

AN ORDINANCE 12,696

REGULATING PERFORMANCE OF DUTIES OF CHARTER EMPLOYEES.

WHEREAS, it is undesirable for employees of a City to work part-time unless specifically understood, as to special work, and it is especially undesirable and against public interest for those holding Charter positions to work only part-time on City jobs; and

WHEREAS, the City Attorney, Chief of Police, Corporation Court Judges, City Auditor, City Purchasing Agent, and City Health Officer are provided for by Charter and such positions have generally been understood to be of the nature of a full-time job; and

WHEREAS, it would be against public policy for the Chief of Police to use his position and to devote only a part of his time to work, having on the side a detective agency; and it would be against public policy for the City Purchasing Agent to give only part time to his job while at the same time devoting much of his time to the conducting of a retail business; and it would be against public policy for the Director of Public Health to be engaged in private medical practice; and it would be against public policy for the City Auditor to give only partial time to the City with an auditing business on the outside requiring his personal service and supervision, keeping him away from his duties at the City Hall many hours each day, and

WHEREAS, a devotion to duty necessitates giving full time of such office and the maintenance of a part-time schedule is discriminatory against other full-time employees and creates diverse and conflicting interests to the detriment of the public welfare;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO:-

1) That the Chief of Police, City Purchasing Agent, City Engineer, City Auditor, City Attorney and assistants City Attorneys, Corporation Court Judges, and all other employees holding Charter positions, including the Director of Public Health, shall devote their full time to their official positions;

2) It shall hereafter be unlawful for an employee holding one of the aforementioned Charter positions, including the assistance City Attorneys, to engage in the private practice of law or private business or professional practice whatsoever, requiring the interest, time and personal attention of the employee concerned; and it shall hereafter be unlawful for the City Council or any thereof to employ a person in any one of the aforementioned positions or to continue one presently employed who is engaged in private business or the private practice of a profession in any manner whatsoever;

3) That the City Treasurer is hereby directed to remove from the payrolls any person holding any of the aforementioned positions who are not devoting their full time to their positions, and is hereby ordered and directed not to execute any salary payments to any such person who does not devote full-time to his position for any pay-roll period subsequent to thirty (30) days after the effective date of this ordinance.
