At this point the Mayor asked for comments from the audience.

Mrs. David Jacobson, President of the San Antonio Library Board, addressed the Council in a plea for enlargement of the library. She presented Dr. Walter Walthall, a board member, who by charts, graphs and picture slides illustrated to the Council the alleged need for the property of the City Water Board which adjoins the library on the east. The Mayor read a resolution which the Water Board proposed to pass declaring 75 foot of the desired property to be surplus and available for the city to take over for the library. Dr. Walthall and Mrs. Jacobson contended that this was an insufficient amount of land to fill the need and asked for more.

The following speakers added their pleas to those made all asking for improved library facilities. Mr. Teairl Lewis; _____, President of Federation of Womens Clubs; Mr. Roger Hill, Vice President of the Downtowners; Mrs. Ed Jackson, President of the City Council of PTA's; Most Rev. Walter Beuhler, President of St. Mary's University; Mrs. Hayden Miller, President of San Antonio Friends of the Public Library; Mrs. Rufus Bell and Mrs. Franz Stumpf from the Conservation Society.
