Declaring the public necessity for the widening of West Josephine Street, from the West line of East Euclid to the East line of Jones Avenue; directing the City Engineer to prepare plans, profiles, specifications and property owners' roll, and report with regard thereto; declaring the intention of the City to assess part of the cost of said improvement against the abutting property and the owners thereof.

BE IT ORDAINED BY THE COMMISSIONERS OF THE CITY OF SAN ANTONIO:

1. That a public necessity exists for the improvement of WEST JOSEPHINE STREET, in the City of San Antonio, by widening and straightening the same between its intersection with the west line of East Euclid Avenue, and the east line of Jones Avenue; and that special assessments and taxes shall be made and levied, as provided by law and Ordinance, on account of the cost of such improvement.

2. That the improvement shall in general consist of the widening and straightening of said street between the points aforementioned, by setting back the street and sidewalk lines; removing such buildings, structures and other improvements as may conflict with the new lines of the street; and acquiring of such property as may be necessary so that said street, when completed, shall have a width of approximately sixty-five (65') feet between property lines, with an approximate roadway of Forty-four (44') feet and sidewalks approximately ten and a half (10.5) feet in width on each side thereof.

3. That the City Engineer is hereby directed to prepare plans, profiles, plats and specifications covering the proposed improvement, in accordance with this Ordinance, and to report

same to these Commissioners forthwith, together with a statement of the cost of such improvements, the names of the property owners abutting thereon, the description of the property which will abut upon said street, as widened and the amount, if any, to be assessed against said owners and said property as their, or its, cost of making such improvement.

4. That the cost of said improvements shall be discharged as follows:

(a) An amount, not exceeding three-fourths ($3/4$) of the whole cost thereof, shall be paid by the owners of the property abutting on said street, as widened and straightened, and shall be assessed against them and their property, as provided for by law and Ordinance, provided, however, that no assessment shall be made against any property or owner thereof, until after legal hearing notice shall have been given to said property owners and legal hearing had; nor shall any assessment be made against any property or owner thereof, until after legal hearing notice shall have been given to said property owners and legal hearing had, nor shall any assessment be made against any property or owner thereof in excess of the actual benefit to such owner in the enhanced value of his property by means of such improvement as ascertained at such hearing.

(b) The remainder of the cost of said improvement shall be paid by for by the City of San Antonio.
