**OFFICIAL CANVASS OF THE CITY COUNCIL
RECOUNT FOR DISTRICT 6 RACE
JUNE 5, 1997**

MAYOR AND CITY COUNCIL:

On Tuesday, June 3, 1997, a recount of the District 6 race took place at the request of candidate, Cris Bera. At this time and as mandated by State Law, we will need to recanvass the results of the District 6 election since there was a change to the number of votes .

The recount entailed a manual count of all votes cast in the District 6 race which includes early voting, votes by mail and election day votes. I need to point out some obvious differences between manual counts and electronic vote counting. The manual count takes into consideration voter intent while the electronic scanners count marks. In that regard, the manual count last night produced more votes cast than did the electronic vote. There were some instances that votes were cast outside of the District which were counted by the Recount Committee. These could have been marked with a wrong Precinct number, or due to incorrect voter registration coding. Let me state though, that the differences are very minor. Other reasons for the increase in the number of votes cast found on the Manual Count could be attributed to inclusion of the disabled or the last delivery of mail ballots into the Election day totals.

With me today is Gary Rose, Computer Operations Manager for Bexar County's Information Services Department, Marian Stanko, Early Voting Ballot Board Judge, and Ms. Georgia Forget, our Recount Chair, who can answer any specific questions you may have after the Recanvass takes place.

At this time, if the Council can follow on the sheets you have been provided, we can read the results of the Manual Recount.

Here Norma reads the results of each Precinct (Early Voting, Election Night, and Combined).

The changes to the Early voting results are as follows:

For Menendez	from 1109 to 1102 - less a total of seven (7) votes
For Bera	from 1646 to 1638 - less a total of eight (8) votes

The changes to the Election Day totals are as follows:

For Menendez	from 2851 to 2863 - a total of 12 additional votes
For Bera	from 2273 to 2275 - a total of 2 additional votes

The Grand totals, therefore are:

For Menendez:	3,965
For Bera	3,913

a difference of 52 votes

Does the Council have any questions or comments at this time?

Norma then reads the Ordinance pertaining to the new Canvass
