Hearing on Zoning Commission Recommendations held as follows:

Proposition (A): Mr. Charles Biery attorney for certain adjoining property owners to this property at Jackson & Laurel Streets protested against the rezoning of this property and called attention to the fact that prior to making the recommended changes the Zoning Commission failed to notify all interested parties as required by law. This fact being verified, the Commissioners voted to return the petition to the Zoning Commission for further action.

Proposition (B): North Park Blvd. Zoning Commission recommendation approved.

Proposition (C): S. Gevers, Miller, Hyacinth, Brearly.

Proposition (C): Mr. Woodville Rogers attorney for the petitioners protested against the recommendation of the Zoning Commission that the petition be denied and the property remain as "B" Residential. He showed by maps and charts that it would be a natural development to enlarge the retail district; That part of the area is already used commercially; that no spot zoning would be involved and that no valid objection was made by immediate property owners. After due consideration Commissioner Steves, seconded by Commissioner Schmidt moved that the recommendation of the Zoning Commission be overridden and that the petition to rezone be granted and the property be rezoned as petitioned. The motion carried by the following vote: Ayes, White, Schmidt, Steves & Roper; Nays, Tucker, absent.
