- 1.1 This contract shall commence upon the execution of this contract and shall terminate on September 30, 2010, unless terminated earlier pursuant to the provisions hereof. This contract may be extended for as many as three one-year terms, at the sole discretion of CITY, as evidenced by an ordinance passed by the San Antonio City Council.
- 1.2 CONSULTANT and CITY recognize that the continuation of any contract after the close of any given fiscal year of CITY, which fiscal year ends on September 30, shall be subject to appropriation of funds for the contract. Should funds not be appropriated, this contract shall terminate at the end of the fiscal year for which funds were appropriated and the parties shall have no further obligations hereunder.

**II. SCOPE OF SERVICES**

- 2.1 CITY hereby employs CONSULTANT to provide random and reasonable suspicion drug testing services during the term of this contract, unless terminated pursuant to the terms contained herein.
- 2.2 CONSULTANT shall be available twenty-four hours per day to perform testing. CONSULTANT shall randomly select 25% of the authorized manpower of the San Antonio Police Department (SAPD) or approximately 575 officers annually for testing through the use of a non-discriminatory computerized program.

- 2.4 Pursuant to the provisions of the collective bargaining agreement in effect, CONSULTANT shall accompany a selected officer to a qualified physician's office or a certified testing laboratory to have the testing administered, at the request of the officer, at the officer's expense, within five hours after notification.

- 2.5 CONSULTANT shall allow an officer up to four hours to provide a specimen and document the circumstances surrounding any unwillingness, failure or inability to provide a specimen.
- 2.6 CONSULTANT shall obtain a urine specimen through stricter observation where there is reason to believe, as determined by CONSULTANT and CITY, that an initial specimen has been altered or substituted
- 2.7 CONSULTANT shall ensure that the individual or laboratory selected for collecting samples conducts and documents background investigations on all personnel involved in the collection or handling of an unsealed specimen.
- 2.8 CONSULTANT shall ensure that only employees who have not been arrested by officers of the SAPD are used in the collecting and handling of an unsealed specimen.
- 2.9 CONSULTANT shall ensure that no employee is used in the collection or handling of an unsealed specimen who has been convicted of a felony or misdemeanor crime involving dishonest conduct or possession of illegal drugs.
- 2.10 CONSULTANT shall document and maintain all records in a confidential manner and forward all test results and documentation to the Office of the Chief of Police of the SAPD. Test results shall be provided to the Chief of Police via telephone within forty-eight hours and in writing within five days after specimen collection.

An initial positive test result will not be considered conclusive; rather, it will be classified as "confirmation pending". A positive test result on the initial drug-screening test will automatically require the performance of a
