meeting as the person to receive all license fees hereunder and the licenses issued to said persons shall be signed

by the Chairman of the Board and attested by the City Clerk and shall otherwise be according to such form as may be prescribed by the said Board.

Section 16. That hereafter all applicants for City Electrician shall be regular licensed Master Electricians, or shall stand an examination before said Board, and the result of the examination shall be certified by the Board or stated in an application to the Mayor, and the Board of Commissioners. Whereupon the Mayor and Board of Commissioners may consider the application of any person applying for the position of City Electrician.

Section 17. That the terms of this Ordinance shall be deemed cumulative of all other ordinances on the same subject save and except in so far as the terms of this ordinance may expressly conflict with any other ordinance, as to all such other ordinances the terms of this ordinance shall supersede the same and it is expressly declared that should any section, provision or part of this ordinance be declared invalid for any reason the same shall not effect any other part, provision or section.

Section 18. That any person contracting for electrical work in the City of San Antonio, or for fixtures or apparatus, or repairing or altering same without first obtaining a license as herein provided for, shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding the sum of Two Hundred (\$200.00) Dollars, and each and every day that the provisions of this ordinance are violated shall constitute a distinct offense.

Section 19. Whereas, on account of the public safety, as well as on account of promiscuous and reckless wiring, and other electrical work in the City of San Antonio, which is necessary to be regulated in behalf of the public safety, a public emergency is created requiring for the immediate preservation of the public safety that this ordinance shall become effective from and after its passage, and it is accordingly ordained that this ordinance shall become effective immediately upon its passage as in the Charter in such cases made and provided.

AN ORDINANCE 98-201

AMENDING AN ORDINANCE OF THE CITY OF SAN ANTONIO, PROVIDING FOR THE BONDING AND LICENSING OF ELECTRICAL CONTRACTORS OR MASTER ELECTRICIANS; PROVIDING THE MANNER AND WAY IN WHICH ELECTRICAL WORK SHALL BE DONE; THE KIND AND CLASS OF MATERIAL TO BE USED IN SUCH WORK; THE INSPECTION OF ELECTRICAL WORK, AND THE SCALE OF FEES FOR SUCH INSPECTION; THE POWER AND DUTIES OF INSPECTOR OF ELECTRICAL WORK, AND REQUIRING PERMITS FOR CERTAIN KINDS OF ELECTRICAL WORK; AND PRES-

CRIBING PENALTIES FOR THE VIOLATION OF ANY OF THE PRIVISIONS OF THIS ACT: AND REPEALING ALL ORDINANCES, OR PARTS OF ORDINANCES IN CONFLICT THEREWITH, PASSED AND APPROVED BY THE CITY OF SAN ANTONIO THE 27th DAY OF AUGUST, 1923.

BE IT ORDAINED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO:

That in lieu of Section 4 of said ordinance, that the following be adopted:

"No person, firm or corporation shall enter upon any work of maintenance of any electrical installation, work or wiring in the City of San Antonio until proper application has been made to and approved by the City Electrician and a permit issued covering this class of work, which permit may be issued for any time not exceeding one month. No such permit shall be granted until a license for such class of work shall have been secured by such person, firm or corporation. Application for such license shall be approved by the Commissioner of Taxation and filed with the Board of Commissioners and if such application be granted the License and Dues Collector shall issue such license upon the payment by such person, firm or corporation of the sum of Ten (\$10.00) Dollars as an annual license fee, which license shall run until the first day of January next succeeding its issuance unless sooner revoked; provided that if such license is issued after January of any year the license fee shall be for the proportionate remaining part of such year computed from the first day of the month in which the same is issued. Such license shall not be transferable.

The Term "work of maintenance" as used herein, shall apply only to the repairs necessary to keep the installation in a safe condition, and under no circumstance shall a maintenance operator install new material as applied to extensions, or in any way increase the size of the installation. No bond shall be required of persons who engage solely in the "work of maintenance."

Whenever any person, firm or corporation, violates the terms of this ordinance or other electrical ordinances of the City of San Antonio, and has a license or bond, the Judge of the Corporation Court on conviction, or the Board of Commissioners, after a fair hearing, may cancel such license and such person, firm or corporation shall not hereafter be permitted to engage in or do any character of electrical work or secure another license for a period of one year.

, If anyone does any electrical work improperly or unlawfully and fails to rectify same properly when notified to do so, such person, firm or corporation shall not hereafter receive any permit to do other work until such defective, improper or unlawful work has been corrected."

BE IT FURTHER ORDAINED BY THE BOARD OF COMMISSIONERS OF THE CITY OF SAN ANTONIO:

That Section 18 of said ordinance be amended so that the same shall read as follows, to-wit:

"No wooden moulding shall be used and where it is necessary to cover surface wiring, either metal moulding or approved iron conduits shall be used. All buildings within the first fire limits shall be wired either in approved metal conduit, or metal mouldings and all buildings located within the City limits that are used for other than private residences must have the wiring installed in rigid conduit, or flexible steel conduit with all the fittings necessary to make a perfect and complete job of conduit installation. Any building having more than two apartments or arranged to provide separate living quarters for more than two families, shall not be considered as a private residence within the meaning of this ordinance. In places where the wiring is exposed, metal moulding with approved fittings may be used. In all buildings used for school purposes, switches

controlling each circuit must be placed in the hall on each floor and must contain the requisite number of switches to control the lights in each room on said floor. Under no circumstances can any armored cable or B.X. be used within the corporate limits of the City of San Antonio."
